**ADVERSARY COMPLAINT FOR DECLARATORY JUDGMENT,
AVOIDANCE OF LIENS, AND DISALLOWANCE OF CLAIMS**

Plaintiff Official Committee of Unsecured Creditors (the “**Committee**”) of Residential Capital, LLC, a Delaware limited liability company (“**ResCap**”) and its affiliated debtors (collectively, the “**Debtors**”), by and through its undersigned counsel, on behalf of and as the

representative of the Debtors' estates, and based upon knowledge, information, belief, and the results of its investigation to date, alleges as follows:

NATURE OF ACTION

1. This adversary proceeding seeks: (i) a declaratory judgment that certain property of the Debtors is not subject to liens or security interests asserted by the Collateral Agent (defined below) for the benefit of the Indenture Trustee (defined below) and the Junior Secured Noteholders (defined below, collectively, the "**Secured Parties**"); (ii) a declaratory judgment that certain liens or security interests asserted by the Secured Parties on property of the Debtors are unperfected; (iii) an order avoiding the Secured Parties' unperfected liens on or security interests in certain property under sections 544, 550, and 551 of the Bankruptcy Code; (iv) an order avoiding certain liens or security interests asserted by the Secured Parties on the Preference Assets (defined below), or recovering the value of such assets, as preferential transfers under sections 547, 550, and 551 of the Bankruptcy Code; (v) an order recharacterizing postpetition payments to the Secured Parties' professionals as payments of principal; (vi) an order clarifying the priority of the Secured Parties' liens; (vii) an order disallowing the Secured Parties' claims pending final resolution of the claims in this adversary complaint; and (viii) an order disallowing the Secured Parties' claims to the extent such claims include unmatured interest.

JURISDICTION AND VENUE

2. This is an adversary proceeding pursuant to Rule 7001 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**").

3. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334(b) and (e).

4. This adversary proceeding is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2)(A), (B), (C), (E), (F), (K), (M), and (O).

5. Venue is proper in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

6. Pursuant to Local Rule 7008-1, Plaintiff consents to entry of final orders and judgments by the bankruptcy judge if it is determined that the bankruptcy judge, absent consent of the parties, cannot enter final orders or judgment consistent with Article III of the United States Constitution.

CASE BACKGROUND

7. On May 14, 2012 (the “**Petition Date**”), ResCap and 50 of its subsidiaries filed voluntary petitions in this Court for bankruptcy protection under chapter 11 of title 11 (the “**Chapter 11 Cases**”) of the United States Code (the “**Bankruptcy Code**”).

8. The Debtors are among the largest servicers and, together with Ally Bank, originators of residential mortgage loans in the United States.

PARTIES

9. The Committee is an official committee of unsecured creditors appointed in these cases by the United States Trustee for the Southern District of New York on May 16, 2012, under section 1102 of the Bankruptcy Code.

10. The Committee is vested with, among other things, the powers described in section 1103 of the Bankruptcy Code, including the power to investigate the acts, conduct, assets, liabilities, and financial condition of the Debtors.

11. The Committee brings this action on behalf of the estates of each of the Debtors, including, without limitation, EPRE LLC, a Delaware limited liability company, ETS of Virginia, Inc., a Virginia corporation, ETS of Washington, Inc., a Washington corporation,

GMAC Mortgage, LLC, a Delaware limited liability company (“**GMACM**”), GMAC Mortgage USA Corporation, a Delaware corporation, GMAC-RFC Holding Company, LLC, a Delaware limited liability company, Homecomings Financial, LLC, a Delaware limited liability company, ResCap, Residential Funding Company, LLC, a Delaware limited liability company (“**RFC**”), Residential Consumer Services, LLC, a Delaware limited liability company, and Residential Funding Mortgage Exchange, LLC, a Delaware limited liability company.

12. Defendant UMB Bank, N.A. (“**UMB Bank**” or the “**Indenture Trustee**”) is the successor indenture trustee under that certain Indenture, dated as of June 6, 2008 (the “**Junior Secured Notes Indenture**”), among ResCap, as issuer, certain other Debtors, as guarantors, and U.S. Bank, National Association (“**U.S. Bank**”), as the predecessor indenture trustee to UMB Bank, pursuant to which certain 9.625% junior secured notes due 2015 were issued.

13. Defendant Wells Fargo Bank, N.A. (“**Wells Fargo**”) serves as third priority collateral agent and collateral control agent (collectively, the “**Collateral Agent**”) under an Amended and Restated Third Priority Pledge and Security Agreement and Irrevocable Proxy, dated as of December 30, 2009 (the “**Notes Security Agreement**”).

FACTUAL BACKGROUND

The Committee’s Investigation

14. On the Petition Date, the Debtors filed a motion seeking authority to enter into a postpetition financing facility with Ally Financial, Inc. (f/k/a GMAC, LLC) (“**AFI**”) and to use the cash collateral of AFI and the Secured Parties (the “**AFI DIP Motion**”).

15. On June 25, 2012, the Court entered an Order [Docket No. 491] granting final approval of the AFI DIP Motion (the “**AFI DIP Order**”).

16. In the AFI DIP Order, the Debtors agreed to a series of stipulations concerning the liens and security interests granted under the Notes Security Agreement (collectively, the “**Stipulations**”), as described in more detail below in paragraph 70.

17. Among other things, the Stipulations provide that the Debtors have released the Secured Parties from all causes of action in connection with the Junior Secured Notes (as defined below) and acknowledged the Secured Parties’ liens on and security interests in the Notes Collateral (as defined below). *See* AFI DIP Order ¶ 5(k).

18. The AFI DIP Order provides that the Stipulations became binding on the Debtors upon entry of the AFI DIP Order, and become binding on all parties in interest, including the Committee, unless objected to by September 24, 2012 (the “**Challenge Deadline**”). *See* AFI DIP Order ¶ 28.

19. The AFI DIP Order tolls the Challenge Deadline pending the adjudication of a motion seeking standing to bring causes of action against the Secured Parties. *See* AFI DIP Order ¶ 28.

20. Following entry of the AFI DIP Order, the Committee commenced an investigation of the claims and liens of the Secured Parties, including whether the Debtors waived any valid estate claims against the Secured Parties.

21. The Committee’s investigation soon focused on a \$1.1 billion discrepancy in the Debtors’ prepetition and postpetition disclosures concerning the Notes Collateral.

22. The Debtors’ audited financial statements for the year ended December 31, 2011, and unaudited financial statements for the quarter ended March 31, 2012 (the most recent statements prior to the Petition Date), describe the Junior Secured Notes as secured by the same \$1.3 billion in collateral that purportedly secures the AFI Revolver (as defined below).

23. According to the Stipulations, the Notes Collateral includes \$1.3 billion of assets identified under the column labeled “Ally Revolver” and an additional \$1.1 billion of assets identified under the column labeled “Blanket” on Exhibit A to the AFI DIP Order.

24. Upon information and belief, prior to the Petition Date, the Debtors’ internal collateral tracking database identified only approximately \$1.3 billion in collateral securing the Junior Secured Notes and the AFI Revolver.

25. Upon information and belief, prior to the Petition Date, the Debtors’ internal database identified nearly all of the “Blanket” collateral as “Unpledged.”

26. Upon information and belief, prior to agreeing to the Stipulations, the Debtors failed to independently verify whether the Secured Parties had perfected liens, or any liens at all, on the assets that comprise “Blanket” property or whether any such assets constitute Excluded Assets under (and as defined in) the Notes Security Agreement.

27. The Debtors provided the Committee with supporting information concerning the identification of assets listed in the “Ally Revolver” and “Blanket” columns on Exhibit A to the AFI DIP Order.

28. Notwithstanding the Stipulations, there are substantial, valuable assets of the Debtors that either are not subject to liens in favor of the Secured Parties or are subject to unperfected liens that may be avoided, among other challenges to the Stipulations.

29. On September 24, 2012, the Committee filed a motion seeking standing to pursue the claims in this adversary complaint [Docket No. 1563].

30. By order dated December 26, 2012, the Court granted the Committee standing to commence, prosecute, and settle the claims set forth in this adversary complaint [Docket No. 2518] (the “Standing Order”).

31. The Committee's claims as against the defendants are set forth below.

The Junior Secured Notes

32. Before the Petition Date, the Debtors entered into numerous financing transactions.

33. On or about June 6, 2008, ResCap, as issuer, GMAC-RFC Holding Company, LLC, GMACM, GMAC Residential Holding Company, LLC, Homecomings Financial, LLC, and RFC, as guarantors, and U.S. Bank, as indenture trustee, entered into the Junior Secured Notes Indenture.

34. A true and correct copy of the Junior Secured Notes Indenture, as supplemented, is attached hereto as **Exhibit A**.

35. Also on or about June 6, 2008, ResCap issued approximately \$4 billion of 9.625% Junior Secured Guaranteed Notes Due 2015 (such notes, the "**Junior Secured Notes**", and the holders of the Junior Secured Notes, the "**Junior Secured Noteholders**") under the Junior Secured Notes Indenture.

36. The Junior Secured Notes were issued, together with cash paid under a tender offer, in exchange for approximately \$6 billion of the Debtors' then-outstanding unsecured notes maturing in 2010-15 (the "**Old Notes**"), as described in the Form 8-K filed by ResCap on or about June 12, 2008 (the "**ResCap Exchange Offer 8-K**").

37. A true and correct copy of the ResCap Exchange Offer 8-K is attached hereto as **Exhibit B**.

38. Upon information and belief, each holder that tendered Old Notes in the exchange offer received \$800 of Junior Secured Notes in exchange for \$1,000 face amount of Old Notes.

39. Holders of the Old Notes had the opportunity to elect to receive cash in lieu of Junior Secured Notes that they otherwise would have received pursuant to a "modified Dutch

auction” process described in the offering memorandum for the Junior Secured Notes. *See* ResCap Exchange Offer 8-K.

40. The clearing price in the auction was \$650 per \$1,000 face amount of the Junior Secured Notes.

41. Upon information and belief, the exchange of the Junior Secured Notes resulted in original issue discount of at least \$1.548 billion, which was to accrete over the life of the Junior Secured Notes.

42. Upon information and belief, as of the Petition Date, the outstanding face amount of Junior Secured Notes was approximately \$2.12 billion.

43. Upon information and belief, as of the Petition Date, the remaining amount of unaccreted original issue discount was at least \$377 million.

44. On or about June 6, 2008, certain Debtors¹ entered into a Third Priority Pledge and Security Agreement and Irrevocable Proxy (the “**Original Notes Security Agreement**”) with the Indenture Trustee and the Collateral Agent.

45. On or about December 30, 2009, the Original Notes Security Agreement was amended and restated in its entirety by the Notes Security Agreement.

46. A true and correct copy of the Notes Security Agreement, as amended, is attached hereto as **Exhibit C**.

47. In the Notes Security Agreement, certain Debtors² granted the Collateral Agent liens on and security interests in certain of their assets (collectively, the “**Notes Collateral**”) to

¹ Specifically, Debtors ResCap, RFC, GMACM, GMAC-RFC Holding Company, LLC, GMAC Residential Holding Company, LLC, Homecomings Financial, LLC, RFC Asset Holdings II, LLC, Passive Asset Transactions, LLC, Residential Mortgage Real Estate Holdings, LLC, Equity Investment I, LLC, and Homecomings Financial Real Estate Holdings, LLC were party to the Original Notes Security Agreement. Non-Debtors GMAC Model Home Finance, LLC, Developers of Hidden Springs, LLC, and Residential Funding Real Estate Holdings, LLC were also party to the Original Notes Security Agreement.

secure payment of the obligations under the Junior Secured Notes Indenture and the Junior Secured Notes (the “**Notes Obligations**”).

48. In Section 2 of the Notes Security Agreement, certain Debtors (collectively, the “**Recourse Obligors**”) granted the Collateral Agent liens on and security interests in certain servicer advances, mortgage loans, trading securities, accounts receivable, chattel paper, computer hardware, software and related rights/licenses, deposit accounts, securities accounts, instruments, investment property, documents, general intangibles, goods, equipment, fixtures, intellectual property, equity interests, promissory notes, and all other personal assets and property of any kind or description. *See* Notes Security Agreement § 2(a)-(u).

49. The Recourse Obligors consist of the following Debtors: GMAC-RFC Holding Company, LLC; GMACM; GMAC Residential Holding Company, LLC; Homecomings Financial, LLC; ResCap; and RFC.

50. In Section 4 of the Notes Security Agreement, certain other Debtors (the “**FABS Grantors**”) granted the Collateral Agent liens on and security interests in certain of their financial assets, trading securities, deposit accounts, investment property, instruments, cash delivered in respect of and collateral securing any financial assets, related documents, accounts receivable, general intangibles, supporting assets, and proceeds. *See* Notes Security Agreement § 4 (a)-(e).

² Specifically, Debtors ResCap, RFC, GMACM, GMAC-RFC Holding Company, LLC, GMAC Residential Holding Company, LLC, Homecomings Financial, LLC, RFC Asset Holdings II, LLC, Passive Asset Transactions, LLC, Residential Mortgage Real Estate Holdings, LLC, Homecomings Financial Real Estate Holdings, LLC, DOA Holding Properties, LLC, GMAC Model Home Finance I, LLC, RFC Construction Funding, LLC, Ditech, LLC, GMAC Mortgage USA Corporation, GMACR Mortgage Products, LLC, Home Connects Lending Services, LLC, Homecomings Financial Real Estate Holdings, LLC, RCSFJV2004, LLC, Residential Consumer Services, LLC, Residential Funding Mortgage Securities I, Inc., Residential Funding Real Estate Holdings, LLC, Residential Mortgage Real Estate Holdings, LLC, Equity Investment I, LLC, and RFC SFJV-2002, LLC were party to the Notes Security Agreement. Non-Debtors GMAC Model Home Finance, LLC, Developers of Hidden Springs, LLC, Residential Funding Real Estate Holdings, LLC, Ameriland, LLC, and REG-PFH, LLC were also party to the Notes Security Agreement.

51. The FABS Grantors consist of the following Debtors: Passive Asset Transactions, LLC; and RFC Asset Holdings II, LLC.

52. In Section 5 of the Notes Security Agreement, certain other Debtors (collectively, the “**Additional Account Parties**”) granted the Collateral Agent liens on and security interests in certain deposit accounts and related proceeds. *See* Notes Security Agreement § 5 (a) and (b).

53. The Additional Account Parties consist of the following Debtors: Ditech, LLC; GMAC Mortgage USA Corporation; GMACR Mortgage Products, LLC; Home Connects Lending Services, LLC; Homecomings Financial Real Estate Holdings, LLC; RCSFJV2004, LLC; Residential Consumer Services, LLC; Residential Funding Mortgage Securities I, Inc.; Residential Funding Real Estate Holdings, LLC; Residential Mortgage Real Estate Holdings, LLC; and RFC SFJV-2002, LLC.

54. Under Sections 2 through 5 of the Notes Security Agreement (the “**Granting Clauses**”), Defendant Wells Fargo, in its capacities as third priority collateral agent and collateral control agent (to the extent any of the Notes Collateral constitutes “Controlled Collateral,” as defined in the Notes Security Agreement) as applicable, holds liens and security interests for the benefit of the Junior Secured Noteholders and the Indenture Trustee.³

55. Each Granting Clause provides that “notwithstanding the foregoing, the [Notes Collateral] described in [such Granting Clause] shall not include Excluded Assets.” Notes Security Agreement §§ 2-5.

³ In Section 3 of the Notes Security Agreement, certain other Debtors granted liens on and security interests in certain equity interests and certain notes.

Liens Senior to the Defendants' Liens

56. On or about June 4, 2008, certain of the Debtors⁴ entered into a Loan Agreement with AFI, as agent and lender (the “**Original Loan Agreement**”).

57. On or about December 30, 2009, the same Debtors and other parties⁵ entered into an Amended and Restated Loan Agreement with AFI (the “**AFI Revolver**”), amending and restating the Original Loan Agreement.

58. A true and correct copy of the AFI Revolver, as amended, is attached hereto as **Exhibit D**.

59. AFI made certain loans to the Debtors (the “**AFI Revolver Obligations**”) pursuant to and in accordance with the terms and conditions of the AFI Revolver.

60. Upon information and belief, the outstanding principal balance due under the AFI Revolver as of the Petition Date was approximately \$747 million.

61. On or about June 4, 2008, the Debtors and the Collateral Agent entered into a First Priority Pledge and Security Agreement and Irrevocable Proxy (the “**Original Revolver Security Agreement**”).

62. On or about December 30, 2009, the Original Revolver Security Agreement was amended and restated (the “**Revolver Security Agreement**”).

⁴ Specifically, such Debtors consist of the following: (i) RFC and GMACM as borrowers; (ii) ResCap, GMAC Residential Holding Company, LLC, GMAC-RFC Holding Company, LLC, and Homecomings Financial, LLC, as guarantors; and (iii) Residential Mortgage Real Estate Holdings, LLC, Residential Funding Real Estate Holdings, LLC, Homecomings Financial Real Estate Holdings, LLC, and Equity Investment I, LLC, as other obligors.

⁵ Specifically, RFC and GMACM were borrowers under the AFI Revolver. With the exception of Debtor Executive Trustee Services, LLC, the other obligors were the same as under the Notes Security Agreement. *See* footnote 2 *supra*. Debtor Executive Trustee Services, LLC became a guarantor under the AFI Revolver, but not the Junior Secured Notes, in February 2011.

63. By its terms, the Revolver Security Agreement grants the Collateral Agent liens on and security interests in the Notes Collateral to secure the AFI Revolver Obligations.

The Intercreditor Agreement

64. On or about June 6, 2008, U.S. Bank, as indenture trustee (predecessor to Defendant UMB Bank), Defendant Wells Fargo, as Collateral Agent and in other capacities, AFI, as lender agent, and certain Debtors⁶ entered into an intercreditor agreement (as amended, the “**Intercreditor Agreement**”).

65. A true and correct copy of the Intercreditor Agreement is attached hereto as **Exhibit E**.

66. Section 2.1(b) of the Intercreditor Agreement provides that the liens and security interests granted under the Revolver Security Agreement are first priority liens and security interests senior to the liens and security interests granted under the Notes Security Agreement.

67. At the time the parties entered into the Intercreditor Agreement, certain other obligations of the Debtors were secured by second priority liens on and security interests in the Notes Collateral (the “**Original Second Lien Obligations**”).

68. Upon information and belief, before the Petition Date, the Original Second Lien Obligations were repaid and retired in full.

69. Upon information and belief, upon the repayment and retirement of the Original Second Lien Obligations, the liens on and security interests in the Notes Collateral became second priority liens and security interests.

⁶ The Debtors party to the Intercreditor Agreement are the same as the Debtors party to the Notes Security Agreement. Certain additional affiliates, including Debtor DOA Properties IX (Lots-Other), LLC, were also party to the Intercreditor Agreement.

The Debtors' Stipulations under the AFI DIP Order Concerning the Notes Collateral

70. The Stipulations made by the Debtors in the AFI DIP Order included the concessions that: (i) the aggregate principal amount outstanding under the Junior Secured Notes as of the Petition Date is at least \$2,120,452,000, plus accrued and unpaid interest and reimbursable expenses and fees (AFI DIP Order ¶ 5(b)(iii)); (ii) the Debtors' obligations under the Junior Secured Notes are legal, valid, and binding and are not subject to avoidance (AFI DIP Order ¶¶ 5(c) and (d)); (iii) the liens and security interests granted to the Secured Parties on the Notes Collateral are first priority, valid, binding, perfected, and enforceable (AFI DIP Order ¶ 5(g)); (iv) the Notes Collateral includes the "Pre-Petition Ally Repo Facility" and any residual value therefrom (AFI DIP Order ¶ 5(h)); and (v) the Notes Collateral includes the assets listed in the columns labeled "Ally Revolver" and "Blanket" on Exhibit A to the AFI DIP Order (AFI DIP Order ¶ 5(h)).

71. The Stipulations also provide that the Debtors have released the Secured Parties from all causes of action in connection with the Junior Secured Notes and the Secured Parties' liens on and security interests in the Notes Collateral. *See* AFI DIP Order ¶ 5(k).

72. The Debtors' Stipulations, if not challenged, provide for the allowance of the Notes Obligations and excuse the filing of a proof of claim. *See* AFI DIP Order ¶¶ 5(c) and (d), 31.

73. Under the AFI DIP Order, the Secured Parties were granted several forms of adequate protection, including replacement liens and administrative expense claims to the extent of the diminution in value of the Secured Parties' interest in the Notes Collateral. *See* AFI DIP Order ¶ 16(c).

74. In particular, the Secured Parties were granted liens as adequate protection on the equity interests of the Barclays DIP Borrowers (as defined in the AFI DIP Order), but only to the

extent that such parties' liens on the BMMZ Facility (defined below) or any residual value therefrom were valid. *See* AFI DIP Order ¶ 16(c)(iii).

75. Finally, the Secured Parties were granted adequate protection in the form of payment of professional fees of the Indenture Trustee and the Ad Hoc Group of Holders of Junior Secured Notes (as defined in the AFI DIP Order). *See* AFI DIP Order ¶ 16(c)(v).

COUNT I

DECLARATORY JUDGMENT CONCERNING “RELEASED BILATERAL FACILITIES COLLATERAL” (28 U.S.C. §§ 2201, 2202)

76. The Committee restates and realleges the allegations contained in paragraphs 1 through 75 above, as if fully set forth herein.

77. The Notes Security Agreement specifically excludes “Excluded Assets” (as defined in the Notes Security Agreement) from the Notes Collateral. *See* Notes Security Agreement §§ 2-5.

78. Accordingly, under the Notes Security Agreement, none of the Debtors granted the Collateral Agent any liens on or security interests in the Excluded Assets.

79. The Notes Security Agreement defines Excluded Assets to include assets pledged by the Debtors under any “Bilateral Facility,” if the Bilateral Facility prohibits the Debtors from granting the Secured Parties a lien on or security interest in such assets.

80. In particular, the Notes Security Agreement defines “Excluded Assets” to include:

(c) *any asset, including any account, note contract, lease, financing, arrangement, general intangible, equity investment, interest in joint ventures or other agreement to the extent that the grant of a security interest therein would violate applicable Requirements of Law, result in the invalidation thereof or provide any party thereto with a right of termination or default with respect thereto or with respect to any Bilateral Facility to which*

such asset is subject as of the Issue Date (in each case, after giving effect to the applicable provisions of the UCC and other applicable Requirements of Law and principles of equity); . . .

(e) proceeds and products of any and all of the foregoing excluded assets described in clause (a) through (d) above only to the extent such proceeds and products would constitute property or assets of the type described in clause (a) through (d) above

Notes Security Agreement, definition of “Excluded Assets” (emphasis added).

81. The Notes Security Agreement defines the term “Bilateral Facility” to mean approximately 53 financing arrangements to which certain Debtors or their affiliates were party as of June 6, 2008, and were listed on Schedule 7.01(t) to the Original Loan Agreement (the “**Bilateral Facilities**”).

82. Upon information and belief, the Debtors pledged certain of their assets to other creditors under the Bilateral Facilities (the “**Bilateral Facilities Collateral**”).

83. Upon information and belief, certain of the Bilateral Facilities Collateral was subsequently released from the liens or security interests granted pursuant to one or more of the Bilateral Facilities and remained property of the estates as of the Petition Date (such collateral and the proceeds thereof, the “**Released Bilateral Facilities Collateral**”).

84. Upon information and belief, after the Released Bilateral Facilities Collateral was released from the liens or security interests granted pursuant to one or more of the Bilateral Facilities, the Debtors did not separately grant to the Secured Parties, and the Secured Parties did not separately perfect, liens on or security interests in any of the Released Bilateral Facilities Collateral.

85. The Released Bilateral Facilities Collateral includes the assets listed on the attached **Schedule 1**.

86. Discovery may reveal additional Released Bilateral Facilities Collateral.

87. In the AFI DIP Order, the Debtors stipulated that (i) the Secured Parties have valid, perfected, binding, and enforceable liens on and security interests in the Notes Collateral and (ii) the Notes Collateral includes all of the assets listed in the “Ally Revolver” and “Blanket” columns on Exhibit A to the AFI DIP Order.

88. Upon information and belief, the assets listed in the “Ally Revolver” and “Blanket” columns on Exhibit A to the AFI DIP Order include the Released Bilateral Facilities Collateral.

89. The Committee disputes the Stipulations as they relate to the Released Bilateral Facilities Collateral.

90. The Secured Parties do not have security interests in or liens (either perfected or unperfected) on the Released Bilateral Facilities Collateral because those assets are expressly excluded from the property on which liens or security interests are granted in the Notes Security Agreement, and there have been no subsequent grants of liens on or security interests in such assets.

91. Accordingly, an actual, substantial, and justiciable controversy exists between the Committee and the Collateral Agent concerning whether the Stipulations are correct and supportable and whether the Collateral Agent has valid or perfected liens on or security interests in the Released Bilateral Facilities Collateral.

92. Such a controversy is sufficient to warrant the issuance of a declaratory judgment that, notwithstanding the Debtors’ Stipulations to the contrary, none of the Secured Parties has a lien on or security interest in any of the Released Bilateral Facilities Collateral.

COUNT II

**DECLARATORY JUDGMENT CONCERNING
“UNENCUMBERED REAL PROPERTY”
(28 U.S.C. §§ 2201, 2202)**

93. The Committee restates and realleges the allegations contained in paragraphs 1 through 92 above, as if fully set forth herein.

94. As a part of their mortgage loan business, the Debtors regularly foreclose on defaulted mortgages.

95. On information and belief, as a result of these foreclosures, GMACM, RFC, and Homecomings Financial, LLC have acquired title to certain residential real estate (the “**REO Properties**”).

96. GMACM, RFC, Homecomings Financial, LLC, EPRE LLC, ETS of Washington, Inc., GMAC-RFC Holding Company, LLC, and/or ETS of Virginia, Inc. (collectively, the “**Property Owners**”) also own approximately \$9 million of real property, and additional real property leasehold interests (collectively with the REO Properties, the “**Unencumbered Real Property**”).

97. On the Petition Date, the Unencumbered Real Property included those properties listed on the attached **Schedule 2**.

98. Discovery may reveal additional Unencumbered Real Property.

99. Upon information and belief, none of the Property Owners has granted or signed any mortgage or deed of trust in respect of any of the Unencumbered Real Property.

100. Upon information and belief, the Secured Parties have not recorded a mortgage or deed of trust in respect of any Unencumbered Real Property in the appropriate office of the recorder of deeds for the jurisdiction in which a given property is located.

101. The Secured Parties do not have a valid lien on or security interest in the Unencumbered Real Property.

102. In the AFI DIP Order, the Debtors stipulated that (i) the Secured Parties have valid, perfected, binding, and enforceable liens on or security interests in the Notes Collateral and (ii) the Notes Collateral includes all of the assets listed in the “Ally Revolver” and “Blanket” columns on Exhibit A to the AFI DIP Order.

103. Upon information and belief, the assets listed in the “Ally Revolver” and “Blanket” columns on Exhibit A to the AFI DIP Order include the Unencumbered Real Property.

104. The Committee disputes the Stipulations as they relate to the Unencumbered Real Property.

105. The Secured Parties do not have a security interest in or liens (either perfected or unperfected) on the Unencumbered Real Property because no mortgages or deeds of trust were granted to the Secured Parties by the Notes Security Agreement or any other agreement, and the Secured Parties have not recorded any such mortgages or deeds of trust.

106. Accordingly, an actual, substantial, and justiciable controversy exists between the Committee and the Collateral Agent concerning whether the Stipulations are correct and supportable and whether the Collateral Agent has valid or perfected liens on or security interests in the Unencumbered Real Property.

107. Such a controversy is sufficient to warrant the issuance of a declaratory judgment that, notwithstanding the Debtors’ Stipulations to the contrary, none of the Secured Parties has a lien on or security interest in any of the Unencumbered Real Property.

COUNT III

**DECLARATORY JUDGMENT CONCERNING
“ASSETS OF NON-OBLIGOR DEBTORS”
(28 U.S.C. §§ 2201, 2202)**

108. The Committee restates and realleges the allegations contained in paragraphs 1 through 107 above, as if fully set forth herein.

109. In the AFI DIP Order, the Debtors stipulated that (i) the Secured Parties have valid, perfected, binding, and enforceable liens on or security interests in the Notes Collateral and (ii) the Notes Collateral includes all of the assets listed in the “Ally Revolver” and “Blanket” columns on Exhibit A to the AFI DIP Order.

110. Upon information and belief, the rows entitled “Cash and Cash Equivalents” and “Other Assets” in the “Blanket” column on Exhibit A to the AFI DIP Order include assets owned by Debtors that have not guaranteed the Junior Secured Notes, have not granted any liens or security interests to the Secured Parties, and are not otherwise obligated under the Junior Secured Notes Indenture or the Junior Secured Notes (collectively, the “**Non-Obligor Debtors**”).

111. The Non-Obligor Debtors consist of EPRE LLC, ETS of Washington, Inc., and Residential Funding Mortgage Exchange, LLC, among other Debtors.

112. Discovery may reveal additional assets of the Non-Obligor Debtors that are purportedly included in the Notes Collateral.

113. The Committee disputes the Stipulations as they relate to the assets of Non-Obligor Debtors.

114. The Secured Parties do not have a security interest in or liens (either perfected or unperfected) on any assets of the Non-Obligor Debtors because none of the Non-Obligor Debtors is

an obligor under the Notes Security Agreement, and such entities did not otherwise grant security interests or liens in favor of the Secured Parties.

115. Accordingly, an actual, substantial, and justiciable controversy exists between the Committee and the Collateral Agent concerning whether the Stipulations are correct and supportable and whether the Collateral Agent has valid or perfected liens on or security interests in the assets of the Non-Obligor Debtors.

116. Such a controversy is sufficient to warrant the issuance of a declaratory judgment that, notwithstanding the Debtors' Stipulations to the contrary, none of the Secured Parties has a lien on or security interest in any assets of the Non-Obligor Debtors.

COUNT IV

DECLARATORY JUDGMENT CONCERNING "RELEASED MORTGAGE LOANS" (28 U.S.C. §§ 2201, 2202)

117. The Committee restates and realleges the allegations contained in paragraphs 1 through 116 above, as if fully set forth herein.

118. ResCap, RFC, and/or GMACM own certain mortgage loans that were pledged to Citibank or Goldman Sachs under May 2010 facilities with such parties (the "**Released Mortgage Loans**").

119. Before May 2010, the Released Mortgage Loans that were not otherwise Excluded Assets may have been subject to the liens or security interests of the Secured Parties as collateral for the Notes Obligations.

120. On May 17, 2010, the Collateral Agent signed a Partial Release of Collateral, dated as of May 17, 2010 (the "**Pledge Release**").

121. A true and correct copy of the Pledge Release is attached hereto as **Exhibit F**.

122. The Pledge Release released the Secured Parties' liens on the Released Mortgage Loans.

123. On or about May 17, 2010, the Collateral Agent also filed UCC-3 termination statements (the "**Termination Statements**") causing any prior financing statements to cease to be effective for the Released Mortgage Loans.

124. True and correct copies of the Termination Statements are attached hereto as **Exhibit G**.

125. Upon information and belief, the Debtors did not subsequently grant the Secured Parties any lien on or security interest in any of the Released Mortgage Loans.

126. In the absence of a separate lien or security interest grant and perfection, the Released Mortgage Loans are not encumbered by any liens or security interests of the Secured Parties.

127. A list of Released Mortgage Loans is attached hereto as **Schedule 3**.

128. Discovery may reveal additional Released Mortgage Loans.

129. In the AFI DIP Order, the Debtors stipulated that (i) the Secured Parties have valid, perfected, binding, and enforceable liens on or security interests in the Notes Collateral and (ii) the Notes Collateral includes all of the assets listed in the "Ally Revolver" and "Blanket" columns on Exhibit A to the AFI DIP Order.

130. Upon information and belief, the assets listed in the "Ally Revolver" and/or "Blanket" columns on Exhibit A to the AFI DIP Order include the Released Mortgage Loans.

131. The Committee disputes the Debtors' Stipulations as they relate to the Released Mortgage Loans.

132. The Secured Parties do not have a security interest in or liens (either perfected or unperfected) on the Released Mortgage Loans because any such liens or security interests were released through the Pledge Release and the filing of the Termination Statements, and no subsequent liens or security interests were ever granted or perfected.

133. Accordingly, an actual, substantial, and justiciable controversy exists between the Committee and the Collateral Agent concerning whether the Stipulations are correct and supportable and whether the Collateral Agent has valid or perfected liens on or security interests in the Released Mortgage Loans.

134. Such a controversy is sufficient to warrant the issuance of a declaratory judgment that, notwithstanding the Debtors' stipulations to the contrary, none of the Secured Parties has a lien on or security interest in any of the Released Mortgage Loans.

COUNT V

DECLARATORY JUDGMENT CONCERNING "CHARACTERIZATION OF THE BMMZ FACILITY" (28 U.S.C. §§ 2201, 2202)

135. The Committee restates and realleges the allegations contained in paragraphs 1 through 134 above, as if fully set forth herein.

136. BMMZ Holdings LLC ("**BMMZ**"), ResCap, GMACM, and RFC are parties to a Master Repurchase Agreement dated as of December 21, 2011 (the "**BMMZ Agreement**").

137. ResCap and BMMZ are also parties to a Master Guarantee dated as of December 21, 2011 (together with the BMMZ Agreement, as each may have been amended or supplemented, the "**BMMZ Facility**").

138. Under the BMMZ Facility, GMACM and RFC purported to "sell" mortgage loans with a book value of \$371 million as of the Petition Date (excluding the Released Mortgage Loans, the "**BMMZ Mortgage Loans**") to BMMZ for the aggregate "purchase price" of

\$250 million, and agreed to “repurchase” the same loans for an amount generally equal to the purchase price plus a Price Differential (as defined in the BMMZ Facility) equal to LIBOR plus 4.75%. *See* Barclays DIP Order [Docket No. 490] ¶ 7(d).

139. A list of the BMMZ Mortgage Loans is attached hereto as **Schedule 4**.

140. Discovery may reveal additional BMMZ Mortgage Loans.

141. Although the BMMZ Facility was styled as a “sale” and “repurchase” of mortgage loans, the provisions of that facility demonstrate that it was, in substance, a secured financing, and should properly be characterized as such.

142. Among other things, the terms of the BMMZ Facility establish that the Debtors continued to bear the risks and benefits of ownership of the BMMZ Mortgage Loans, despite their purported sale to BMMZ.

143. Upon information and belief, under the BMMZ Facility, the “purchase price” for each subject loan was significantly discounted from the fair market value of each loan.

144. The BMMZ Facility computes the repurchase price for the subject loans based on the original purchase price plus a LIBOR-based rate, rather than the market value of those loans.

145. The Debtors’ actions also demonstrate that they considered the BMMZ Facility a secured financing.

146. The Debtors retained significant economic rights in the BMMZ Mortgage Loans they had purported to “sell” following the purported transfer to BMMZ, including the right to excess cash flow from the “transferred” assets.

147. The Debtors’ prepetition balance sheet in their consolidated quarterly financial statements categorized the BMMZ Facility as “debt” and the BMMZ Mortgage Loans as “collateral.”

148. Because the BMMZ Facility, properly characterized, is a secured loan facility, the BMMZ Mortgage Loans were at all times property of RFC and GMACM, as applicable.

149. The Secured Parties released any liens or security interests they had on the BMMZ Mortgage Loans pursuant to the Pledge Release and the filing of the related Termination Statements.

150. The Secured Parties therefore have no lien or security interests on the BMMZ Mortgage Loans.

151. Even if such liens or security interests had not been released by the Pledge Release and the filing of the related Termination Statements, certain of the BMMZ Mortgage Loans would otherwise constitute Released Bilateral Facilities Collateral because, upon information and belief, they were previously pledged to secure the Debtors' obligations under Bilateral Facilities that were subsequently terminated.

152. The Secured Parties also have no lien on or security interest in ResCap's, RFC's, or GMACM's purported right to "repurchase" the BMMZ Mortgage Loans under the BMMZ Facility, because the BMMZ Mortgage Loans were at all times the property of ResCap, RFC, or GMACM, as the case may be.

153. The Secured Parties therefore could not have held a lien on or security interest in the residual value of the BMMZ Mortgage Loans through the right to repurchase such loans at a discount because such right did not exist.

154. In the AFI DIP Order, the Debtors stipulated that (i) the Secured Parties have valid, perfected, binding, and enforceable liens on or security interests in the Notes Collateral and (ii) the Notes Collateral includes the BMMZ Facility and any residual value therefrom.

155. The Committee disputes the Stipulations as they relate to the BMMZ Mortgage Loans, the BMMZ Facility, or the residual value therefrom.

156. Because the BMMZ Facility should properly be characterized as a secured financing, at all relevant times, RFC and GMACM owned the BMMZ Mortgage Loans and did not have a contractual right to “repurchase” those loans or any “residual value” from the BMMZ Facility.

157. Without any liens on or security interests in (i) the BMMZ Mortgage Loans, (ii) any right to “repurchase” those loans, or (iii) any “residual value” from the BMMZ Facility, the Secured Parties are not entitled to an Adequate Protection Lien (as defined in the AFI DIP Order) on the equity interests of the Barclays DIP Borrowers for any diminution in value in their purported prepetition interests in such property.

158. Accordingly, an actual, substantial, and justiciable controversy exists between the Committee and the Collateral Agent concerning whether the Stipulations are correct and supportable and whether the Collateral Agent has valid or perfected liens on or security interests in the BMMZ Mortgage Loans or the BMMZ Facility or the residual value therefrom.

159. Such controversy is sufficient to warrant the issuance of a declaratory judgment that, among other things, and notwithstanding the Debtors’ Stipulations to the contrary: (a) the BMMZ Facility was a secured financing for purposes of determining the enforceability of any liens or security interests in favor of the Secured Parties in the BMMZ Facility, in the residual value under the BMMZ Facility or the Debtors’ rights in the BMMZ Mortgage Loans; (b) the Debtors did not have any right to “residual value” under the BMMZ Facility that could have been pledged to the Secured Parties; (c) at all relevant times, the Debtors owned the BMMZ Mortgage Loans; (d) any liens or security interests held by the Secured Parties on the BMMZ

Mortgage Loans were either excluded or released before the Petition Date; and (e) the Secured Parties are not entitled to Adequate Protection Liens on the equity of Barclays DIP Borrowers on account of their asserted interest in the BMMZ Facility and any residual value therefrom.

COUNT VI

**DECLARATORY JUDGMENT CONCERNING
THE “DEPOSIT ACCOUNTS”
(28 U.S.C. §§ 2201, 2202)**

160. The Committee restates and realleges the allegations contained in paragraphs 1 through 159 above, as if fully set forth herein.

161. The Notes Security Agreement purports to grant the Collateral Agent a lien on and security interests in “Deposit Accounts” of the Guarantors, the FABS Grantors, and the Additional Account Parties.

162. The Notes Security Agreement defines “Deposit Accounts” to have the meaning set forth in Article 9 of the UCC.

163. A list of deposit accounts owned by one of ResCap, RFC, GMAC Mortgage USA Corporation, GMACM, Residential Consumer Services, LLC, ETS of Washington, Inc., or Residential Funding Mortgage Exchange, LLC is attached hereto as **Schedule 5** (the “**Deposit Accounts**”).

164. Discovery may reveal additional Deposit Accounts that are not subject to perfected liens.

165. In the AFI DIP Order, the Debtors stipulated that (i) the Secured Parties have valid, perfected, binding, and enforceable liens on and security interests in the Notes Collateral and (ii) the Notes Collateral includes all of the assets listed in the “Ally Revolver” and “Blanket” columns on Exhibit A to the AFI DIP Order.

166. Upon information and belief, the assets listed in the “Ally Revolver” or “Blanket” columns on Exhibit A to the AFI DIP Order include the Deposit Accounts.

167. The Deposit Accounts are deposit accounts within the meaning of the UCC.

168. Upon information and belief, the Debtors and the Secured Parties have not executed control agreements with the institutions where the Deposit Accounts are located under which the institutions agreed to follow instructions originated by the secured party without obtaining consent from the debtor-depositor.

169. Upon information and belief, the Secured Parties have not established control over the Deposit Accounts.

170. The Committee disputes the Debtors’ Stipulations as they relate to the Deposit Accounts.

171. The Secured Parties failed to properly perfect their purported liens on and security interests in the Deposit Accounts and do not hold a perfected lien on or security interest in the Deposit Accounts.

172. Accordingly, an actual, substantial, and justiciable controversy exists between the Committee and the Collateral Agent concerning whether the Stipulations are correct and supportable and whether the Collateral Agent has valid and/or perfected liens on or security interests in the Deposit Accounts.

173. Such a controversy is sufficient to warrant the issuance of a declaratory judgment that, notwithstanding the Debtors’ Stipulations to the contrary, none of the Secured Parties has a lien on or security interest in any of the Deposit Accounts.

COUNT VII

**DECLARATORY JUDGMENT CONCERNING
“PRIORITY OF LIENS OF NOTES COLLATERAL”
(28 U.S.C. §§ 2201, 2202)**

174. The Committee restates and realleges the allegations contained in paragraphs 1 through 173 above, as if fully set forth herein.

175. The Debtors have stipulated that the Secured Parties’ liens on and security interests in the Notes Collateral are “first priority” and, at the same time, subject to and subordinate to other liens.

176. The Committee disputes such Stipulation as it relates to the priority of any liens on or security interests in the Notes Collateral.

177. The Intercreditor Agreement provides that any such liens on and security interests in the Notes Collateral are junior to the liens and security interests securing the AFI Revolver, among other liens.

178. Accordingly, an actual, substantial, and justiciable controversy exists between the Committee and the Collateral Agent concerning whether the Stipulations are correct and supportable and whether any of the Secured Parties’ liens on and security interests in the Notes Collateral are first priority.

179. Such a controversy is sufficient to warrant the issuance of a declaratory judgment that, notwithstanding the Debtors’ Stipulations to the contrary, the liens and security interests securing the Notes Obligations are not first priority.

COUNT VIII

**DECLARATORY JUDGMENT CONCERNING
“COMMERCIAL TORT CLAIMS”
(28 U.S.C. §§ 2201, 2202)**

180. The Committee restates and realleges the allegations contained in paragraphs 1 through 179 above, as if fully set forth herein.

181. The Committee is currently investigating whether any of the Debtors possess causes of action for breaches of fiduciary duty, conversion or fraudulent conveyance.

182. Upon information and belief, certain of those causes of action constitute commercial tort claims (the “**Commercial Tort Claims**”) under section 9-102(a)(13) of the Uniform Commercial Code (the “**UCC**”).

183. Discovery may reveal additional Commercial Tort Claims.

184. In the AFI DIP Order, the Debtors stipulated that the Secured Parties have valid, perfected, binding, and enforceable liens on or security interests in the Notes Collateral, and the Notes Collateral was identified by reference to the defined term “Collateral” under the Notes Security Agreement.

185. Upon information and belief, such Stipulation covers the Commercial Tort Claims.

186. The Committee disputes the Stipulations as they relate to the Commercial Tort Claims.

187. Section 2(g) of the Notes Security Agreement purports to grant a lien or security interest to the Secured Parties on the commercial tort claims described on Schedule V thereto as such schedule may be supplemented.

188. Schedule V to the Notes Security Agreement indicates that no commercial tort claims are subject to the liens or security interests granted by Section 2(g) of the Notes Security Agreement.

189. The Secured Parties do not have a security interest in or liens (either perfected or unperfected) on the Commercial Tort Claims because no such claims were described in the Notes Security Agreement.

190. Accordingly, an actual, substantial, and justiciable controversy exists between the Committee and the Collateral Agent concerning whether the Stipulations are correct and supportable and whether the Collateral Agent has valid or perfected liens on or security interests in the Commercial Tort Claims.

191. Such a controversy is sufficient to warrant the issuance of a declaratory judgment that, notwithstanding the Debtors' Stipulations to the contrary, none of the Secured Parties has a lien on or security interest in any of the Commercial Tort Claims.

COUNT IX

AVOIDANCE OF UNPERFECTED LIENS WITH RESPECT TO DEPOSIT ACCOUNTS (11 U.S.C. §§ 544, 550, and 551)

192. The Committee restates and realleges the allegations contained in paragraphs 1 through 191 above, as if fully set forth herein.

193. The Secured Parties failed to properly perfect their purported liens on and security interests in the Deposit Accounts because they did not obtain requisite control over such accounts.

194. Pursuant to sections 544(a)(1) and (2) of the Bankruptcy Code and/or the Standing Order, the Debtors, the bankruptcy trustee, and the Committee (acting on behalf of the estates) have the rights and powers of (as of the commencement of these chapter 11 cases and without regard to any knowledge of the Debtors, any trustee, or any other creditors), or may avoid any transfer of property of the Debtors or any obligation incurred by the Debtors that is voidable by:

- A creditor that extends credit to a debtor at the time of the commencement of the case, and that obtains, at such time and with respect to such credit, a judicial lien on all property on which a creditor on a simple contract could have obtained such a judicial lien, whether or not such a creditor exists; or
- A creditor that extends credit to a debtor at the time of the commencement of the case, and obtains, at such time and with respect to such credit, an execution against a Debtor that is returned unsatisfied at such time, whether or not such a creditor exists.

195. In this case, the Secured Parties failed to properly perfect their purported liens on and security interests in the Deposit Accounts in compliance with the UCC. UCC §§ 9-104, 9-304, and 9-314. Any security interests of the Secured Parties in the Deposit Accounts as of the Petition Date are avoidable pursuant to sections 544(a)(1) and (2) of the Bankruptcy Code.

196. Because the Secured Parties do not have properly perfected liens on or security interests in the Deposit Accounts, any and all liens on and security interests in the Deposit Accounts asserted by the Secured Parties should be avoided pursuant to section 544(a) of the Bankruptcy Code, and such property or the value of such property, if previously transferred, should be recovered by the Debtors' estates pursuant to section 550(a) of the Bankruptcy Code and/or automatically preserved for the benefit of the Debtors' estates pursuant to section 551 of the Bankruptcy Code.

COUNT X

AVOIDANCE OF UNPERFECTED LIENS WITH RESPECT TO OTHER PROPERTY (11 U.S.C. §§ 544, 550, and 551)

197. The Committee restates and realleges the allegations contained in paragraphs 1 through 196 above, as if fully set forth herein.

198. To the extent that Secured Parties' purported liens on and security interests in the Unencumbered Real Property, the Commercial Tort Claims, the assets of Non-Obligor Debtors,

the Released Mortgage Loans, and the BMMZ Mortgage Loans attached, such liens and security interests should be avoided because they were unperfected.

199. Upon information and belief, the Secured Parties failed to properly perfect their purported liens on and security interests in the Unencumbered Real Property because they did not file a mortgage or deed of trust in the appropriate office of the recorder of deeds for the jurisdiction in which each property is located.

200. Upon information and belief, the Secured Parties failed to properly perfect their purported liens on and security interests in the Commercial Tort Claims because they did not file a UCC-1 financing statement that sufficiently describes such claims.

201. Upon information and belief, the Secured Parties failed to properly perfect their purported liens on and security interests in the assets of Non-Obligor Debtors because they did not file any UCC-1 financing statements against such Debtors in the appropriate offices or otherwise take actions to perfect against such Debtors' property that may be perfected by other means.

202. Upon information and belief, the Secured Parties failed to properly perfect their purported liens on and security interests in the Released Mortgage Loans and the BMMZ Mortgage Loans because they filed the Termination Statements, which caused any prior financing statements to cease to be effective.

203. Pursuant to sections 544(a)(1) and (2) of the Bankruptcy Code and/or the Standing Order, the Debtors, the bankruptcy trustee, and the Committee (acting on behalf of the estates) have the rights and powers of (as of the commencement of these chapter 11 cases and without regard to any knowledge of the Debtors, any trustee, or any other creditors), or may

avoid any transfer of property of the Debtors or any obligation incurred by, the Debtors that is avoidable by:

- A creditor that extends credit to a debtor at the time of the commencement of the case, and that obtains, at such time and with respect to such credit, a judicial lien on all property on which a creditor on a simple contract could have obtained such a judicial lien, whether or not such a creditor exists; or
- A creditor that extends credit to a debtor at the time of the commencement of the case, and obtains, at such time and with respect to such credit, an execution against a Debtor that is returned unsatisfied at such time, whether or not such a creditor exists.

204. Any security interests or liens of the Secured Parties in the Unencumbered Real Property, the Commercial Tort Claims, the assets of Non-Obligor Debtors, the Released Mortgage Loans, or the BMMZ Mortgage Loans as of the Petition Date are unperfected for the reasons explained above and are avoidable pursuant to sections 544(a)(1) and (2) of the Bankruptcy Code.

205. Because the Secured Parties do not have properly perfected liens on or security interests in the Unencumbered Real Property, the Commercial Tort Claims, the assets of Non-Obligor Debtors, the Released Mortgage Loans, or the BMMZ Mortgage Loans, any and all liens on and security interests in such property asserted by the Secured Parties should be avoided pursuant to section 544(a) of the Bankruptcy Code, and such property or the value of such property, if previously transferred, should be recovered by the Debtors' estates pursuant to section 550(a) of the Bankruptcy Code and/or automatically preserved for the benefit of the Debtors' estates pursuant to section 551 of the Bankruptcy Code.

COUNT XI

**AVOIDANCE OF
PREFERENTIAL TRANSFERS
(11 U.S.C. §§ 547, 550, and 551)**

206. The Committee restates and realleges the allegations contained in paragraphs 1 through 205 above, as if fully set forth herein.

207. Upon information and belief, at least \$350 million of assets, including mortgage loans, REO Property, and governmental insurance claims (collectively, the “**Preference Assets**”) were added to the Notes Collateral during the 90 days before the Petition Date.

208. A list of the Preference Assets is attached hereto as **Schedule 6**.

209. Discovery may reveal additional Preference Assets.

210. Section 547(b) of the Bankruptcy Code permits a debtor to avoid a transfer of an interest in property of the debtor’s estate if the following conditions have been met: (a) the transfer was made to or for the benefit of a creditor; (b) the transfer was for or on account of an antecedent debt; (c) the transfer was made while the debtor was insolvent; (d) the transfer was made within the 90 days prior to the petition date; and (e) the transfer enabled the creditor to receive more in a chapter 7 liquidation than it would receive had the transfer not been made.

211. The Preference Assets were added to the Notes Collateral for the benefit of the Secured Parties on account of the Notes Obligations.

212. Upon information and belief, the Preference Assets were added to the Notes Collateral at a time when the Debtors were insolvent.

213. Upon information and belief, addition of the Preference Assets to the Notes Collateral reduced the amount by which the Notes Obligations were undersecured, thereby allowing the Secured Parties to receive more than they would in a hypothetical chapter 7 liquidation had the Preference Assets not been added to the Notes Collateral.

214. Each addition of the Preference Assets to the Notes Collateral was a transfer for the benefit of the Secured Parties (the “**Preferential Transfers**”).

215. Each of the Preferential Transfers was a transfer made on or within 90 days before the Petition Date.

216. Each of the Preferential Transfers was a transfer made for or on account of the Notes Obligations.

217. The Debtors were insolvent when they made each of the Preferential Transfers.

218. The liens on and security interests in the Preferential Transfers should be avoided pursuant to section 547 of the Bankruptcy Code, and such property or the value of such property if previously transferred should be recovered by the Debtors’ estates pursuant to section 550(a) of the Bankruptcy Code and/or automatically preserved for the benefit of the Debtors’ estates pursuant to section 551 of the Bankruptcy Code.

COUNT XII

OBJECTION TO ALLOWANCE OF CLAIMS DUE TO PENDING AVOIDANCE ACTIONS (11 U.S.C. §§ 105, 502, 506, 544, 547, and 551 and Rules 3007, 3012, and 7001 of the Federal Rules of Bankruptcy Procedure)

219. The Committee restates and realleges the allegations contained in paragraphs 1 through 218 above, as if fully set forth herein.

220. Under the AFI DIP Order, the Notes Obligations, if not challenged, will be allowed and deemed secured by valid or properly perfected security interests in the Released Bilateral Facilities Collateral, the Unencumbered Real Property, the Commercial Tort Claims, the assets of Non-Obligor Debtors, the Released Mortgage Loans, the BMMZ Facility (including the residual value of the BMMZ Facility), the BMMZ Mortgage Loans, the Deposit Accounts, and the Preference Assets (collectively, the “**Challenged Property**”).

221. Under the AFI DIP Order, the Secured Parties have been excused from filing proofs of claim for the Notes Obligations because the Debtors' Stipulations are deemed to constitute a properly filed proof of claim.

222. The Committee hereby objects, pursuant to sections 105, 502, 506, 544, 547 and 551 of the Bankruptcy Code, to the allowance of the Notes Obligations.

223. Pursuant to the applicable provisions of the Bankruptcy Code, including without limitation section 502(d), and Bankruptcy Rules 3007, 3012 and 7001, each of the Secured Parties' claims should be disallowed until such time as the Committee's claims herein have been finally resolved.

COUNT XIII

OBJECTION TO ALLOWANCE OF CLAIMS DUE TO INCLUSION OF UNMATURED INTEREST (11 U.S.C. §§ 105, 502, and 506 and Rules 3007, 3012, and 7001 of the Federal Rules of Bankruptcy Procedure)

224. The Committee restates and realleges the allegations contained in paragraphs 1 through 223 above, as if fully set forth herein.

225. Under the AFI DIP Order, the Debtors have stipulated that the aggregate principal amount outstanding under the Junior Secured Notes and Notes Obligations as of the Petition Date is at least \$2,120,452,000.

226. The Committee disputes such Stipulation to the extent claims for unmatured interest are included within the principal amount of the Notes Obligations.

227. Upon information and belief, the stipulated face amount outstanding of the Junior Secured Notes and, thus, the Notes Obligations include at least \$377 million of claims for unaccreted original issue discount.

228. Such unaccreted original issue discount constitutes “unmatured interest” under section 502(b)(2) of the Bankruptcy Code.

229. The Secured Parties were undersecured on the Petition Date because the aggregate amount of the Notes Obligations exceeded the value of the Notes Collateral securing such claims.

230. Under section 506(b) of the Bankruptcy Code, because the Secured Parties were undersecured, the unmatured interest ceases to accrue as of the Petition Date.

231. Under section 502(b)(2) of the Bankruptcy Code, if an objection is made to a claim, “the court, after notice and a hearing, shall determine the amount of such claim . . . as of the date of the filing of the petition, and shall allow such claim in such amount, except to the extent that . . . (2) such claim is for unmatured interest.”

232. The Committee hereby objects, pursuant to sections 105, 502, and 506 of the Bankruptcy Code, to the allowance of the Notes Obligations to the extent such claims include unmatured interest.

233. Pursuant to the applicable provisions of the Bankruptcy Code, including without limitation section 502(d), and Bankruptcy Rules 3007, 3012, and 7001, each of the claims of the Secured Parties’ should be disallowed to the extent such claims include unmatured interest.

COUNT XIV

RECHARACTERIZATION OF PAYMENT OF FEES, COSTS, AND EXPENSES (11 U.S.C. § 506(b))

234. The Committee restates and realleges the allegations contained in paragraphs 1 through 233 above, as if fully set forth herein.

235. Under section 506(b) of the Bankruptcy Code, “[t]o the extent that an allowed secured claim is secured by property the value of which . . . is greater than the amount of such claim,

there shall be allowed to the holder of such claim, interest on such claim, and any reasonable fees, costs, or charges provided for under the agreement or State statute under which such claim arose.”

236. Only oversecured creditors, and not undersecured creditors, are entitled to receive such costs, fees and related payments.

237. The Secured Parties were undersecured on the Petition Date because the aggregate amount of the Notes Obligations greatly exceeded the value of the Notes Collateral securing such claims.

238. Under the AFI Final DIP Order, the right to recharacterize postpetition payments to the Secured Parties’ professionals was preserved.

239. All postpetition payments of fees, costs, and expenses made to date to, or incurred for the benefit of, the Secured Parties, as undersecured creditors, on account of the Notes Obligations, must be applied against the principal amount of the Notes Obligations.

PRAYER FOR RELIEF

WHEREFORE, by reason of the foregoing, Plaintiff requests that the Court enter an order:

- (1) declaring that the Released Bilateral Facilities Collateral, Unencumbered Real Property, Commercial Tort Claims, assets of Non-Obligor Debtors and Released Mortgage Loans are not subject to any liens (perfected or unperfected) or security interests of the Secured Parties, and such property does not constitute security for the Notes Obligations;
- (2) declaring that (a) the BMMZ Facility was a secured financing for purposes of determining the enforceability of any liens or security interests in favor of the Secured Parties in the residual value of the BMMZ Facility and/or the Debtors’ rights in the BMMZ Mortgage Loans, (b) the Debtors did not have any right to “residual value” under the BMMZ Facility that could have been pledged to the Secured Parties, (c) at all relevant times, the Debtors owned the BMMZ Mortgage Loans, (d) any liens and security interests held by the Secured Parties on the BMMZ Mortgage Loans were released before the Petition Date and (e) the Secured Parties are not entitled to Adequate Protection Liens (as defined in the AFI DIP Order) on the equity of Barclays DIP Borrowers on account of their asserted interest

in the BMMZ Facility or any residual value therefrom;

- (3) declaring that any liens or security interests asserted by the Secured Parties on the Deposit Accounts are unperfected, and such property does not constitute security for the Notes Obligations;
- (4) declaring that any liens or security interests asserted by the Secured Parties, to the extent valid and perfected, are not first priority;
- (5) avoiding the Secured Parties' unperfected liens on or security interests in the Deposit Accounts pursuant to 11 U.S.C. § 544, and transferring to the Debtors' estates pursuant to 11 U.S.C. § 550(a) and/or automatically preserving the avoided liens on or security interests in the Deposit Accounts or the value of such transfers for the benefit of the Debtors' estates pursuant to 11 U.S.C. § 551;

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(7) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(j) *Automatic Exchange from Restricted Global Note to Unrestricted Global Note.* Upon compliance with the following procedures, all of the beneficial interests in a Restricted Global Note shall be exchanged for beneficial interests in the Unrestricted Global Note. In order to effect such exchange, the Issuer shall provide written notice to the Trustee instructing the Trustee to (i) direct the Depositary to transfer all of the outstanding beneficial interests in a particular Restricted Global Note to the Unrestricted Global Note and provide the Depositary with all such information as is necessary for the Depositary to appropriately credit and debit the relevant Holder accounts and (ii) provide prior written notice to all Holders of such exchange, which notice must include the date such exchange is to occur, the CUSIP number of the relevant Restricted Global Note and the CUSIP number of the Unrestricted Global Note into which such Holders' beneficial interests will be exchanged. As a condition to any such exchange pursuant to this Section 2.06(j), the Trustee shall be entitled to receive from the Issuer, and rely conclusively without any liability, upon an Officers' Certificate and an Opinion of Counsel to the Issuer, in form and in substance reasonably satisfactory to the Trustee, to the effect that such transfer of beneficial interests to the Unrestricted Global Note shall be effected in compliance with the Securities Act. Upon such exchange of beneficial interests pursuant to this Section 2.06(j), the Registrar shall endorse Schedule A to the relevant Notes and reflect on its books and records the date of such transfer and a decrease and increase, respectively, in the principal amount of the applicable Restricted Global Note(s) and the Unrestricted Global Note, respectively, equal to the principal amount of beneficial interests transferred. Following any such transfer pursuant to this Section 2.06(k), the relevant Restricted Global Note shall be cancelled.

(k) Transfers of Notes Held by Affiliates. Any certificate (i) evidencing a Note that has been transferred to an affiliate (as defined in Rule 405) of an Issuer within one year after the Issue Date, as evidenced by a notation on the assignment form for such transfer or in the representation letter delivered in respect thereof or (ii) evidencing a Note that has been acquired from an affiliate (other than by an affiliate) in a transaction or a chain of transactions not involving any public offering, shall, until one year after the last date on which either the Issuer or any affiliate of the Issuer was an owner of such Note, in each case, be in the form of a permanent Definitive Note and bear the Private Placement Legend subject to the restrictions in Section 2.06(g). The Registrar shall retain copies of all letters, notices and other written communications received pursuant to this Section 2.06. The Issuer, at its sole cost and expense,

shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

Section 2.07 Replacement Notes.

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss or liability that any of them may suffer if a Note is replaced and subsequently presented or claimed for payment. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 Outstanding Notes.

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it will be deemed outstanding only if the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser within the meaning of Section 8-303 of the New York Uniform Commercial Code.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a Redemption Date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor, will be considered as though not

outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee knows are so owned will be so disregarded.

Section 2.10 Temporary Notes.

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of canceled Notes in accordance with its customary procedures (subject to the record retention requirement of the Exchange Act). The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13 Withholding Taxes.

The right of any Holder to receive interest on or principal of any Note shall be subject to any applicable withholding or deduction imposed pursuant to the Internal Revenue Code of 1986, as amended, or other applicable tax law, including foreign withholding and deduction. Any amounts properly so withheld or deducted shall be treated as actually paid to the appropriate Holder.

**ARTICLE III
REDEMPTION AND PREPAYMENT**

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 or Section 3.09 hereof, it must furnish to the Trustee, at least 35 days but not more than 60 days before a Redemption Date (or such shorter period as may be agreed between the Company and the Trustee), an Officers' Certificate setting forth:

- (1) the provision of this Indenture pursuant to which the redemption shall occur;
- (2) the Redemption Date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 Selection of Notes to Be Redeemed.

If less than all of the Notes are to be redeemed at any time, the Trustee will select Notes for redemption *pro rata*, by lot or by such other method in accordance with the procedures of the Depositary except:

- (1) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; or
- (2) if otherwise required by law.

In the event of partial redemption, the particular Notes to be redeemed will be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the Redemption Date by the Trustee from the outstanding Notes not previously called for redemption.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected will be in amounts of \$1,000 or whole multiples of \$1,000; except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.08 hereof, at least 30 days but not more than 60 days before a Redemption Date, the Company will mail a notice of redemption to the Depositary and to each Holder whose Notes are to be redeemed at their registered address. The Company will not provide notice of redemption to any party other than the Depositary and the Holders. Any notice of redemption provided to Participants or Indirect Participants will be provided at the discretion of the Depositary and pursuant to the Depositary's internal policies.

The notice will identify the Notes to be redeemed (including the CUSIP number) and will state:

- (1) the Redemption Date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note; and
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (7) the paragraph of the Notes and/or section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 35 days prior to the Redemption Date (or such shorter period as may be agreed between the Company and the Trustee), an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is mailed in accordance with Section 3.03 hereof, the Notes or portions of Notes called for redemption will become due and payable on the date and at the place

of payment stated in the notice at the applicable redemption price, together with interest, if any, accrued to the date fixed for redemption.

Section 3.05 Deposit of Redemption.

One Business Day prior to the Redemption Date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest and Additional Interest, if any, on all Notes to be redeemed on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest and Additional Interest, if any, on, all Notes to be redeemed.

If the Company complies with the provisions of the preceding paragraph, on and after the Redemption Date, interest will cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption is not so paid upon surrender for redemption because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 Notes Redeemed in Part.

Upon surrender and cancellation of a Note that is redeemed in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note in a principal amount equal to the unredeemed portion of the Note surrendered and cancelled.

Section 3.07 Optional Redemption.

(a) The Company may redeem the Notes at any time, in whole or in part, at a redemption price equal to the greater of:

(1) 100% of the principal amount of the Notes being redeemed, or

(2) the present value of the sum of (A) the redemption price of the Notes on May 15, 2010 (such redemption price being as set forth in the table in clause (b) below) and (B) all remaining scheduled payments of interest on the Notes being redeemed through May 15, 2010 (excluding accrued interest through the Redemption Date), in each case, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at a rate equal to the Treasury Yield plus 50 basis points,

plus, in either case, accrued and unpaid interest, if any, to the Redemption Date on the principal amount of the Notes being redeemed (subject to the right of Holders on the relevant regular record date to receive interest due on an interest payment date).

(b) The Company may redeem the Notes in whole or in part, at any time on or after May 15, 2010, upon not less than 30 nor more than 60 days' notice at the redemption prices (expressed as percentages of the principal amount to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but not including, the Redemption Date (subject to the right of Holders on the relevant regular record date to receive interest due on an interest payment date), if redeemed during the 12-month period beginning on May 15 of the years indicated:

Year	Redemption Price
2010	104.813%
2011	102.407%
2012 and thereafter	100.000%

Section 3.08 *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an offer to all Holders to purchase Notes (an "*Asset Sale Offer*"), it will follow the procedures specified below.

The Asset Sale Offer shall be made to all Holders and will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than three Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Company will apply all Excess Proceeds (the "*Offer Amount*") to the purchase of Notes (on a *pro rata* basis, if applicable) or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Additional Interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no Additional Interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of an Asset Sale Offer, the Company will send, by first class mail, a notice to the Trustee, the Depositary and each of the Holders. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

- (1) that the Asset Sale Offer is being made pursuant to this Section 3.08 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;
- (2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have less than all of its Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in integral multiples of \$1,000 only;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes surrendered by Holders thereof exceeds the Offer Amount, the Company will select the Notes to be purchased on a *pro rata* basis based on the principal amount of Notes surrendered (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of \$1,000 or integral multiples thereof, will be purchased unless all of a Holder's Note is being purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.08. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to

any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Sale Offer on the Purchase Date.

The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other applicable securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the Asset Sale provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Asset Sale provisions of this Indenture by virtue of such compliance.

Section 3.09 Mandatory Redemption.

The Company will mandatorily redeem one-third of the principal amount of each Note originally issued (or, if less, the entire then remaining principal amount of Notes) on each of May 15, 2013, May 15, 2014 and May 15, 2015 at a redemption price equal to the principal amount thereof plus accrued interest to the Redemption Date (subject to the right of Holders on the relevant regular record date to receive interest due on an interest payment date).

**ARTICLE IV
COVENANTS**

Section 4.01 Payment of Notes.

The Company will pay or cause to be paid the principal of, premium, if any, and interest and Additional Interest, if any, on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest and Additional Interest, if any will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 12:00 p.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. The Company will pay all Additional Interest, if any, in the same manner on the dates and in the amounts set forth in the Registration Rights Agreement.

The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to 1% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

The Company will maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or

co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the office of U.S. Bank Trust National Association at 100 Wall Street, 16th Floor, New York, New York as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) The Company will file with the Trustee, within 15 days of being required to file the same with the SEC, copies of its annual reports and of the information, documents and other reports that it may be required to file with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act.

(b) If the Company is not required to file information, documents or reports with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act, the Company will file with the Trustee and the SEC, in accordance with rules and regulations prescribed from time to time by the SEC, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in those rules and regulations. At any time when the reports referred to herein are not filed with the SEC, the Company will maintain a non-public website on which Holders of Notes, prospective investors and securities analysts may access the quarterly and annual financial information of the Company, and the Company will direct Holders of Notes, prospective investors and securities analysts on its publicly available website to contact the Company's Chief Financial Officer to obtain access to the non-public website.

(c) Delivery of the reports, information and documents described in this Section 4.03, to the Trustee are for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure

compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein. The Trustee is entitled to assume such compliance and correctness unless a Responsible Officer of the Trustee is informed otherwise.

Section 4.04 Compliance Certificate.

(a) The Company and each Guarantor (to the extent that such Guarantor is so required under the TIA) shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in Default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto. Except with respect to notice of a Default or Event of Default contained in the Officer's Certificate delivered to it pursuant to this Section 4.04, the Trustee shall have no duty to review, ascertain or confirm the Company's compliance with, or the breach of any representation, warranty or covenant made in this Indenture.

(b) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default, what action the Company is taking or proposes to take with respect thereto and whether additional premium is payable pursuant to Section 6.02 hereof.

Section 4.05 Taxes.

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 Stay, Extension and Usury Laws.

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly

waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 Restricted Payments.

(a) The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly make any Restricted Payment unless, at the time of and after giving effect to such Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or will occur as a consequence thereof;

(2) after giving effect to such Restricted Payment on a pro forma basis, the aggregate amount expended or declared for all Restricted Payments made on or after the Issue Date (excluding Restricted Payments permitted by clauses (2), (3), (4), (5), (6) and (7) of clause (b) of this Section 4.07), shall not exceed the sum (without duplication) of:

(A) 50% of the Consolidated Net Income (or, if Consolidated Net Income shall be a deficit, minus 100% of such deficit) of the Company accrued on a cumulative basis during the period (taken as one accounting period) from the beginning of the first full fiscal quarter following the fiscal quarter in which the Issue Date occurs and ending on the last day of the fiscal quarter immediately preceding the date of such Restricted Payment, *plus*

(B) 100% of the aggregate net cash proceeds received by the Company subsequent to the Issue Date either (i) as a contribution to its common equity capital or (ii) from the issuance and sale (other than to a Subsidiary) of Qualified Equity Interests, including Qualified Equity Interests issued upon the conversion of Indebtedness of the Company, and from the exercise of options, warrants or other rights to purchase such Qualified Equity Interests (other than, in each case, Equity Interests or Indebtedness sold to a Subsidiary of the Company),

(C) minus \$859.0 million.

(b) Notwithstanding the foregoing provisions, the Company and its Subsidiaries may take the following actions:

(1) the payment of any dividend on Equity Interests in the Company or a Subsidiary within 60 days after declaration thereof if at the declaration date such payment would not have been prohibited by the foregoing provisions of this Section 4.07;

(2) the retirement of any Equity Interests of the Company by conversion into, or by or in exchange for, Qualified Equity Interests, or out of net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of other Qualified Equity Interests;

(3) the redemption, defeasance, repurchase or acquisition or retirement for value of any Indebtedness of the Company or a Guarantor in exchange for or out of the net cash proceeds of a substantially concurrent issue and sale (other than to a Subsidiary of the Company) of (x) Qualified Equity Interests or (y) Permitted Refinancing Indebtedness;

(4) *[Reserved]*;

(5) Permitted Tax Distributions;

(6) the exchange of the Preferred Units of the Company existing as of the Issue Date for any property into which such Preferred Units are exchangeable in accordance with their terms; and

(7) Restricted Payments in an amount not to exceed \$250 million per year.

Section 4.08 *[Reserved]*.

Section 4.09 *Incurrence of Indebtedness*.

(a) The Company will not, nor will it permit any Subsidiary to, at any time create, issue, incur (by conversion, exchange or otherwise), assume, guarantee or otherwise become liable in respect of any Indebtedness (including Acquired Indebtedness) other than Permitted Indebtedness (as defined below).

(b) The provisions of Section 4.09(a) hereof will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Indebtedness*"):

(1) Indebtedness under the Senior Secured Credit Facility in an aggregate principal amount not to exceed \$3,500.0 million less the aggregate principal amount of Indebtedness under the Senior Secured Credit Facility permanently repaid (which, if such Indebtedness under the Senior Secured Credit Facility is revolving credit Indebtedness, is accompanied by a corresponding reduction of the commitment with respect thereto) with the Net Cash Proceeds from any Asset Sale of Collateral;

(2) Indebtedness (other than Indebtedness described in the foregoing clause (1)) outstanding on the Issue Date and up to \$2,150.0 million of Senior Secured Notes (including Senior Secured Notes issued on the Issue Date) issued in exchange for Existing Notes maturing prior to December 31, 2009 and up to \$6,250.0 million of Notes (including the Initial Notes) issued in exchange for any other Existing Notes;

(3) Permitted Funding Indebtedness;

(4) Indebtedness among the Company and its Subsidiaries;

(5) Indebtedness under interest rate agreements and currency exchange agreements entered into in the ordinary course of business and not for speculative purposes;

(6) Permitted Refinancing Indebtedness in respect of Indebtedness outstanding in reliance on clauses (2) and (3) above and this clause (6);

(7) Indebtedness of the Company and the Guarantors that is subordinated to the Notes and the Guarantees;

(8) Indebtedness to the GMAC Parties incurred in accordance with the provisions described in Section 4.11, *provided* that such Indebtedness is not secured by any Collateral; and

(9) Indebtedness of the Company or any Subsidiary not otherwise permitted hereunder in an aggregate principal amount or liquidation preference, which when aggregated with the principal amount and liquidation preference of all other Indebtedness then outstanding and incurred pursuant to this clause (9), does not at any one time outstanding exceed \$500.0 million.

For purposes of determining compliance with this Section 4.09, and the outstanding principal amount of any particular Indebtedness incurred pursuant to and in compliance with, this Section 4.09: (x) in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Indebtedness described in clauses (1) through (9) of this Section 4.09(b), the Company will, in its sole discretion, classify or reclassify, or later divide, classify or reclassify, such item of Indebtedness in any manner that complies with this Section 4.09 and such item of Indebtedness will be treated as having been incurred pursuant to only one of such clauses or pursuant to this covenant (provided that all Indebtedness outstanding under the Senior Secured Credit Facility will at all times be deemed to be outstanding pursuant to Section 4.09(b)(1) above); and (y) the principal amount of any Disqualified Equity Interests will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof.

Section 4.10 *Asset Sales*.

(a) The Company will not, and will not permit any of its Subsidiaries to, consummate an Asset Sale unless:

(1) the Company (or the applicable Subsidiary, as the case may be) receives consideration in the form of Permitted Consideration; and

(2) at the time of the Asset Sale, the Permitted Consideration received in such Asset Sale by the Company or such Subsidiary is at least equal to the Fair Value of the Collateral or Supporting Assets issued or sold or otherwise disposed of.

(b) Within 270 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Company or the applicable Subsidiary, as the case may be, may:

(1) apply such Net Cash Proceeds at its option to permanently repay Permitted First Lien Indebtedness and, if such Permitted First Lien Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;

(2) apply such Net Cash Proceeds at its option to repurchase, optionally redeem or optionally prepay Senior Secured Notes or the Notes; or

(3) provide additional Collateral or Supporting Assets (including by way of an increase in any advance or Equity Interest which is existing Collateral or Supporting Assets) with a Fair Value substantially equivalent to the Net Cash Proceeds received in such Asset Sale.

(c) Any Net Cash Proceeds from Asset Sales in excess of Retained Proceeds, that are not applied or invested as provided in the preceding paragraph of this Section 4.10 will constitute "Excess Proceeds." When the aggregate amount of Excess Proceeds exceeds \$50.0 million, within 30 days thereof, the Company will make an offer to purchase (an "Asset Sale Offer") to all Holders and holders of Pari Passu Third Lien Indebtedness in an amount equal to the Excess Proceeds in accordance with Section 3.08. The offer price in any Asset Sale Offer will be equal to 100% of the principal amount plus accrued and unpaid interest to the date of purchase, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the sum total of the aggregate principal amount of Notes and Pari Passu Third Lien Indebtedness tendered into an Asset Sale Offer, when aggregated, exceeds the amount of Excess Proceeds, the Trustee will select the Notes and Pari Passu Third Lien Indebtedness to be purchased on a *pro rata* basis. Upon completion of an Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. The Company may, at its election, make an Asset Sale Offer concurrently for the Senior Secured Notes, the Notes, and, if applicable, Pari Passu Third Lien Indebtedness; provided however, that in the event such Asset Sale Offer is oversubscribed, the Company shall first purchase all Senior Secured Notes tendered in such offer prior to purchasing any Notes or Pari Passu Third Lien Indebtedness.

Section 4.11 *Transactions with Affiliates.*

(a) The Company will not, and will not permit any of its Subsidiaries (other than any Excluded Subsidiary) to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction or series of related transactions, contract, agreement, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company involving aggregate consideration in excess of \$10.0 million (each of the foregoing, an "*Affiliate Transaction*"), unless:

(1) such Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Subsidiary than those that could reasonably have been obtained in a comparable arm's length transaction by the Company or such Subsidiary with an unaffiliated party; and

(2) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$250.0 million, the Company delivers to the Trustee a resolution adopted in good faith by the majority of the Board of Directors of the Company approving such Affiliate Transaction and set forth in an Officers' Certificate certifying that such Affiliate Transaction complies with clause (1) of this Section 4.11(a); and:

(3) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$500.0 million, the Company must obtain and deliver the Trustee a written opinion of a nationally recognized investment banking, accounting or appraisal firm stating that the transaction is fair to the Company or such Subsidiary, as the case may be, from a financial point of view.

(b) The provisions of Section 4.11(a) shall not apply to:

(1) Restricted Payments that are permitted by Section 4.07;

(2) the payment of reasonable and customary fees and indemnities to members of the Board of Directors of the Company or a Subsidiary;

(3) the payment of reasonable and customary compensation and other benefits (including retirement, health, option, deferred compensation and other benefit plans) and indemnities to Officers and employees of the Company or any Subsidiary;

(4) transactions between or among the Company and/or its Subsidiaries;

(5) the issuance of Equity Interests (other than Disqualified Equity Interests) of the Company otherwise permitted hereunder and capital contributions to the Company;

(6) any agreement or arrangement as in effect on the Issue Date and any amendment or modification thereto so long as such amendment or modification is not more disadvantageous to the Holders of the Notes in any material respect; and

(7) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case, in the ordinary course of business and consistent with past practice and on terms that are no less favorable to the Company or such Subsidiary, as the case may be, as determined in good faith by the Company, than those that could be obtained in a comparable arm's length transaction with a Person that is not an Affiliate of the Company.

Section 4.12 *Liens*.

The Company will not, nor will it permit any Subsidiary to, at any time create or suffer to exist any Lien (other than any Permitted Liens) on any Collateral (whether now owned or hereafter acquired) to secure any Indebtedness or other contractual obligations of the Company or any Subsidiary unless the Notes have a third Lien on such Collateral junior to the first Liens

securing Permitted First Lien Indebtedness and the Liens securing the Senior Secured Notes but not to any other Indebtedness or contractual obligations.

The Company shall not, nor shall it permit any Subsidiary to, at any time create or suffer to exist any Lien on any assets or property of the Company or any Subsidiary (whether now owned or hereafter acquired) which is not Collateral without thereby expressly securing the due and punctual payment of the principal of (premium, if any) and interest on the Notes and all other payments thereunder or hereunder in the order of priority set forth in the Intercreditor Agreement and, in any event, with the Notes being secured at least equally and ratably with any and all other obligations and Indebtedness secured by such pledge or Lien (other than Permitted First Lien Indebtedness and the Senior Secured Notes), for so long as any such other obligations and Indebtedness shall be so secured; provided, however, that this restriction shall not apply to Permitted Liens.

In no event shall any Lien on any assets of the Company or any Subsidiary for the benefit of the holders of Existing Notes be permitted.

Section 4.13 Maintenance of the Company as a Holding Company.

The Company shall act as a passive holding company of its Subsidiaries and shall not own any material assets other than (i) Equity Interests of Guarantors, (ii) assets in respect of hedging agreements, (iii) so long as no Event of Default has occurred and is continuing, cash and cash equivalents and other immaterial assets in the ordinary course of business consistent with past practice and (iv) assets which are subject to a perfected Lien as Collateral for the Notes.

Section 4.14 Corporate Existence.

Subject to Article V hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect its existence, rights (charter and statutory) and franchises. The Company shall not, however, be required to preserve any rights or franchises if its Board of Directors determines that the preservation thereof is no longer desirable in the conduct of the Company's business and that the loss thereof is not disadvantageous in any material respect to the Holders.

Section 4.15 [Reserved].

Section 4.16 [Reserved].

Section 4.17 Future Guarantors.

The Company shall:

(a) within 45 days after the end of each of the first three fiscal quarters of each year and 90 days after the end of each fiscal year,

(b) contemporaneously with the acquisition of any Person which upon such acquisition is, or of any asset which causes the Subsidiary acquiring such assets (without regard

to any other assets of such Subsidiary) to be, a Significant Subsidiary (other than an Excluded Subsidiary), and

(c) contemporaneously with the guarantee by any Subsidiary of any Indebtedness of the Company or any Guarantor, cause (i) in the case of 4.17(a) above, each Person that is a Significant Subsidiary (other than an Excluded Subsidiary) as of the end of such quarter or fiscal year and is not already a Guarantor, (ii) in the case of the 4.17(b) above, such Significant Subsidiary and (iii) in the case of 4.17(c) above, such Subsidiary, to execute and deliver to the Trustee a supplemental indenture pursuant to this Indenture whereby such Subsidiary unconditionally guarantees the principal of (premium, if any), and interest on the Notes and all other amounts payable by the Company and shall agree to be bound by this Indenture.

ARTICLE V SUCCESSORS

Section 5.01 *Merger, Consolidation, or Sale of Assets.*

The Company shall not merge or consolidate with any other corporation or sell, assign, transfer, lease or otherwise convey all or substantially all of its property or assets to any Person, unless:

(1) either the Company is the continuing corporation, or the successor Person (if other than the Company) is a corporation organized and existing under the laws of the United States or a state thereof and such corporation expressly assumes the due and punctual payment of the principal of (and premium, if any), interest, if any, all the Notes and any coupons, according to their tenor, and the due and punctual performance and observance of all of the covenants and conditions of this Indenture to be performed by the Company by supplemental indenture satisfactory to the Trustee, executed and delivered to the Trustee by such corporation;

(2) each Guarantor, by supplemental indenture, confirms that their Guarantee shall apply to the surviving entity's obligations under the Notes and this Indenture, as modified by such supplemental indenture, and confirms the due and punctual performance of the Guarantee and the covenants of the Guarantor in this Indenture; and

(3) immediately after such merger or consolidation, or such sale or conveyance, no Event of Default has occurred and is continuing.

For purposes of Section 5.01, any sale, assignment, transfer, lease or other conveyance or conveyance of the properties and assets of one or more Significant Subsidiaries (other than to the Company or another Subsidiary), which, if such assets were owned by the Company, would constitute all or substantially all of the Company's properties and assets, will be deemed to be the transfer of all or substantially all of the Company's properties and assets.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of and interest on the Notes except in the case of a sale of all of the Company's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

**ARTICLE VI
DEFAULTS AND REMEDIES**

Section 6.01 *Events of Default.*

Each of the following is an "*Event of Default*":

(1) the Company's failure to (x) pay principal (or premium, if any, on) any of the Notes as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise or (y) consummate a mandatory redemption of the Notes pursuant to Section 3.09 on any date required by such Section;

(4) the Company's failure, or the failure of any Guarantor, to perform any other covenant in this Indenture, which failure continues for 90 days after the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes gives the Company written notice of the Company's, or such Guarantor's, failure to perform;

(5) (x) the Company's failure, or failure by any of the Company's Subsidiaries, to perform any term or provision of any evidence of Indebtedness (excluding Indebtedness of any of the Company's Subsidiaries that is a Financing SPV), whether such Indebtedness now exists or shall hereafter be created, or any other condition shall occur, and as a result of the occurrence of which default or condition any such

Indebtedness in an amount in excess of \$50,000,000 shall become or be declared to be due and payable, or the Company, or any of the Company's Subsidiaries, shall be obligated to purchase any such Indebtedness, prior to the date on which it would otherwise become due and payable, (y) any Indebtedness of the Company or any of its Subsidiaries (excluding Indebtedness of any of the Company's Subsidiaries that is a Financing SPV) in an amount in excess of \$50,000,000 shall not be paid when due at its stated maturity or (z) an "Event of Default" occurs and is continuing under any indenture governing the Existing Notes;

(6) the entry against the Company or any Significant Subsidiary of a final judgment or final judgments for the payment of money in an aggregate amount in excess of \$50,000,000, by a court or courts of competent jurisdiction, which judgments remain undischarged, unwaived, unstayed, unbonded or unsatisfied for a period of 60 consecutive days;

(7) any Security Document or Intercreditor Agreement is held to be unenforceable or invalid for any reason, the security interest purported to be created by the Security Documents are held to be unenforceable, invalid or impaired with respect to a material portion of the Collateral, the Company, any Guarantor or any Grantor (as defined in the Security Agreement) defaults in the performance of the terms of any of the Security Documents or the Intercreditor Agreement in a manner that adversely affects the enforceability or validity of the security interest on a material portion of the Collateral or in a manner that adversely affects the condition or value of a material portion of the Collateral, or the Company, any Guarantor or any Grantor (as defined in the Security Agreement) repudiates or disaffirms any of its obligations under any of the Security Documents or the Intercreditor Agreement;

(8) the Company, any Significant Subsidiary or any Guarantor shall commence a voluntary case or proceeding under any applicable federal or state bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or shall consent to the entry of a decree or order for relief in an involuntary case or proceeding against the Company, such Significant Subsidiary or such Guarantor, or the filing by the Company, any Significant Subsidiary or any Guarantor of a petition or answer to consent seeking reorganization or relief under any such applicable federal or state law, or the consent by the Company, any Significant Subsidiary or any Guarantor to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Company, such Significant Subsidiary or any Guarantor or of any substantial part of its property, or the making by the Company, any Significant Subsidiary or any Guarantor of any general assignment for the benefit of creditors, or the taking of action by the Company, any Significant Subsidiary or any Guarantor in furtherance of any such action;

(9) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Company, any Significant Subsidiary or any Guarantor in an involuntary case under any applicable bankruptcy, insolvency, reorganization or other

(10) any Guarantee shall cease to be in full force and effect (unless such Guarantee has been released in accordance with this Indenture).

Section 6.02 *Acceleration.*

If any Event of Default other than an Event of Default specified in clause (8) or (9) of Section 6.01 hereof, has occurred and is continuing, either the Trustee or the Holders of not less than 25% in aggregate principal amount of Notes then outstanding under this Indenture may declare the principal of the Notes and all accrued interest thereon to be due and payable immediately. If an Event of Default specified in clause (8) or (9) of Section 6.01 hereof occurs, the principal of all outstanding Notes and all accrued interest thereon shall be due and payable, without further action or notice on the part of the Trustee or any Holder.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, rescind an acceleration and its consequences, if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal, interest or premium or Additional Interest, if any, that has become due solely because of the acceleration) have been cured or waived.

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium and Additional Interest, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults.*

Holders of not less than a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may, on behalf of the Holders of all of the Notes, waive any existing Default or Event of Default and its consequences hereunder, except a continuing Default or Event of Default in the payment of the principal of, premium and Additional Interest, if any,

or interest on, the Notes (including in connection with an offer to purchase); *provided, however*, that the Holders of a majority in aggregate principal amount of the then outstanding Notes may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration in accordance with Section 6.02. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 Limitation on Suits.

A Holder may pursue a remedy with respect to this Indenture or the Notes only if:

- (1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes have requested that the Trustee pursue the remedy;
- (3) such Holder or Holders have offered the Trustee satisfactory indemnity against any loss, liability or expense;
- (4) the Trustee has not complied with such request within 60 days after receipt of the request and the offer of indemnity; and
- (5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request.

A Holder of a Note may not use this Indenture to prejudice the rights of another Holder of a Note or to obtain a preference or priority over another Holder of a Note.

Section 6.07 Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal, premium and Additional Interest, if any, and interest on the Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium and Additional Interest, if any, and interest remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article VI or pursuant to the Security Documents, it shall pay out the money in the following order:

First: pro rata to the Trustee, its agents and attorneys for amounts due under Section 7.07 hereof, and the Collateral Agent and Collateral Control Agent, their agents and attorneys for amounts due under the Security Documents including, in each case, payment of all compensation, expenses and liabilities incurred by the Trustee, the Collateral Agent and the Collateral Control Agent and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium and Additional Interest, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium and Additional Interest, if any and interest, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

**ARTICLE VII
TRUSTEE**

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture. The Trustee shall have no obligation to check or verify the mathematical accuracy of any calculations or financial information contained therein.

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraph (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request of any Holders, unless such Holder has offered to the Trustee security and indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee reasonable indemnity or security reasonably satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) In no event shall the Trustee be responsible or liable for special, indirect, or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event that is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of Officers authorized at such time to take specified actions pursuant to this Indenture.

(k) The Trustee shall not be required to give any bond or surety in respect of the execution of the trusts and powers under this Indenture.

(l) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including without limitation, acts of God, earthquakes, fire, flood, terrorism, wars and other military disturbances, sabotage, epidemics, riots, interruptions, loss or malfunction of utilities, computer (hardware or software) or communication services, accidents, labor disputes, acts of civil or military authorities and governmental action.

Section 7.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (as defined in the TIA) it must eliminate such conflict within 90 days, apply to the SEC for permission to continue as trustee (if this Indenture has been qualified under the

TIA) or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 Trustee's Disclaimer.

The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is actually known to a Responsible Officer of the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium or Additional Interest, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 Reports by Trustee to Holders of the Notes.

(a) Within 60 days after each February 15 beginning with the February 15 following the date of this Indenture, and for so long as Notes remain outstanding, the Trustee will mail to the Holders of the Notes a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted). The Trustee also will comply with TIA § 313(b)(2). The Trustee will also transmit by mail all reports as required by TIA § 313(c).

(b) A copy of each report at the time of its mailing to the Holders of Notes will be mailed by the Trustee to the Company and filed by the Trustee with the SEC and each stock exchange on which the Notes are listed in accordance with TIA § 313(d). The Company will promptly notify the Trustee when the Notes are listed on or delisted from any stock exchange.

Section 7.07 Compensation and Indemnity.

(a) The Company will pay to the Trustee from time to time such compensation for its acceptance of this Indenture and services hereunder as shall be agreed in writing by the Company and the Trustee. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors will indemnify the Trustee and any predecessor Trustee against any and all losses, liabilities, damages, claims or expenses, including taxes (other than those based upon, measured by or determined by the income of the Trustee) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the reasonable costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal and interest on particular Notes. Such Lien will constitute a Permitted Lien and will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(8) or (9) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) The Trustee will comply with the provisions of TIA § 313(b)(2) to the extent applicable.

(g) The Company and the Guarantors will indemnify the Collateral Agent and the Collateral Control Agent and any predecessor Collateral Agent and the Collateral Control Agent against any and all losses, liabilities, damages, claims or expenses (including costs and expenses of counsel), including taxes incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the reasonable costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or bad faith. The Collateral Agent and the Collateral Control Agent will notify the Company promptly of any claim for which it may seek indemnity. Failure by the

Collateral Agent or the Collateral Control Agent to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Collateral Agent and the Collateral Control Agent will cooperate in the defense. The Collateral Agent or the Collateral Control Agent may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

Section 7.08 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10 hereof;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction (at the expense of the Company) for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and

duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 Successor Trustee by Merger, etc.

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10 Eligibility; Disqualification.

There shall at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$100.0 million as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11 Preferential Collection of Claims Against Company.

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

Section 7.12 Patriot Act.

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each individual person who opens an account. For a non-individual person such as a business entity, a charity, a trust or other legal entity the Trustee will ask for documentation to verify its formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

Section 7.13 Payment of Additional Interest.

If Additional Interest is payable, the Company shall deliver to the Trustee a certificate to that effect stating (a) the amount of such Additional Interest that is payable and (b) the date on which such Additional Interest is payable. Unless and until a Responsible Officer of the Trustee receives at the Corporate Trust Office such a certificate, the Trustee may assume without inquiry that no such Additional Interest is payable. If the Company has paid Additional Interest directly

to the Persons entitled to it, the Company shall deliver to the Trustee a certificate setting forth the particulars of such payment.

ARTICLE VIII COLLATERAL

Section 8.01 Security Documents.

The payment of the principal of and interest and premium, if any, on the Notes when due, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise and whether by the Company pursuant to the Notes or by any Guarantor pursuant to its Guarantee and the payment and performance of all other obligations of the Company and the Guarantors under this Indenture, the Notes, the Guarantees and the Security Documents are secured as provided in the Security Documents which the Company, the Guarantors and certain other Subsidiaries of the Company have entered into simultaneously with the execution of this Indenture and will be secured by Security Documents hereafter delivered as required or permitted by this Indenture. The Company shall, and shall cause each Guarantor and each Grantor (as defined in the Security Agreement) to, and each Guarantor shall, do all filings (including filings of continuation statements and amendments to Uniform Commercial Code financing statements that may be necessary to continue the effectiveness of such Uniform Commercial Code financing statements) and all other actions as are necessary or required by the Security Documents to maintain (at the sole cost and expense of the Company and the Guarantors) the security interest created by the Security Documents in the Collateral as a perfected security interest, subject only to Permitted Liens.

Section 8.02 Agents.

Subject to Section 7.01 hereof and Sections 13 and 14 of the Security Agreement, neither the Trustee nor any of its officers, directors, employees, attorneys or agents will be responsible or liable for the existence, genuineness, value or protection of any Collateral, for the legality, enforceability, effectiveness or sufficiency of the Security Documents, for the creation, perfection, priority, sufficiency or protection of any Lien securing the Notes or the Guarantees, or for any defect or deficiency as to any such matters, or for any failure to demand, collect, foreclose or realize upon or otherwise enforce any such Liens or Security Documents or any delay in doing so.

Section 8.03 Authorization of Actions to Be Taken.

(a) Each Holder of Notes, by its acceptance thereof, consents and agrees to be bound by the terms of each Security Document and the Intercreditor Agreement, as originally in effect and as amended, supplemented or replaced from time to time in accordance with its terms or the terms of this Indenture, authorizes and directs the Trustee and the Collateral Agent to enter into the Security Documents to which it is a party, authorizes and empowers the Trustee and the Collateral Agent to enter into, execute and deliver, the Intercreditor Agreement, and authorizes and empowers the Trustee and the Collateral Agent to bind the Holders of Notes as set forth in the Security Documents to which either of them is a party and the Intercreditor

Agreement and to perform their obligations and exercise their rights and powers thereunder and to make the representations set forth therein on behalf of the Holders.

(b) The Collateral Agent, the Collateral Control Agent and the Trustee are authorized and empowered to receive for the benefit of the Holders of Notes any funds collected or distributed under the Security Documents or the Intercreditor Agreement to which the Collateral Agent or Trustee is a party and, subject to the terms of the Security Documents and the Intercreditor Agreement, to make further distributions of such funds to the Holders of Notes according to the provisions of this Indenture.

(c) Subject to the provisions of Sections 7.01 and Section 7.02 and the Intercreditor Agreement, the Trustee may, in its sole discretion and without the consent of the Holders (but is not obligated to), direct, on behalf of the Holders, the Collateral Agent to take all actions it deems necessary or appropriate in order to:

- (1) foreclose upon or otherwise enforce any or all of the Liens;
- (2) enforce any of the terms of the Security Documents to which the Collateral Agent or Trustee is a party; or
- (3) collect and receive payment of any and all amounts under the Notes and the Guarantees.

Subject to Sections 7.01 and 7.02 and the Intercreditor Agreement and at the Company's sole cost and expense, the Trustee is authorized and empowered (but not obligated) to institute and maintain, or direct the Collateral Agent or Collateral Control Agent to institute and maintain, such suits and proceedings as it may deem reasonably expedient to protect or enforce the Liens under the Security Documents or the Security Documents to which the Collateral Agent or Collateral Control Agent or Trustee is a party or to prevent any impairment of Collateral by any acts that may be unlawful or in violation of the Security Documents to which the Collateral Agent or Collateral Control Agent or Trustee is a party or this Indenture, and such suits and proceedings as the Trustee or the Collateral Agent or Collateral Control Agent may deem reasonably expedient, at the Company's sole cost and expense, to preserve or protect its interests and the interests of the Holders of Notes in the Collateral, including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of Holders, the Trustee, the Collateral Agent, or the Collateral Control Agent.

Section 8.04 Release of Collateral.

(a) Collateral may be released from the Lien and security interest created by the Security Documents at any time or from time to time in accordance with the provisions of the Intercreditor Agreement. In addition, the Liens on any Collateral shall be released (and upon the request of the Company pursuant to an Officers' Certificate in the form of Exhibit F and Opinion of Counsel in the form of Exhibit G certifying that all conditions precedent hereunder

have been met, the Trustee shall take such actions as may be requested by the Company to evidence such release at the Company's sole cost and expense) under any one or more of the following circumstances:

- (i) upon the sale, transfer or other disposition of such property or assets (other than to the Company or a Guarantor) to the extent not prohibited under Section 4.10 hereof, the Lien of the Security Documents shall be released on the assets so transferred;
- (ii) upon the release of a Guarantor from its Guarantee pursuant Section 10.05, the property and assets of such Guarantor shall be released from the Lien of the Security Documents; or
- (iii) in connection with any release of Liens pursuant to any amendment complying with Article IX hereof.

No purchaser or grantee of any property or rights purporting to be released shall be bound to ascertain the authority of the Trustee to execute the release or to inquire as to the existence of any conditions herein prescribed for the exercise of such authority so long as the conditions set forth in Section 10.4 have been satisfied.

(b) The Liens on any Collateral securing the Notes and the Guarantees and the other obligations under this Indenture will terminate and be released automatically upon any satisfaction and discharge of this Indenture pursuant to Section 11.01 or any Legal Defeasance or Covenant Defeasance in compliance with Article XIII.

Section 8.05 Filing, Recording and Opinions.

(a) The Company will comply with the provisions of Trust Indenture Act Sections 314(b) and 314(d) (including, without limitation, the provision of an initial and annual Opinion of Counsel under Section 314(b)), in each case following qualification of this Indenture pursuant to the Trust Indenture Act, except to the extent not required as set forth in any SEC regulation or interpretation (including any no-action letter issued by the Staff of the SEC, whether issued to the Company or any other Person). Following such qualification, to the extent the Company is required to furnish to the Trustee an Opinion of Counsel pursuant to Trust Indenture Act Section 314(b)(2), the Company will furnish such opinion not more than 60 but not less than 30 days prior to each September 30.

(b) Following qualification of this Indenture pursuant to the Trust Indenture Act, if any Collateral is released in accordance with this Indenture or any Security Document, the Trustee will determine whether it has received all documentation required by Trust Indenture Act Section 314(d) in connection with such release and, based on such determination and the Opinion of Counsel delivered pursuant to Section 11.04(a), will, upon request, deliver a certificate to the Collateral Agent, the Collateral Control Agent and the Company setting forth such determination.

Section 8.06 Powers Exercisable by Receiver or Trustee.

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article VIII upon the Company or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Company or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article VIII; and if the Trustee shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee.

Section 8.07 Release upon Termination of the Company's Obligations.

In the event that the Company delivers to the Trustee, in a form acceptable to it, an Officers' Certificate and Opinion of Counsel certifying that the conditions set forth in Section 8.04 have been satisfied, the Trustee shall deliver to the Company, the Collateral Agent and the Collateral Control Agent a notice stating that the Trustee, on behalf of the Holders, disclaims and gives up any and all rights it has in or to the Collateral, and any rights it has under the Security Documents, and upon receipt by the Collateral Agent and the Collateral Control Agent of such notice, the Collateral Agent and the Collateral Control Agent shall be deemed not to hold a Lien in the Collateral on behalf of the Trustee and shall do or cause to be done, at the Company's sole cost and expense, all acts reasonably necessary to release such Lien as soon as is reasonably practicable.

**ARTICLE IX
AMENDMENT, SUPPLEMENT AND WAIVER**

Section 9.01 Without Consent of Holders of Notes.

Notwithstanding Section 9.02 hereof, the Company, the Guarantors and the Trustee may amend and change this Indenture and the Security Documents and may consent to without the consent of the Holders in order to:

- (a) evidence the succession of another corporation to the Company or each Guarantor or successive successions, and the assumption by any successor corporation of certain covenants, agreements and obligations;
- (b) add to the covenants of the Company for the benefit of the Holders;
- (c) cure any ambiguity, omission, defect or inconsistency, *provided* that such action does not adversely affect the interests of the Holders;
- (d) convey, transfer, assign, mortgage or pledge any property to or with the Trustee;
- (e) evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture; and

(f) (i) evidence the succession of another corporation to each Guarantor, or successive successions, and the assumption by any successor corporation of certain covenants, agreements and obligations; (ii) add to the covenants of a Guarantor for the benefit of the Holders; (iii) evidence and provide for any new Guarantees with respect to the Notes or the release of any Guarantor pursuant to the Indenture; (iv) provide for additional Collateral; (v) release Collateral in accordance with this Indenture and the Security Documents; and (vi) to secure any Pari Passu Third Lien Indebtedness.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 9.06 hereof, the Trustee or the Collateral Agent will join with the Company and the Guarantors in the execution of any amended or supplemental indenture or other amendment authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee and Collateral Agent will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 With Consent of Holders of Notes.

Except as provided below in this Section 9.02, the Company, the Trustee and the Collateral Agent may amend or supplement this Indenture (including, without limitation, Sections 3.08 and 4.10 hereof) and the Notes, the Intercreditor Agreement, the Security Documents and the Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default (other than a Default in the payment of the principal of, premium or Additional Interest, if any, or interest on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture, the Notes, the Security Documents or the Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.06 hereof, the Trustee or the Collateral Agent will join with the Company and the Guarantors in the execution of such amended or supplemental indenture or other amendment unless such amended or supplemental indenture directly affects the Trustee's or the Collateral Agent's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee or the Collateral

Agent may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture or amendment.

It shall not be necessary for the consent of the Holders of Notes under this Section 9.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture or the Notes or the Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (1) change the fixed maturity of the Notes;
- (2) reduce the principal amount of, or premium, if any, or reduce the rate of, or extend the time of payment of interest on, the Notes;
- (3) reduce any amount due and payable upon acceleration of the Notes or the amount provable in bankruptcy;
- (4) make the principal of, or premium, if any, or interest, if any, on the Notes payable in any currency other than as provided in the Notes;
- (5) impair the right to institute suit for the enforcement of any payment on or after its stated maturity, or in the case of redemption, on or after the Redemption Date;
- (6) reduce the percentage in aggregate principal amount of outstanding Notes necessary to modify or amend this Indenture;
- (7) reduce the percentage in aggregate principal amount of outstanding Notes necessary to waive Event of Defaults as described in Section 6.01; or
- (8) release all or substantially all of the Collateral from the Lien of the Security Documents (other than in accordance with Article VIII) or release all or substantially all of the value of the Guarantees (other than in accordance with Section 10.05).

Section 9.03 *Compliance with Trust Indenture Act.*

Every amendment or supplement to this Indenture or the Notes will be set forth in a amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors of the Company approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officers' Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE X GUARANTEES

Section 10.01 *Guarantee.*

(a) Subject to this Article X, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium and Additional Interest, if any, and interest on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that their obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by the Company or any Guarantor either to the Trustee or such Holder, this Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article VI hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantee.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of any Bankruptcy Law, the Uniform Fraudulent

Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 Execution and Delivery of Guarantee.

To evidence its Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee.

If an Officer whose signature is on this Indenture or on the Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Guarantee is endorsed, the Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

Section 10.04 Guarantors May Consolidate, etc., on Certain Terms.

For the benefit of the Notes, no Guarantor shall merge or consolidate with any other corporation or sell, assign, transfer, lease or otherwise convey all or substantially all of its property or assets to any Person, unless either:

(a) (x) either such Guarantor is the continuing corporation, or the successor Person (if other than the Guarantor) is a corporation or limited liability company organized and existing under the laws of the United States or a state thereof and, such corporation or limited liability company expressly assumes the Guarantee of such Guarantor by supplemental indenture satisfactory to the Trustee, executed and delivered to the Trustee by such corporation; and

(y) immediately after such merger or consolidation, or such sale or conveyance, no Event of Default has occurred and is continuing; or

(b) such merger, consolidation, lease, transfer or conveyance complies with Section 4.10 hereof.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Guarantee endorsed upon the Notes and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles IV and V hereof, and notwithstanding clauses 2(a) and (b) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Section 10.05 Releases.

The Guarantee of a Guarantor will be released (so long as no Event of Default has occurred and is continuing) with respect to the Notes:

- (a) in connection with any sale, exchange or transfer of all of the stock of the Guarantor to any Person (other than the Company or a Subsidiary or Affiliate of the Company), *provided* such sale is not prohibited under this Indenture;
- (b) upon the payment in full of the Notes; or
- (c) upon Legal Defeasance or satisfaction and discharge of the Indenture as provided below in Articles XI and XIII.

**ARTICLE XI
SATISFACTION AND DISCHARGE**

Section 11.01 Satisfaction and Discharge.

This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(1) either:

- (a) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment

money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(b) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Interest, if any, and accrued interest to the date of maturity or redemption;

(2) no Default has occurred and is continuing on the date of the deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit) and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(3) the Company or any Guarantor has paid or caused to be paid all sums payable by the Company and/or the Guarantors under this Indenture; and

(4) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the Redemption Date, as the case may be.

In addition, the Company must deliver an Officers' Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 Application of Trust Money.

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium and Additional Interest, if any) and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Company has made any payment of principal of, premium or Additional Interest, if any, or interest on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 12.08 Governing Law.

ARTICLE XIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 13.01 Option to Effect Legal Defeasance or Covenant Defeasance. The Company may, at its option and at any time, elect to have either Section 13.02 or 13.03 hereof applied to all outstanding Notes upon compliance with the conditions set forth below in this Article XIII.

Section 13.02 Legal Defeasance and Discharge. Upon the Company's exercise under Section 13.01 hereof of the option applicable to this Section 13.02, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 13.04

hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes and Guarantees and with respect to the Security Documents on the date the conditions set forth below are satisfied ("Legal Defeasance"). For this purpose, Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 13.05 hereof and the other Sections of this Indenture referred to in (a) and (b) below, and to have satisfied all its other obligations under such Notes and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of Notes to receive payments in respect of the principal of, premium, if any, and interest on the Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 13.04 hereof;
- (b) the Company's obligations with respect to Notes concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;
- (c) the rights, powers, trusts, duties and immunities of the Trustee, and the obligations of the Company and Guarantors in connection therewith; and
- (d) this Section 13.02.

If the Company exercises under Section 13.01 the option applicable to this Section 13.02, subject to satisfaction of the conditions set forth in Section 13.04 hereof, payment of the Notes may not be accelerated because of an Event of Default under clauses (3), (4), (5), (6), (7), (8), (9) or (10) of Section 6.01. Subject to compliance with this Article VIII, the Company may exercise its option under this Section 13.02 notwithstanding the prior exercise of its option under Section 13.03 hereof.

Section 13.03 Covenant Defeasance. Upon the Company's exercise under Section 13.01 hereof of the option applicable to this Section 13.03, the Company and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 13.04 hereof, be released from their obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.09, 4.10, 4.11, 4.12, 4.13, 4.14 and 4.17 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 13.04 hereof are satisfied ("Covenant Defeasance"), and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly,

by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 13.01 hereof of the option applicable to this Section 13.03 hereof, subject to the satisfaction of the conditions set forth in Section 13.04 hereof, Sections 6.01(3), 6.01(4), 6.01(5), 6.01(6), 6.01(7), 6.01(8), 6.01(9) and 6.01(10) hereof shall not constitute Events of Default.

Section 13.04 Conditions to Legal or Covenant Defeasance. The following shall be the conditions to the application of either Section 13.02 or 13.03 hereof to the outstanding Notes:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes:

(a) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes cash in U.S. dollars, Government Securities, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal amount of, premium, if any, and interest due on the Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal amount, premium, if any, or interest on such Notes and the Company must specify whether such Notes are being defeased to maturity or to a particular Redemption Date;

(b) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that the Company has complied with all conditions precedent relating to Legal Defeasance and Covenant Defeasance;

(c) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that,

(1) the Company has received from, or there has been published by, the United States Internal Revenue Service a ruling, or

(2) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes, as applicable, as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred.

The Company will not have to deliver the Opinion of Counsel required in the immediately preceding paragraph with respect to Legal Defeasance if all the Notes that

have not at that time been delivered to the Trustee for cancellation (1) are delivered by us to the Trustee for cancellation (other than mutilated, destroyed, lost or stolen New Notes), (2) have become due and payable or (3) will by their terms become due and payable within one year, or are to be called for redemption within one year;

(d) no Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit with respect to this Indenture;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, the Senior Credit Facilities or any other material agreement or instrument (other than this Indenture) to which the Company or any Restricted Guarantor is a party or by which the Company or any Restricted Guarantor is bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and the granting of Liens in connection therewith);

(f) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or any Restricted Guarantor or others; and

(g) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Section 13.05 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions. Subject to Section 13.06 hereof, all money and Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 13.05, the "Trustee") pursuant to Section 13.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or Government Securities deposited pursuant to Section 13.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article XIII to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or Government Securities held by it as provided in Section 13.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 13.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 13.06 Repayment to the Company. Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

Section 13.07 Reinstatement. If the Trustee or Paying Agent is unable to apply any United States dollars or Government Securities in accordance with Section 13.02 or 13.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 13.02 or 13.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 13.02 or 13.03 hereof, as the case may be; provided that, if the Company makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

The first Interest Payment Date shall be November 15, 2008. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate of 9.625% per annum; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Interest, if any, (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. (3) *PAYING AGENT AND REGISTRAR*. Initially, U.S. Bank National Association, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

(4) *INDENTURE*. The Company issued the Notes under an Indenture dated as of June 6, 2008 (the “*Indenture*”) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *OPTIONAL REDEMPTION*. The Company may redeem the Notes at any time, in whole or in part, at a redemption price specified in Section 3.07 of the Indenture.

(6) *MANDATORY REDEMPTION*. Item 1.01 Entry into Material Definitive Agreement**8.500% Senior Secured Guaranteed Notes due 2010 and 9.625% Junior Secured Guaranteed Notes due 2015**

On June 6, 2008, Residential Capital, LLC ("ResCap") closed its previously announced private debt tender and exchange offers for certain of its outstanding debt securities (the "Offers").

In connection with the Offers, on June 6, 2008, ResCap issued \$1,666,680,000 initial aggregate principal amount of 8.500% Senior Secured Guaranteed Notes due 2010 (the "Senior Secured Notes") and \$4,010,280,000 initial aggregate principal amount of 9.625% Junior Secured Guaranteed Notes due 2015 (the "Junior Secured Notes" and, together with the Senior Secured Notes, the "New Notes") in exchange for approximately \$2.6 billion aggregate principal amount of notes that mature in 2008-2009 (the "2008-2009 Notes") and approximately U.S. dollar equivalent \$6.0 billion aggregate principal amount of its notes that mature in 2010-2015 (the "2010-2015 Notes" and, together with the 2008-2009 Notes, the "Old Notes"). Each series of New Notes are guaranteed by all of ResCap's domestic significant subsidiaries (other than GMAC Bank and certain other subsidiaries that are restricted from guaranteeing the New Notes), as well as all of ResCap's direct subsidiaries. The Senior Secured Notes are secured by a second priority lien on the collateral securing ResCap's new senior secured credit facility with GMAC LLC (the "GMAC Facility"), and the Junior Secured Notes are secured by a third priority lien on the same collateral.

In addition, in connection with the Offers, holders participating in the exchange offers had the opportunity to elect to receive cash in lieu of the New Notes that they would have otherwise received, pursuant to a "modified Dutch auction" process that was described in the offer documents (the "Auction Process"). In the Auction Process, approximately \$1.6 billion aggregate principal amount of the 2008-2009 Notes and U.S. dollar equivalent \$2.6 billion aggregate principal amount of the 2010-2015 Notes were tendered. Based on these results, the clearing price in the auction process was \$920 per \$1,000 principal amount of Senior Secured Notes and \$650 per \$1,000 principal amount of Junior Secured Notes and approximately 81% of the 2008-2009 Notes and approximately 51% of the 2010-2015 Notes tendered in the Auction Process at or below the applicable clearing price were purchased for cash in lieu of New Notes.

Also in connection with the Offers, approximately \$853.4 million aggregate principal amount of Floating Rate Notes due June 9, 2008 were purchased for cash.

The Senior Secured Notes are governed by the indenture, dated as of June 6, 2008, among ResCap, the guarantors party thereto and U.S. Bank National Association, as Trustee (the "Senior Secured Note Indenture"). The Junior Secured Notes are governed by the Indenture, dated as of June 6, 2008, among ResCap, the guarantors party thereto and U.S. Bank National Association, as Trustee (the "Junior Secured Note Indenture").

The New Notes are senior secured obligations of ResCap and are: (i) senior in right of payment to all of ResCap's existing and future indebtedness that is expressly subordinated to the New Notes, and, to the extent of the value of the collateral securing the New Notes, effectively senior in right of payment to the unexchanged Old Notes and any other unsecured debt of ResCap or the guarantors; (ii) effectively senior in right of payment to unexchanged Old Notes to the extent of the value of the assets of the subsidiary guarantors; (iii) equal in right of payment with all of ResCap's existing and future unsecured obligations that are not expressly subordinated to the New Notes, to the extent that the value of the collateral securing the New Notes is inadequate to provide for payment in full of the New Notes; and (iv) effectively subordinated in right of payment to all indebtedness pursuant to the GMAC Facility, to the extent of the value of the assets securing the GMAC Facility. The Senior Secured Notes effectively rank senior in right of payment to the Junior Secured Notes to the extent of the value of the collateral securing the Senior Secured Notes as the liens securing the Junior Secured Notes are junior to those securing the Senior Secured Notes.

ResCap may redeem each series of New Notes, in whole at any time or in part from time to time, at its option on not less than 30 nor more than 60 days' notice, subject to the payment of a make-whole premium. For the Senior Secured Notes, the redemption price is equal to (i) the greater of (x) 100% of the principal amount of such notes being redeemed or (y) the present values of the remaining scheduled principal and interest payments on such notes being redeemed (excluding accrued interest through the redemption date) discounted at a rate specified in the indenture, plus (ii) accrued and unpaid interest, if any, to the redemption date on the principal amount of such notes being redeemed. For the Junior Secured Notes, the redemption price is equal to (i) the greater of (x) 100% of the principal amount of such notes being redeemed or (y) the present value of the sum of (A) the redemption price of such notes on May 15, 2010 being redeemed and (B) all remaining scheduled principal and interest payments on such notes being redeemed through May 15, 2010 (excluding accrued interest through the redemption date) discounted at a rate specified in the indenture, plus (ii) accrued and unpaid interest, if any, to the redemption date on the principal amount of such notes being redeemed.

Additionally, the Junior Secured Notes will be redeemable at ResCap's option, in whole or in part, at any time following May 15, 2010, upon not less than 30 nor more than 60 days' notice at the following prices (expressed as percentages of the principal amount to be redeemed), plus accrued and unpaid interest, if any, to the redemption date, if redeemed during the 12-month period beginning on May 15 of the years indicated:

Year	Redemption Price
2010	104.813%
2011	102.407%
2012 and thereafter	100.000%

The Senior Secured Notes will mature on May 15, 2010 and the Junior Secured Notes will mature on May 15, 2015, in each case, unless redeemed earlier by ResCap as described above. In addition, interest on the New Notes will be payable semi-annually on May 15 and November 15 of each year, beginning on November 15, 2008.

ResCap will also mandatorily redeem one-third of the original principal amount of each Junior Secured Note on May 15, 2013 and May 15, 2014 with the remaining full principal amount paid on May 15, 2015.

The indentures for the New Notes contain covenants, subject to numerous qualifications and exceptions, that limit, among other things, ResCap's ability and the ability of its subsidiaries to: incur additional indebtedness; pay dividends on member interests or repurchase ResCap's member interests; make investments in certain affiliates (other than subsidiaries of ResCap); create liens or use assets as security in other transactions; merge, consolidate or transfer or dispose of substantially all of their assets; engage in transactions with affiliates (other than subsidiaries of ResCap); and sell certain assets.

The indentures for the New Notes set forth certain events of default, including, but not limited to, (i) ResCap's failure to pay principal on any New Notes when due or to redeem Junior Secured Notes when required; (ii) ResCap's failure to pay interest on any New Notes for 30 days after becoming due; (iii) ResCap's failure to observe or perform certain covenants for 30 days after the written notice from the trustee or holders representing 25% or more of the outstanding principal amount of applicable New Notes; (iv) ResCap's failure to pay or acceleration of certain other indebtedness aggregating \$50 million or more, or the continuance of an event of default under an indenture governing the Old Notes; (v) ResCap's becoming subject to one or more unpaid judgments aggregating \$50 million or more, which judgments remain undischarged, unwaived, unstayed, unbonded or unsatisfied for 60 days; (vi) certain bankruptcy events; (vii) any security documents or the intercreditor agreement being held unenforceable or invalid with respect to a material portion of the collateral or ResCap defaults under any security documents or the intercreditor agreement in a manner that materially and adversely affects the condition or value of a material portion of collateral for the New Notes; or (viii) any guarantee shall cease to be in full force and effect (unless such guarantee has been released in accordance with the applicable indenture). Upon the happening of any event of default, the trustee or the holder of at least 25% in principal amount of outstanding New Notes may declare the principal of and accrued interest on all the New Notes to be due and payable immediately. If an event of default with respect to bankruptcy proceedings occurs and is continuing, all the New Notes will become immediately due and payable without any declaration or other act on the part of the trustee or any holder of the New Notes.

On June 6, 2008, ResCap also entered into a registration rights agreement whereby it has agreed to consummate an offer to exchange each series of the New Notes for a new issue of debt securities registered under the Securities Act, with terms substantially identical to those of the New Notes (except for the provisions relating to the transfer restrictions and payment of additional interest) no later than 366 days after the date of the initial issuance of such notes. However, the registration rights agreement provides that ResCap will not be required to consummate the exchange offer if, before the required date for the consummation of such exchange offer, (i) the New Notes are freely tradable and (ii) the restrictive legend on the New Notes has been removed.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

The information in Item 1.01 of this Form 8-K is hereby incorporated by reference to this Item 2.03.

Item 3.03 Material Modification of Rights of Security Holders

In addition, as part of the Offers, ResCap entered into supplemental indentures governing the Old Notes, each of which became operative as of June 6, 2008. The supplemental indentures are described as follows:

Third Supplemental Indenture to the indenture (the "Senior Indenture"), dated as of June 24, 2005, among ResCap, the guarantors party thereto and Deutsche Bank Trust Company Americas, as trustee, governing the Floating Rate Notes due June 9, 2008, Floating Rate Notes due November 21, 2008, 8.125% Notes due November 21, 2008, Floating Rate Notes due April 17, 2009, Floating Rate Notes due May 22, 2009, 8.375% Notes due June 30, 2010, Floating Rate Notes due September 27, 2010, 8.000% Notes due February 22, 2011, 7.125% Notes due May 17, 2012, 8.500% Notes due June 1, 2012, 8.500% Notes due April 17, 2013, 8.375% Notes due May 17, 2013, 9.875% Notes due July 1, 2014 and 8.875% Notes due June 30, 2015 (collectively, the "Old Senior Notes").

Second Supplemental Subordinated Indenture to the subordinated indenture (the "Subordinated Indenture"), dated as of April 17, 2006, among ResCap, the guarantors party thereto and Deutsche Bank Trust Company Americas, as trustee, governing Floating Rate Subordinated Notes due April 17, 2009 (the "Old Subordinated Notes").

The Third Supplemental Indenture eliminates the limitation on liens covenant and the covenant requiring additional subsidiary guarantees contained in the Senior Indenture. The Second Supplemental Subordinated also eliminates the covenant requiring additional subsidiary guarantees. In addition, each of the of the Third Supplemental Indenture and the Second Supplemental Subordinated Indenture eliminates certain events of default contained in the Senior Indenture and the Subordinated Indenture, respectively. Each of the Third Supplemental Indenture and the Second Supplemental Subordinated Indenture releases the subsidiary guarantees of ResCap's obligations under the Senior Indenture and the Subordinated Indenture, respectively.

(b) This Agreement shall in all respects be a continuing, absolute, unconditional and irrevocable grant of security interest, and shall remain in full force and effect as set forth in Section 16. All rights of the Secured Parties and the security interests granted to the Third Priority Collateral Agent (for its benefit and the benefit of each other Secured Party) hereunder, and all obligations of the Grantors hereunder, shall, in each case, be absolute, unconditional and irrevocable irrespective of (i) any lack of validity, legality or enforceability of any Notes Document or Pari Passu Third Lien Indebtedness Agreement, (ii) the failure of any Secured Party (A) to assert any claim or demand or to enforce any right or remedy against any Grantor or any other Person under the provisions of any Notes Document, Pari Passu Third Lien Indebtedness Agreement or otherwise, or (B) to exercise any right or remedy against any other guarantor of, or collateral securing, any Obligations, (iii) any change in the time, manner or place of payment of, or in any other term of, all or any part of the Obligations, or any other extension, compromise or renewal of any Obligations, (iv) any reduction, limitation, impairment or termination of any Obligations (except until all Obligations have been paid in full in cash) for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to (and each Grantor hereby waives any right to or claim of) any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Obligations or otherwise, (v) any amendment to, rescission, waiver, or other modification of, or any consent to or departure from, any of the terms of any Notes Document or Pari Passu Third Lien Indebtedness Agreement, (vi) any addition, exchange or release of any Collateral of the Obligations, or any surrender or non-perfection of any Collateral, or any amendment to or waiver or release or addition to, or consent to or departure from, any other guaranty held by any Secured Party securing any of the Obligations, or (vii) any other

If any amount shall be paid to any Grantor in violation of the preceding sentence and the Obligations shall not have been indefeasibly paid in full in cash, then such amount shall be deemed to have been paid to such Grantor for the benefit of, and held in trust for, the Third Priority Collateral Agent (on behalf of the Secured Parties), and shall forthwith be paid to the Third Priority Collateral Agent to be credited and applied upon the Obligations, whether matured or unmatured. If, in the exercise of any of its rights and remedies, any Secured Party shall forfeit any of its rights or remedies, including its right to enter a deficiency judgment against any Grantor or any other Person, whether because of any applicable Requirements of Law pertaining to "election of remedies" or the like, each Grantor hereby consents to such action by such Secured Party and waives any claim based upon such action, even if such action by such Secured Party shall result in a full or partial loss of any rights of subrogation that such Grantor might otherwise have had but for such action by such Secured Party.

9. Collections, etc. Until such time during the existence of an Event of Default as the Third Priority Collateral Agent shall notify such Grantor of the revocation of such power and authority, each Grantor (a) will, at its own expense, endeavor to collect, as and when due, all amounts due under any of the Non-Tangible Collateral, including the taking of such action with respect to such collection as the Third Priority Collateral Agent may reasonably request or, in the absence of such request, as such Grantor may deem advisable; and (b) may grant, in the ordinary course of business, to any party obligated on any of the Non-Tangible Collateral, any rebate, refund or allowance to which such party may be lawfully entitled, and may accept, in connection therewith, the return of Goods, the sale or lease of which shall have given rise to such Non-

Tangible Collateral. The Third Priority Collateral Agent, however, may, at any time that an Event of Default has occurred and is continuing, whether before or after any revocation of such power and authority or the maturity of any of the Obligations, notify any party obligated on any of the Non-Tangible Collateral to make payment or otherwise render performance to or for the benefit of the Third Priority Collateral Agent and enforce, by suit or otherwise, the obligations of any such party obligated on any Non-Tangible Collateral. In connection therewith, the Third Priority Collateral Agent may surrender, release or exchange all or any part thereof, or compromise or extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder or evidenced thereby. Upon request of the Third Priority Collateral Agent following the occurrence and during the continuation of an Event of Default, each Grantor will, at its own expense, notify any party obligated on any of the Non-Tangible Collateral to make payment to the Third Priority Collateral Agent of any amounts due or to become due thereunder.

10. Release. Collateral shall from time to time be released from the security interest created by this Agreement pursuant to and in accordance with the provisions of both the Indenture and each Pari Passu Third Lien Indebtedness Agreement. Upon any such release, the Trustee and the applicable Pari Passu Third Lien Indebtedness Agent will, at the Grantors' joint and several expense, cause the Third Priority Collateral Agent to deliver to the relevant Grantor, without any representations, warranties or recourse of any kind whatsoever, such released Collateral held by the Third Priority Collateral Agent or Collateral Control Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such release. With respect to any such release, the Third Priority Collateral Agent, the Trustee and each Pari Passu Third Lien Indebtedness Agent shall be entitled to rely conclusively upon an Officer's Certificate and an Opinion of Counsel delivered in connection with such release, which Officer's Certificate and an Opinion of Counsel shall be in the form of Attachments III and IV, respectively.

(e) Each Pledgor will, from time to time upon the request of the Collateral Control Agent or the Third Priority Collateral Agent, promptly deliver to the Collateral Control Agent such stock powers, instruments, and similar documents, satisfactory in form and substance, following the Discharge of First Priority Claims and the Discharge of Second Priority Claims, to the Trustee and the Third Priority Collateral Agent, with respect to the Collateral as the Collateral Control Agent or the Third Priority Collateral Agent may reasonably request and will, from time to time upon the request of the Collateral Control Agent or the Third Priority

Collateral Agent after the occurrence of any Default, promptly transfer any Pledged Shares, Pledged Interests or other shares of common stock, member interests or other ownership interests constituting Collateral into the name of any nominee, designated by the Trustee following the Discharge of First Priority Claims and Discharge of Second Priority Claims.

(f) Subject to clause (g) below, each Pledgor will, at all times, keep pledged to the Third Priority Collateral Agent or Collateral Control Agent, as the case may be, pursuant to the Intercreditor Agreement, all Pledged Shares, Pledged Interests and all other shares of capital stock, member interests or other ownership interests constituting Collateral, and all securities, security entitlements and securities accounts constituting Collateral, Dividends and Distributions with respect thereto, all Pledged Notes, all interest, principal and other proceeds received by the Third Priority Collateral Agent with respect to the Pledged Notes, all Pledged Note Liens and all other Collateral and other securities, instruments, security entitlements, financial assets, investment property, proceeds, and rights from time to time received by or distributable to a Pledgor in respect of any Collateral.

(g) In the event that any Dividend or Distribution is to be paid on any Pledged Share or any Pledged Interest or any payment of principal or interest is to be made on any Pledged Note at a time when no Event of Default has occurred and is continuing, such Dividend, Distribution or payment may be paid directly to the relevant Grantor. If any Event of Default has occurred and is continuing, then any such Dividend, Distribution or payment shall following the Discharge of First Priority Claims and Discharge of Second Priority Claims be paid directly to the Third Priority Collateral Agent in accordance with Section 12(h).

(h) Following the Discharge of First Priority Claims and Discharge of Second Priority Claims, each Pledgor agrees:

(i) following the occurrence and during the continuance of any Event of Default, promptly upon receipt thereof by any Pledgor and without any request therefor by the Third Priority Collateral Agent, to deliver (properly endorsed where required hereby or requested by the Third Priority Collateral Agent) to the Third Priority Collateral Agent all Dividends, Distributions, all interest, all principal, all other cash payments, and all proceeds of the Collateral, all of which shall be held by the Third Priority Collateral Agent as additional Collateral for use in accordance with Section 13(f); and

(ii) after any Event of Default shall have occurred and be continuing and the Third Priority Collateral Agent has notified the relevant Pledgor of the Third Priority Collateral Agent's intention to exercise its voting power under this clause (ii), (A) the Third Priority Collateral Agent may exercise (to the exclusion of such Pledgor) the voting power and all other incidental rights of ownership with respect to any Pledged Shares, Pledged Interests or other shares of capital stock, member interests or other ownership interests constituting Collateral and EACH PLEDGOR HEREBY GRANTS THE THIRD PRIORITY COLLATERAL AGENT AN IRREVOCABLE PROXY, EXERCISABLE UNDER SUCH CIRCUMSTANCES, TO VOTE THE PLEDGED SHARES, THE PLEDGED INTERESTS AND SUCH OTHER COLLATERAL, WITH SUCH PROXY TO REMAIN VALID UNTIL THE PAYMENT IN FULL IN CASH OF

ALL OBLIGATIONS; and (B) promptly to deliver to the Third Priority Collateral Agent such additional proxies and other documents as may be necessary to allow the Third Priority Collateral Agent to exercise such voting power.

(i) All Dividends, Distributions, interest, principal, cash payments, and proceeds and all rights under the UK Note and the UK Note Related Security which may at any time and from time to time be held by a Pledgor but which such Pledgor is then obligated to deliver to the Third Priority Collateral Agent, shall, until delivery to the Third Priority Collateral Agent, be held by such Pledgor separate and apart from its other property in trust for the Third Priority Collateral Agent. The Third Priority Collateral Agent agrees that unless it has received written notice from the Required Secured Parties that an Event of Default shall have occurred and be continuing and the Third Priority Collateral Agent shall have given the notice referred to in Section 12(h)(ii), such Pledgor shall have the exclusive voting power with respect to any shares of capital stock, member interests or other ownership interest (including any of the Pledged Shares, Pledged Interests or UK Pledged Shares) constituting Collateral and the Third Priority Collateral Agent shall, upon the written request of such Pledgor, promptly deliver (at the Grantors' joint and several expense) such proxies and other documents, if any, as shall be reasonably requested by such Pledgor which are necessary to allow such Pledgor to exercise voting power with respect to any such share of capital stock, member interests or other ownership interests (including any of the Pledged Shares, Pledged Interests or UK Pledged Shares) constituting Collateral; provided, however, that no vote shall be cast, or consent, waiver, or ratification given, or action taken by any Pledgor that could reasonably be expected to be adverse in any material respect to the interests of the Third Priority Collateral Agent and the other Secured Parties or be inconsistent with or violate any provision of the Indenture, any other Notes Document (including this Agreement) or any Pari Passu Third Lien Indebtedness Agreement.

(j) No Pledgor will, without the prior written consent of the Trustee and each Pari Passu Third Lien Indebtedness Agent: (A) enter into any agreement amending, supplementing, or waiving in any material respect any provision of any Pledged Note, any Pledged Note Lien or any UK Pledged Share (including the underlying instrument pursuant to which such Pledged Note, Pledged Note Lien or UK Pledged Share is issued) or compromising or releasing or extending the time for payment of any obligation of the maker thereof, (B) take or omit to take any action the taking or the omission of that would result in any impairment or alteration of any obligation of the maker of Pledged Note, Pledged Note Lien, UK Pledged Share or other instrument constituting Collateral, (C) permit the issuance of (x) any additional equity interests of any Pledged Share Issuer or Pledged Interest Issuer (unless immediately upon such issuance the same are pledged and delivered to the Third Priority Collateral Agent, the Collateral Control Agent, the First Priority Collateral Agent or the Second Priority Collateral Agent pursuant to the terms hereof and the Intercreditor Agreement to the extent necessary to give the Third Priority Collateral Agent a security interest after such issue in at least the same percentage of such Pledgor's outstanding interests as before such issue), (y) any securities or other ownership interests convertible voluntarily by the holder thereof or automatically upon the occurrence or non-occurrence of any event or condition into, or exchangeable for, any such shares or other ownership interests, or (z) any warrants, options, contracts or other commitments entitling any Person to purchase or otherwise acquire any such shares or other ownership interests, or (D) enter into any agreement creating or otherwise permit to exist, any restriction or condition upon the transfer, voting or control of any Pledged Share, Pledged Interest or UK Pledged Share that

could reasonably be deemed to be adverse to the Secured Parties. Each Pledgor shall provide, or cause the relevant Pledged Share Issuer or Pledged Interest Issuer to provide, the Third Priority Collateral Agent, the Trustee and each Pari Passu Third Lien Indebtedness Agent with a copy of any amendment or supplement to, or modification or waiver of, any term or provision of any of the organizational documents of such relevant Pledged Share Issuer or Pledged Interest Issuer; provided that such Pledgor shall not enter into any such amendment, supplement, modification or waiver of the organizational documents of such relevant Pledged Share Issuer or Pledged Interest Issuer which could reasonably be expected to be adverse to the interests of the Secured Parties. The Pledgors covenant and agree that they shall not consent to or permit (1) any Pledged Interest to be dealt with or traded on any securities exchanges or in any securities market or (2) any Pledge Interest Issuer to elect to have its Pledged Interests treated as a "security" under Article 8 of the UCC unless the relevant Pledgors have (I) caused such Pledged Interest to be certificated and (II) delivered all certificates evidencing such Pledged Interest to the Collateral Control Agent, together with duly executed undated blank transfer powers, or other equivalent instruments of transfer.

(k) Each Pledgor shall take such actions such that its Collateral consisting of Pledged Interests and Pledged Shares at all times shall be duly authorized, validly registered, fully paid and non-assessable, and shall not be registered in violation of the organic documents of the Pledgors or the preemptive rights of any Person, if any, or of any agreement by which the Pledgors or any Pledged Share Issuer or Pledged Interest Issuer is bound.

13. Defaults and Events of Default; Remedies.

(a) Each Grantor hereby irrevocably appoints the Third Priority Collateral Agent its attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise, from time to time, upon the occurrence and during the continuation of an Event of Default, to take any action and to execute any instrument which the Third Priority Collateral Agent may request to accomplish the purposes of this Agreement, including (i) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral, (ii) to receive, endorse, and collect any drafts or other Collateral in connection with clause (i) above, (iii) to file any claims or take any action or institute any proceedings which the Third Priority Collateral Agent may request for the collection of any of the Collateral or otherwise to enforce the rights of the Third Priority Collateral Agent and the other Secured Parties with respect to any of the Collateral, and (iv) to perform the affirmative obligations of such Grantor hereunder. **EACH GRANTOR HEREBY ACKNOWLEDGES, CONSENTS AND AGREES THAT THE POWER OF ATTORNEY GRANTED PURSUANT TO THIS SECTION 13 IS IRREVOCABLE AND COUPLED WITH AN INTEREST AND SHALL BE EFFECTIVE UNTIL ALL OBLIGATIONS HAVE BEEN PAID IN FULL IN CASH.**

(b) If an Event of Default shall have occurred and be continuing, in addition to its rights in the foregoing clause (a) and without limiting the generality of such clause, the Third Priority Collateral Agent may exercise from time to time any rights and remedies available to it under the UCC, under any other applicable Requirements of Law and in the clauses (c) through (g) set forth below in this Section 13.

(c) Each Grantor agrees, (i) at the Trustee or any Pari Passu Third Lien Indebtedness Agent's request if a Default has occurred and is continuing, to assemble, at its expense, all its Inventory and other Goods (other than Fixtures) and all records for all Collateral at a convenient place or places acceptable to the Required Secured Parties, and (ii) if an Event of Default has occurred and is continuing, at the Third Priority Collateral Agent's or Required Secured Parties' request, to execute all such documents and do all such other things which may be necessary or desirable in order to enable the Third Priority Collateral Agent or its nominee to be registered as owner of the Intellectual Property with any competent registration authority.

(d) Notice of the intended disposition of any Collateral may be given by first-class mail, hand-delivery (through a delivery service or otherwise), facsimile or E-mail, and shall be deemed to have been "sent" upon deposit in the U.S. mails with adequate postage properly affixed, upon delivery to an express delivery service, upon the electronic submission through telephonic services or, if by facsimile transmission, when sent against mechanical confirmation of successful transmission, as applicable. Each Grantor hereby agrees and acknowledges that: (i) with respect to Collateral that is (A) perishable or threatens to decline speedily in value or (B) is of a type customarily sold on a recognized market, no notice of disposition need be given; and (ii) with respect to Collateral not described in clause (i) above, notification sent after default and at least ten days before any proposed disposition provides notice within a reasonable time before disposition.

(e) Each Grantor hereby agrees and acknowledges that a commercially reasonable disposition of Inventory, Equipment, Computer Hardware and Software, or Intellectual Property may be by lease or license of, in addition to the sale of, such Collateral. Each Grantor further agrees and acknowledges that a disposition (i) made in the usual manner on any recognized market, (ii) at the price current in any recognized market at the time of disposition or (iii) in conformity with reasonable commercial practices among dealers in the type of property subject to the disposition shall, in each case, be deemed commercially reasonable.

(f) Any cash proceeds of any disposition by the Third Priority Collateral Agent of any of the Collateral shall be applied by the Third Priority Collateral Agent first to payment of the Third Priority Collateral Agent's and Collateral Control Agent's fees and expenses in connection with the Collateral, including, without limitation, attorneys' fees and legal expenses, second without duplication of amounts applied pursuant to clause first above, to the indefeasible payment in full in cash, pro rata, based on the amount of Obligations outstanding under the Indenture and each Pari Passu Third Lien Indebtedness Agreement and then due and owing to (i) the Trustee to be applied as provided in the Indenture, and (ii) each Pari Passu Third Lien Indebtedness Agent to be applied as provided in the applicable Pari Passu Third Lien Indebtedness Agreement; and, the balance, if any, to such Grantor or as otherwise directed by a court of competent jurisdiction. Neither the Third Priority Collateral Agent nor any other Secured Party need apply or pay over for application noncash proceeds of collection and enforcement unless (i) the failure to do so would be commercially unreasonable and (ii) the applicable Grantor has provided the Third Priority Collateral Agent, the Trustee and each Pari Passu Third Lien Indebtedness Agent with a written demand to apply or pay over such noncash proceeds on such basis. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the Third Priority Collateral Agent arising out of the exercise by the Third Priority Collateral Agent of any rights hereunder.

(g) [Reserved].

(h) If any Event of Default has occurred and is continuing, the Third Priority Collateral Agent may exercise in respect of the Collateral, in addition to other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the UCC (whether or not the UCC applies to the affected Collateral) and also may, without notice except as specified below (or, if notice cannot be waived under the UCC, as required to be provided by the UCC) sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Third Priority Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and upon such other terms as the Third Priority Collateral Agent may deem commercially reasonable. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten (10) days' prior notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Third Priority Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Third Priority Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(i) If any Event of Default has occurred and is continuing, the Third Priority Collateral Agent may transfer all or any part of the Collateral into the name of the Third Priority Collateral Agent or its nominee, with or without disclosing that such Collateral is subject to the lien and security interest hereunder, notify the parties obligated on any of the Collateral to make payment to the Third Priority Collateral Agent of any amount due or to become due thereunder, enforce collection of any of the Collateral by suit or otherwise, and surrender, release or exchange all or any part thereof, or compromise or extend or renew for any period (whether or not longer than the original period) any obligations of any nature of any party with respect thereto, endorse any checks, drafts, or other writings in any Grantor's name to allow collection of the Collateral, take control of any proceeds of the Collateral, and execute (in the name, place and stead of each Grantor) endorsements, assignments, transfer powers and other instruments of conveyance or transfer with respect to all or any of the Collateral.

(j) Each Grantor agrees that in any sale of any of the Collateral whenever an Event of Default shall have occurred and be continuing, the Third Priority Collateral Agent is hereby authorized to comply with any limitation or restriction in connection with such sale as it may be advised by counsel is necessary in order to avoid any violation of applicable Requirements of Law (including compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that such prospective bidders and purchasers have certain qualifications, and restrict such prospective bidders and purchasers to persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of such Collateral), or in order to obtain any required approval of the sale or of the purchaser by any governmental regulatory authority or official, and each Grantor further agrees that such compliance shall not result in such sale being considered or deemed not to have been made in a commercially reasonable manner, nor shall the Third Priority Collateral Agent be liable nor accountable to the Grantors for any discount allowed by the reason of the fact that such Collateral is sold in compliance with any such limitation or restriction. The Third Priority Collateral Agent may sell the Collateral without giving any warranties or representations

as to the Collateral. The Third Priority Collateral Agent may disclaim any warranties of title or the like. This procedure will not be considered to adversely affect the commercial reasonableness of any sale of the Collateral.

14. Limitation on Duty in Respect of Collateral. Beyond the exercise of reasonable care in the custody and preservation thereof, neither the Third Priority Collateral Agent nor any other Secured Party will have any duty as to any Collateral in its possession or control or in the possession or control of any sub-agent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Third Priority Collateral Agent will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession or control if such Collateral is accorded treatment substantially equal to that which it accords similar property held for third parties, and will not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by reason of any act or omission of any sub-agent or bailee selected by the Third Priority Collateral Agent in good faith or by reason of any act or omission by the Third Priority Collateral Agent pursuant to instructions from the Trustee, except to the extent that such liability arises from the Third Priority Collateral Agent's gross negligence or willful misconduct.

To the extent that applicable law imposes duties on the Third Priority Collateral Agent to exercise remedies in a commercially reasonable manner, each Grantor acknowledges and agrees that it is commercially reasonable for the Third Priority Collateral Agent (a) to fail to incur expenses reasonably deemed significant by the Required Secured Parties or to prepare Collateral for disposition or otherwise to complete raw material or work-in-process into finished goods or other finished products for disposition, (b) to fail to obtain third party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third party consents for the collection or disposition of Collateral to be collected or disposed of, (c) to fail to exercise collection remedies against Account Debtors or other Persons obligated on Collateral or to remove liens or encumbrances on or any adverse claims against Collateral, (d) to exercise collection remedies against Account Debtors and other Persons obligated on Collateral directly or through the use of collection agencies and other collection specialists, (e) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other Persons, whether or not in the same business as the Grantors, for expressions of interest in acquiring all or any portion of the Collateral, (g) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the collateral is of a specialized nature, (h) to dispose of Collateral by utilizing Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets, (i) to dispose of assets in wholesale rather than retail markets, (j) to disclaim disposition warranties, including, without limitation, any warranties of title, (k) to purchase insurance or credit enhancements to insure the Third Priority Collateral Agent against risks of loss, collection or disposition of Collateral, or to provide to the Third Priority Collateral Agent a guaranteed return from the collection or disposition of Collateral or (l) to obtain the services of brokers, investment bankers, consultants and other professionals to assist the Third Priority Collateral Agent in the collection or disposition of any of the Collateral. Each Grantor acknowledges that the purpose of this Section is to provide non-exhaustive indications of what actions or omissions by the Third Priority Collateral Agent would not be commercially unreasonable in the Third Priority Collateral Agent's exercise of remedies against the Collateral

and that other actions or omissions by the Third Priority Collateral Agent shall not be deemed commercially unreasonable solely on account of not being specifically referred to in this Section. Without limitation upon the foregoing, nothing contained in this Section shall be construed to grant any right to a Grantor or to impose any duties on the Third Priority Collateral Agent that would not have been granted or imposed by this Agreement or by applicable Requirements of Law in the absence of this Section.

15. Special Provisions Relating to the Third Priority Collateral Agent. The following provisions shall govern the Third Priority Collateral Agent's rights, powers, obligations and duties under this Agreement, notwithstanding anything herein to the contrary:

(a) The Third Priority Collateral Agent shall have no duty to act, consent or request any action of the Grantors or any other Person in connection with this Amended and Restated Third Priority Pledge and Security Agreement and Irrevocable Proxy (including all schedules and exhibits attached hereto) unless the Third Priority Collateral Agent shall have received written direction from the Trustee and/or other Pari Passu Third Lien Indebtedness Agents, in each case, acting on behalf of the Required Secured Parties.

(b) All indemnities to be paid under this Agreement shall be payable immediately when due in U.S. dollars ("Dollars") in the full amount due, without deduction for any variation in any Rate of Exchange (as defined below). The Grantors hereby agree to jointly and severally indemnify the Third Priority Collateral Agent against any losses, damages, penalties, costs, expenses or disbursements of any kind or nature whatsoever, including, without limitation, attorney's fees and expenses, incurred by the Third Priority Collateral Agent as a result of any judgment or order being given or made for the amount due hereunder and such judgment or order being expressed and paid in a currency (the "Judgment Currency") other than Dollars and as a result of any variation as between (i) the rate of exchange at which the dollar amount is converted into Judgment Currency for the purpose of such judgment or order, and (ii) the Rate of Exchange at which the Third Priority Collateral Agent is then able to purchase Dollars with the amount of the Judgment Currency actually received by the Third Priority Collateral Agent. The indemnity set forth in this paragraph shall constitute a separate and independent obligation of the Grantors and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "Rate of Exchange" means the rate at which the Third Priority Collateral Agent is able to purchase Dollars with the Judgment Currency on the foreign exchange market on the relevant date and shall include any premiums and other reasonable costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency. The indemnification set forth in this Section 15 shall survive the termination or assignment of this Amended and Restated Third Priority Pledge and Security Agreement and Irrevocable Proxy and the resignation or removal of the Third Priority Collateral Agent.

(c) For the avoidance of doubt, if there is any inconsistency between the terms of this Amended and Restated Third Priority Pledge and Security Agreement and Irrevocable Proxy and those of the Intercreditor Agreement, the terms of the Intercreditor Agreement shall prevail.

(d) Each of the Trustee, the Holders, each Pari Passu Third Lien Indebtedness Agent and each holder of Pari Passu Third Lien Indebtedness hereby designate and appoint Wells Fargo Bank, N.A. to act as the Third Priority Collateral Agent under this Agreement, the other Notes

Documents and any Pari Passu Third Lien Indebtedness Agreement to which it is a party, and hereby authorize the Third Priority Collateral Agent to take such actions on its behalf under the provisions of this Agreement, such other Notes Documents and each Pari Passu Third Lien Indebtedness Agreement and to exercise such powers and perform such duties as are expressly delegated to the Third Priority Collateral Agent by the terms of this Agreement, such other Notes Documents and each Pari Passu Third Lien Indebtedness Agreement. Notwithstanding any provision to the contrary elsewhere in this Agreement, any other Notes Document or any such Pari Passu Third Lien Indebtedness Agreement, the Third Priority Collateral Agent shall not have any duties or responsibilities, except those expressly set forth in this Agreement, such other Notes Documents and each such Pari Passu Third Lien Indebtedness Agreement or any fiduciary relationship with the Secured Parties, and no implied covenants, functions or responsibilities shall be read into this Agreement or otherwise exist against the Third Priority Collateral Agent.

(e) The trustee agrees to render to the Third Priority Collateral Agent, at any time upon request of the Third Priority Collateral Agent, an accounting of the amounts of the Obligations owing to the Holders and such other information with respect to the Obligations owing to each such Person as the Third Priority Collateral Agent may reasonably request in order to give effect to the terms and conditions of this Agreement. In the event that the Trustee fails to provide any information required to be provided by it to the Third Priority Collateral Agent, then the Third Priority Collateral Agent may (but shall not be obligated to) (i) take such actions as are required to be taken by it based on the most recent information available to it or (ii) in the case of any distributions to be made pursuant to the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement, hold the Holders' share or purported share in escrow (without obligation to pay interest thereon) until the Trustee provides the required information.

(f) Notwithstanding anything herein to the contrary, in no event shall the Third Priority Collateral Agent have any obligation to inquire or investigate as to the correctness, veracity, or content of any instruction received from the Trustee or any Pari Passu Third Lien Indebtedness Agent on behalf of the Required Secured Parties. In no event shall the Third Priority Collateral Agent have any liability in respect of any such instruction received by it and relied on with respect to any action or omission taken pursuant thereto.

(g) The Third Priority Collateral Agent may execute any of its duties under this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement by or through agents, experts or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Third Priority Collateral Agent shall not be responsible for the negligence or misconduct of any agents, experts or attorneys-in-fact selected by it in good faith.

(h) Neither the Third Priority Collateral Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement (except for its gross negligence or willful misconduct), or (ii) responsible in any manner to any Secured Party for any recitals, statements, representations or warranties (other than its own recitals, statements, representations or warranties) made in this Agreement, any of the Notes Documents or Pari Passu Third Lien Indebtedness Agreement or in any certificate, report, statement or other

document referred to or provided for in, or received by the Third Priority Collateral Agent under or in connection with, this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement or for any failure of the Grantors or any other Person to perform their obligations hereunder and thereunder. The Third Priority Collateral Agent shall not be under any obligation to any Secured Party or any other Person to ascertain or to inquire as to (i) the observance or performance of any of the agreements contained in, or conditions of, this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement or to inspect the properties, books or records of the Grantors, (ii) whether or not any representation or warranty made by any Person in connection with this Agreement, any Notes Document or any Pari Passu Third Lien Indebtedness Agreement is true, (iii) the performance by any Person of its obligations under this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement or (iv) the breach of or default by any Person of its obligations under this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement.

(i) The Third Priority Collateral Agent shall not be bound to (i) account to any Person for any sum or the profit element of any sum received for its own account; (ii) disclose to any other Person any information relating to the Person if such disclosure would, or might, constitute a breach of any law or regulation or be otherwise actionable at the suit of any Person; (iii) be under any fiduciary duties or obligations other than those for which express provision is made in this Agreement, in any of the Notes Documents or in any Pari Passu Third Lien Indebtedness Agreement to which it is a party; or (iv) be required to take any action that it believes, based on advice of counsel, is in conflict with any applicable law, this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement, or any order of any court or administrative agency.

(j) Beyond the exercise of reasonable care in the custody thereof and except as otherwise specifically stated in this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement, the Third Priority Collateral Agent shall have no duty as to any of the Collateral in its possession or control or in the possession or control of any agent or bailee or as to preservation of rights against prior parties or any other rights pertaining thereto.

(k) The Third Priority Collateral Agent shall be authorized to but shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or monitoring or maintaining the perfection of any security interest in the Collateral. It is expressly agreed, to the maximum extent permitted by applicable law, that the Third Priority Collateral Agent shall have no responsibility for (i) taking any necessary steps to preserve rights against any Person with respect to any Collateral or (ii) taking any action to protect against any diminution in value of the Collateral, but, in each case (A) subject to the requirement that the Third Priority Collateral Agent may not act or omit to take any action if such act or omission would constitute gross negligence, bad faith or willful misconduct and (B) the Third Priority Collateral Agent may do so and all expenses reasonably incurred in connection therewith shall be part of the Obligations.

(l) The Third Priority Collateral Agent shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Third Priority Collateral Agent in good faith, except to the extent of the Third Priority Collateral Agent's gross negligence, bad faith or willful misconduct.

(m) The Third Priority Collateral Agent shall not be responsible for, nor incur any liability with respect to, (i) the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the security interest in any of the Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part under this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Third Priority Collateral Agent, (ii) the validity or sufficiency of the Collateral or any agreement or assignment contained therein, (iii) the validity of the title of the Grantors to the Collateral, (iv) insuring the Collateral or (v) the payment of taxes, charges or assessments upon the Collateral or otherwise as to the maintenance of the Collateral.

(n) Notwithstanding anything in this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement to the contrary, (i) in no event shall the Third Priority Collateral Agent or any officer, director, employee, representative or agent of the Third Priority Collateral Agent be liable under or in connection with this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits or loss of opportunity, whether or not foreseeable, even if the Third Priority Collateral Agent has been advised of the possibility thereof and regardless of the form of action in which such damages are sought; and (ii) the Third Priority Collateral Agent shall be afforded all of the rights, powers, immunities and indemnities set forth in this Agreement in all of the Notes Documents and each Pari Passu Third Lien Indebtedness Agreement to which it is a signatory as if such rights, powers, immunities and indemnities were specifically set out in each such Notes Document or Pari Passu Third Lien Indebtedness Agreement, as applicable. In no event shall the Third Priority Collateral Agent be obligated to invest any amounts received by it hereunder.

(o) The Third Priority Collateral Agent shall be entitled conclusively to rely, and shall be fully protected in relying, upon any note, writing, resolution, request, direction, certificate, notice, consent, affidavit, letter, cablegram, telegram, telecopy, email, telex or teletype message, statement, order or other document or conversation believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and/or upon advice and/or statements of legal counsel, independent accountants and other experts selected by the Third Priority Collateral Agent and need not investigate any fact or matter stated in any such document. Any such statement of legal counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in accordance therewith. Any statement or advice of counsel may be based, insofar as it relates to factual matters, upon a certificate of an officer of the Trustee. In connection with any request or direction of the Trustee, the Third Priority Collateral Agent shall be entitled conclusively to rely, and shall be fully protected in relying, upon any instruction delivered by the Trustee. The

Third Priority Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement (i) if such action would, in the reasonable opinion of the Third Priority Collateral Agent (which may be based on the opinion of legal counsel), be contrary to applicable law, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement, (ii) if such action is not specifically provided for in this Agreement or any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement, (iii) if, in connection with the taking of any such action hereunder or under any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement that would constitute an exercise of remedies hereunder, under any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement it shall not first be indemnified to its satisfaction by the Trustee and/or Holders against any and all risk of nonpayment, liability and expense that may be incurred by it, its agents or its counsel by reason of taking or continuing to take any such action, or (iv) if, notwithstanding anything to the contrary contained in this Agreement, in connection with the taking of any such action that would constitute a payment due under any agreement or document, it shall not first have received from the Trustee and/or Holders or the Grantors funds equal to the amount payable. The Third Priority Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement in accordance with a request of the Trustee, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the other Secured Parties.

(p) If, with respect to a proposed action to be taken by it, a Third Priority Collateral Agent shall determine in good faith that the provisions of this Agreement, any other Notes Document or any Pari Passu Third Lien Indebtedness Agreement relating to the functions or responsibilities or discretionary powers of the Third Priority Collateral Agent are or may be ambiguous or inconsistent, the Third Priority Collateral Agent shall notify the Trustee and each Pari Passu Third Lien Indebtedness Agent, identifying the proposed action, and may decline either to perform such function or responsibility or to take the action requested unless it has received the written confirmation of the Trustee and each Pari Passu Third Lien Indebtedness Agent that the action proposed to be taken by the Third Priority Collateral Agent is consistent with the terms of this Agreement, the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement or is otherwise appropriate. The Third Priority Collateral Agent shall be fully protected in acting or refraining from acting upon the confirmation of the Trustee or any Pari Passu Third Lien Indebtedness Agent on behalf of the Required Secured Parties, in this respect, and such confirmation shall be binding upon the Secured Parties.

(q) The Third Priority Collateral Agent shall not be deemed to have actual, constructive, direct or indirect knowledge or notice of the occurrence of any Default unless and until the Third Priority Collateral Agent has received a written notice or a certificate from the Trustee, any Pari Passu Third Lien Indebtedness Agent or the Grantors stating that a Default has occurred. The Third Priority Collateral Agent shall have no obligation whatsoever either prior to or after receiving such notice or certificate to inquire whether a Default has in fact occurred and shall be entitled to rely conclusively, and shall be fully protected in so relying, on any notice or certificate so furnished to it. No provision of this Agreement, the Intercreditor Agreement or any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement shall require the Third Priority Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under this Agreement, any of the Notes

Documents, under any Pari Passu Third Lien Indebtedness Agreement or the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability including an advance of moneys necessary to perform work or to take the action requested is not reasonably assured to it, the Third Priority Collateral Agent may decline to act unless it receives indemnity satisfactory to it in its sole discretion, including an advance of moneys necessary to take the action requested. The Third Priority Collateral Agent shall be under no obligation or duty to take any action under this Agreement, any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement or otherwise if taking such action (i) would subject the Third Priority Collateral Agent to a tax in any jurisdiction where it is not then subject to a tax or (ii) would require the Third Priority Collateral Agent to qualify to do business in any jurisdiction where it is not then so qualified.

(r) Notwithstanding that the Third Priority Collateral Agent is appointed by and acting for and at the direction of the Secured Parties, the Grantors will jointly and severally pay upon demand to the Third Priority Collateral Agent the amount of any and all reasonable fees (including any as set forth in one or more separate fee letters of the Third Priority Collateral Agent) and out-of-pocket expenses, including the reasonable fees and expenses of its counsel, that the Third Priority Collateral Agent may incur in connection with (i) the negotiation, performance or administration of this Agreement, the Notes Documents and each Pari Passu Third Lien Indebtedness Agreement to which it is a party, (ii) the custody or preservation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise or enforcement (whether through negotiations, legal proceedings or otherwise) of any of the rights of the Third Priority Collateral Agent or the other Secured Parties hereunder, under the Notes Documents or under any Pari Passu Third Lien Indebtedness Agreement or (iv) the failure by the Grantors to perform or observe any of the provisions hereof or of any of the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement. The provisions of this section shall survive the termination of this Agreement and resignation or removal of the Third Priority Collateral Agent. The expenses of the Third Priority Collateral Agent incurred in connection with actions undertaken as provided in this Section 15 shall be payable jointly and severally by the Grantors to the Third Priority Collateral Agent upon demand therefor (which demand shall be accompanied by an appropriate invoice).

(s) Each of the Secured Parties expressly acknowledges that neither the Third Priority Collateral Agent nor any of its officers, directors, employees, agents or attorneys-in-fact has made any representations or warranties to it (except as expressly provided herein) and that no act by the Third Priority Collateral Agent hereafter taken, including any review of the Grantors, shall be deemed to constitute any representation or warranty by the Third Priority Collateral Agent to any Secured Party. The Trustee and the Holders represent to the Third Priority Collateral Agent that it has, independently and without reliance upon the Third Priority Collateral Agent or any other Secured Party, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Grantors. The Trustee and the Holders also represent that each will, independently and without reliance upon the Third Priority Collateral Agent or any other Secured Party, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems

necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Grantors. Except for notices, reports and other documents expressly required to be furnished to the Secured Parties by the Third Priority Collateral Agent hereunder, the Third Priority Collateral Agent shall not have any duty or responsibility to provide any Secured Party with any credit or other information concerning the business, operations, property, financial and other condition or creditworthiness of the Grantors which may come into the possession of the Third Priority Collateral Agent or any of its officers, directors, employees, agents or attorneys-in-fact.

(t) The Grantors, jointly and severally, agree to indemnify each of the Third Priority Collateral Agent and its officers, directors, employees, agents or attorneys-in-fact (collectively, the "Indemnified Parties") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, without limitation, attorneys' fees and expenses) or disbursements of any kind whatsoever which may at any time be imposed on, incurred by or asserted against any Indemnified Party in any way relating to or arising out of this Agreement, the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement; provided that the Grantors shall not be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent that any of the foregoing result from any such Indemnified Party's gross negligence or willful misconduct as determined by a court of competent jurisdiction beyond all applicable appeals.

(u) Subject to clause (bb) below, neither the Third Priority Collateral Agent, any Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Grantors or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. Subject to clause (bb) below, the powers conferred on the Third Priority Collateral Agent hereunder are solely to protect the Third Priority Collateral Agent's and the Secured Parties' interests in the Collateral and shall not impose any duty upon the Third Priority Collateral Agent to exercise any such powers. The Third Priority Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to the Grantors for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

(v) Pursuant to any applicable law, the Grantors authorize the Third Priority Collateral Agent without obligation to file or record financing statements and other filing or recording documents or instruments with respect to the Collateral without the signatures of the Grantors in such form and in such offices as the Trustee or any Pari Passu Third Lien Indebtedness Agent determines appropriate to perfect the security interests of the Third Priority Collateral Agent under this Agreement. The Grantors hereby ratify and authorize the filing by the Third Priority Collateral Agent of any financing statement with respect to the Collateral made prior to the date hereof. Notwithstanding the foregoing or anything else to the contrary contained in this Agreement, in no event shall the Third Priority Collateral Agent have any duty or obligation to monitor the perfection, continuation of perfection or the sufficiency or validity of

any security interest in or related to the Collateral or to prepare or file any Uniform Commercial Code financing statement or continuation statement.

(w) The Grantors acknowledge that the rights and responsibilities of the Third Priority Collateral Agent under this Agreement with respect to any action taken by the Third Priority Collateral Agent or the exercise or non-exercise by the Third Priority Collateral Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Third Priority Collateral Agent and the Secured Parties, be governed by such agreements with respect thereto as may exist from time to time among them, but, as between the Third Priority Collateral Agent and the Grantors, the Third Priority Collateral Agent shall be conclusively presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and the Grantors shall not be under any obligation, or entitlement, to make any inquiry respecting such authority.

(x) Any corporation into which the Third Priority Collateral Agent may be merged, or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Third Priority Collateral Agent shall be a party, shall become a Third Priority Collateral Agent under this Agreement without the execution or filing of any paper or any further act on the part of the parties hereto.

(y) The Third Priority Collateral Agent may resign as Third Priority Collateral Agent at any time upon written notice to the Trustee, each Pari Passu Third Lien Indebtedness Agent and the Grantors and may be removed at any time with or without cause by the Trustee and/or any Pari Passu Third Lien Indebtedness Agent in each case acting on behalf of the Required Secured Parties, with any such resignation or removal to become effective only upon the appointment of a successor Third Priority Collateral Agent under this Section. If the Third Priority Collateral Agent shall provide notice of its resignation or be removed as Third Priority Collateral Agent, then the Required Secured Parties (and if no such successor shall have been appointed within 45 days of the Third Priority Collateral Agent's resignation or removal, the Third Priority Collateral Agent may) appoint a successor agent for the Secured Parties, which successor agent shall, in the case of any appointment by the Third Priority Collateral Agent, be reasonably acceptable to the Trustee and/or any Pari Passu Third Lien Indebtedness Agent in each case acting on behalf of the Required Secured Parties, and the former Third Priority Collateral Agent's rights, powers and duties as Third Priority Collateral Agent shall be terminated, without any other or further act or deed on the part of such former Third Priority Collateral Agent (except that the resigning Third Priority Collateral Agent at the joint and several expense of the Grantors shall deliver all Collateral then in its possession to the successor Third Priority Collateral Agent and shall execute and deliver to the successor Third Priority Collateral Agent such instruments of assignment and transfer and other similar documents as such successor Third Priority Collateral Agent shall deem necessary or advisable) or any of the Secured Parties. After any retiring Third Priority Collateral Agent's resignation or removal hereunder as Third Priority Collateral Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Third Priority Collateral Agent. In the event that a successor Third Priority Collateral Agent is not appointed within the time period specified in this Section 15 following the provision of a notice of resignation or removal of the Third Priority Collateral Agent, the Third Priority Collateral Agent or any

Secured Party may petition a court of competent jurisdiction for the appointment of a successor Third Priority Collateral Agent (at the joint and several expense of the Grantors).

(z) The Third Priority Collateral Agent shall maintain accurate and complete accounts, books, records and computer systems with respect to all matters related directly to the administration of the Collateral, in each case consistent with the customary procedures of the Third Priority Collateral Agent.

(aa) The Third Priority Collateral Agent shall at the Grantors' joint and several expense make available to the Trustee, each Pari Passu Third Lien Indebtedness Agent and their duly authorized representatives, attorneys and auditors, the files and accounts, books, records and computer systems maintained by the Third Priority Collateral Agent or any subcontractor or agent thereof in respect of the Collateral at the locations where such files, accounts, books, records and computer systems are maintained pursuant to this Agreement and the other Notes Documents and any Pari Passu Third Lien Indebtedness Agreement, during normal business hours and subject to reasonable prior written notice.

(bb) Upon receipt of indemnity requested by the Third Priority Collateral Agent and assuming the requested action does not conflict with other clauses of this Section 15, the Third Priority Collateral Agent shall act upon the specific instructions of the Trustee or any Pari Passu Third Lien Indebtedness Agent on behalf of the Required Secured Parties, except for any instructions that in the good faith judgment of the Third Priority Collateral Agent may be contrary to any Security Document or applicable law.

For the sake of clarity, the parties intend that the term "Notes Documents" includes all English Security Documents and Account Control Agreements (as defined in the Senior Secured Credit Facility as in effect on the Issue Date).

16. Special Provisions Relating to the Collateral Control Agent. The Collateral Control Agent shall be entitled to all of the same rights, protections, immunities and indemnities under this Agreement as are afforded to it under the Intercreditor Agreement, as if fully set forth herein.

17. General.

For the avoidance of doubt, only the Trustee or any Pari Passu Third Lien Indebtedness Agent on behalf of the Required Secured Parties are entitled to direct the Collateral Control Agent to act, consent or request any action in connection with this Agreement.

With respect to each Subsidiary that becomes a Guarantor pursuant to Section 4.17 of the Indenture or as otherwise required by the Notes Documents or any Pari Passu Third Lien Indebtedness Agreement, the Grantors shall and at the option of the relevant Grantor, with respect to any Subsidiary that is not a Grantor, a Grantor may, cause such Subsidiary to become a Grantor hereunder, and such Subsidiary shall execute and deliver to the Third Priority Collateral Agent (with a copy to the Trustee, each Pari Passu Third Lien Indebtedness Agent and the Collateral Control Agent) a joinder agreement substantially in the form of Attachment II (each a "Joinder Agreement") and such Subsidiary shall thereafter for all purposes be a party hereto and have the same rights and obligations as a Grantor party hereto on the Issue Date.

Each Grantor agrees that a carbon, photographic or other reproduction of this Agreement is sufficient as a financing statement. The Grantors hereby ratify their authorization contained in Section 11(a) for the Third Priority Collateral Agent to have filed in any Uniform Commercial Code jurisdiction prior to the date hereof any financing statement or amendment thereto filed prior to the date hereof.

All notices hereunder shall be in writing (including facsimile transmission) and shall be sent, in the case of any Grantor, to the address of such Grantor shown in Schedule I hereto and, in the case of the Third Priority Collateral Agent, at its address set forth beneath its signature page hereto, or to such other address as such party may, by written notice received by the other parties, have designated as its address for such purpose. Notices sent by facsimile transmission or e-mail shall be deemed to have been given when sent against mechanical confirmation of successful transmission; notices sent by mail shall be deemed to have been given three Business Days after the date when sent by registered or certified mail, postage prepaid; and notices sent by hand delivery or overnight courier shall be deemed to have been given when received.

Each of the Grantors agrees to pay, jointly and severally, all fees and expenses, including attorneys' fees paid or incurred by the Third Priority Collateral Agent, the Trustee or any Pari Passu Third Lien Indebtedness Agent in endeavoring to collect all or any portion of the Obligations, or any part thereof, and in enforcing this Agreement against such Grantor, and all such fees and expenses shall constitute Obligations.

No delay on the part of the Third Priority Collateral Agent in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the Third Priority Collateral Agent of any right or remedy shall preclude other or further exercise thereof or the exercise of any other right or remedy.

This Agreement shall remain in full force and effect until both (i) occurrence of the earlier of (a) the discharge of the Indenture pursuant to Article XI thereof and (b) the satisfaction of the conditions in Article XIII of the Indenture with respect to a Legal Defeasance or Covenant Defeasance of the Indenture and (ii) in the case of each Pari Passu Third Lien Indebtedness Agreement, the repayment of the Pari Passu Third Lien Indebtedness under such agreement which entitles the Grantors to obtain a release of the Liens securing such Pari Passu Third Lien Indebtedness under the Security Documents. If at any time all or any part of any payment theretofore applied by the Third Priority Collateral Agent or any Secured Party to any of the Obligations is or must be rescinded or returned by the Third Priority Collateral Agent or such Secured Party for any reason whatsoever (including, without limitation, the insolvency, bankruptcy or reorganization of any Grantor), such Obligations shall, for the purposes of this Agreement, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Third Priority Collateral Agent or such Secured Party, and this Agreement shall continue to be effective or be reinstated, as the case may be, as to such Obligations, all as though such application by the Third Priority Collateral Agent or such Secured Party had not been made.

Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Requirements of Law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be

ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Consistent with the foregoing, and notwithstanding any other provision of this Agreement to the contrary, in the event that any action or proceeding is brought in whatever form and in whatever forum seeking to invalidate any Grantor's obligations under this Agreement under any fraudulent conveyance, fraudulent transfer theory, or similar avoidance theory, whether under state or federal law, such Grantor (the "Affected Person"), automatically and without any further action being required of such Affected Person or any Secured Party, shall be liable under this Agreement only for an amount equal to the maximum amount of liability that could have been incurred under applicable law by such Affected Person under any pledge to secure the Obligations (or any portion thereof) at the time of the execution and delivery of this Agreement (or, if such date is determined not to be the appropriate date for determining the enforceability of such Affected Person's obligations hereunder for fraudulent conveyance or transfer (or similar avoidance) purposes, on the date determined to be so appropriate) without rendering such a hypothetical pledge voidable under applicable Requirements of Law relating to fraudulent conveyance, fraudulent transfer, or any other grounds for avoidance (such highest amount determined hereunder being any such Affected Person's "Maximum Amount"), and not for any greater amount, as if the stated amount of this Pledge Agreement as to such Affected Person had instead been the Maximum Amount. This paragraph is intended solely to preserve the rights of Secured Parties under this Agreement to the maximum extent not subject to avoidance under applicable Requirements of Law, and neither any Affected Person nor any other person or entity shall have any right or claim under this Section with respect to the limitation described in this Agreement, except to the extent necessary so that the obligations of any Affected Person under this Agreement shall not be rendered voidable under applicable Requirements of Law. Without limiting the generality of the foregoing, the determination of a Maximum Amount for any Affected Person pursuant to the provisions of the second preceding sentence of this Section shall not in any manner reduce or otherwise affect the obligations of any other Grantor (including any other Affected Person) under the provisions of this Agreement.

This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until both (1) the occurrence of the earlier of (a) the discharge of the Indenture pursuant to Article XI thereof and (b) the satisfaction of the conditions in Article XIII of the Indenture with respect to a Legal Defeasance or Covenant Defeasance of the Indenture and (2) in the case of each Pari Passu Third Lien Indebtedness Agreement, the repayment of the Pari Passu Third Lien Indebtedness under such agreement which entitles the Grantors to obtain a release of the Liens securing such Pari Passu Third Lien Indebtedness under the Security Documents, (b) be binding upon each Grantor and its successors, transferees and assigns, and (c) inure, together with the rights and remedies of the Third Priority Collateral Agent hereunder, to the benefit of the Third Priority Collateral Agent and each other Secured Party and its respective successors, transferees and assigns. No Grantor may assign (unless otherwise permitted under the terms of the Notes Documents and any extant Pari Passu Third Lien Indebtedness Agreement) any of its obligations hereunder without the prior written consent of the Trustee and each Pari Passu Third Lien Indebtedness Agent.

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement. At any

time after the date of this Agreement, one or more additional Persons may become parties hereto by executing and delivering to the Third Priority Collateral Agent a counterpart of this Agreement together with supplements to the Schedules hereto setting forth all relevant information with respect to such party as of the date of such delivery. Immediately upon such execution and delivery (and without any further action), each such additional Person will become a party to, and will be bound by all the terms of, this Agreement.

THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES (BUT WITH REFERENCE TO SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW, WHICH BY ITS TERMS APPLIES TO THIS AGREEMENT).

EACH PARTY HEREBY REPRESENTS AND WARRANTS THAT IT HAS NO RIGHT TO IMMUNITY FROM THE SERVICE OF PROCESS OR JURISDICTION OR ANY JUDICIAL PROCEEDINGS OF ANY COMPETENT COURT OR FROM EXECUTION OF ANY JUDGMENT OR FROM THE EXECUTION OR ENFORCEMENT THEREIN OF ANY ARBITRATION DECISION IN RESPECT OF ANY SUIT, ACTION, PROCEEDING OR ANY OTHER MATTER ARISING OUT OF OR RELATING TO ITS OBLIGATIONS UNDER THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, AND TO THE EXTENT THAT ANY PARTY IS OR BECOMES ENTITLED TO ANY SUCH IMMUNITY WITH RESPECT TO THE SERVICE OF PROCESS OR JURISDICTION OR ANY JUDICIAL PROCEEDINGS OF ANY COMPETENT COURT, AND TO THE EXTENT PERMITTED BY LAW, IT DOES HEREBY AND WILL IRREVOCABLY AND UNCONDITIONALLY AGREE NOT TO PLEAD OR CLAIM ANY SUCH IMMUNITY WITH RESPECT TO ITS OBLIGATIONS OR ANY OTHER MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

EACH PARTY HERETO HEREBY IRREVOCABLY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK LOCATED IN THE BOROUGH OF MANHATTAN OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH SUCH LITIGATION. EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH PARTY HERETO HEREBY CONSENTS TO PROCESS BEING SERVED IN ANY SUIT, ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT, OR ANY DOCUMENT DELIVERED PURSUANT HERETO BY THE MAILING OF A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, RETURN RECEIPT

REQUESTED, TO ITS RESPECTIVE ADDRESS SPECIFIED AT THE TIME FOR NOTICES UNDER THIS AGREEMENT OR TO ANY OTHER ADDRESS OF WHICH IT SHALL HAVE GIVEN WRITTEN OR ELECTRONIC NOTICE TO THE OTHER PARTIES. THE FOREGOING SHALL NOT LIMIT THE ABILITY OF ANY PARTY HERETO TO BRING SUIT IN THE COURTS OF ANY JURISDICTION.

EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.

The terms of this Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto, the holders of Obligations and their respective successors and permitted assignees; provided that the Trustee shall enforce this Agreement on behalf of all holders of Obligations.

This Agreement is a Notes Documents and a Third Priority Security Document (as defined in the Intercreditor Agreement) and may only be amended, waived or otherwise modified by written agreement with the prior written consent of the Grantors, the Trustee, each Pari Passu Third Lien Indebtedness Agent and the Third Priority Collateral Agent subject to the provisions of Article IX of the Indenture and the requirements of any Pari Passu Third Lien Indebtedness Agreement; provided, however, that this Agreement may be supplemented by Joinder Agreements duly executed by the Third Priority Collateral Agent, the Collateral Control Agent, the Trustee and each Grantor directly affected thereby and by updates or supplements to any Schedules, Attachments or Annexes hereto delivered in accordance with this Agreement.

18. Amendment and Restatement. This Agreement amends and restates in its entirety the Original Security Agreement. This amendment and restatement of the Original Security Agreement shall not effectuate a novation, release or extinguishment of the obligations or security interests outstanding under the Original Security Agreement, the Indenture or any other Security Document (other than any security interest that may have attached on or prior to the date hereof to the LOC Mortgage Loans), but rather are an amendment and restatement of certain terms governing such obligations and security interests. As of date hereof, each reference in the Notes Documents to the "Security Agreement" shall mean this Agreement, as amended, restated or modified from time to time.

19. Foreign Pledge Agreements.

(a) Notwithstanding anything to the contrary contained herein or in any other Notes Document or any Pari Passu Third Lien Indebtedness Agreement, in the event that any Collateral is also pledged to the Third Priority Collateral Agent to secure the Obligations by any Grantor pursuant to any security, pledge or similar agreement governed by foreign law (a "Foreign Pledge Agreement") and the provisions of such Foreign Pledge Agreement conflict with the provisions of this Agreement, the applicable Grantor shall comply with the provisions of such Foreign Pledge Agreement and shall not be deemed to have breached any representation or covenant contained herein or in any other Notes Document or any Pari Passu Third Lien Indebtedness Agreement as a result thereof.

(b) If Supporting Assets with respect to the Dutch VFLN Receivables or the UK Note are transferred at a time when (x) the fair market value of such Supporting Assets is less than (y) the Carrying Value thereof as of the Issue Date (the difference between such amounts being the "Adjustment Amount"); the Company shall be entitled, following consultation with the Trustee, to reduce the outstanding principal balance of the Dutch VFLN Receivables or the UK Note, as applicable, by the Adjustment Amount; provided that such transfer complies with the applicable requirements of the Indenture and each then extant Pari Passu Third Lien Indebtedness Agreement.

20. Pari Passu Third Lien Indebtedness.

On or after the Issue Date, the Company may from time to time designate additional obligations as Pari Passu Third Lien Indebtedness by delivering to the Third Priority Collateral Agent, the Trustee and each Pari Passu Third Lien Indebtedness Agent (a) a certificate signed by the chief financial officer of the Company (i) identifying the obligations so designated and the aggregate principal amount or face amount thereof, stating that such obligations are designated as "Pari Passu Third Lien Indebtedness" for purposes hereof, (ii) representing that such designation complies with the terms of the Indenture and each then extant Pari Passu Third Lien Indebtedness Agreement, (iii) specifying the name and address of the Pari Passu Third Lien Indebtedness Agent for such obligations (if other than the Trustee) and (iv) stating that the Grantors have complied with their obligations under Sections 11 and 12; (b) except in the case of Additional Notes, a fully executed Pari Passu Third Lien Indebtedness Joinder Agreement; and (c) an Opinion of Counsel to the effect that the designation of such obligations as "Pari Passu Third Lien Indebtedness" does not violate the terms of the Indenture and each then extant Pari Passu Third Lien Indebtedness Agreement (upon which the Third Priority Collateral Agent and the Trustee may conclusively and exclusively rely).

21. Intercreditor Matters.

By accepting the benefits of this Agreement, the other Security Documents and any Pari Passu Third Lien Indebtedness Agreement, as applicable, each Secured Party agrees that it is bound by the terms of the Intercreditor Agreement applicable to such Secured Party. Each of the Secured Parties acknowledges and agrees that notwithstanding the date, time or creation of any Liens securing any of the Obligations under the Security Agreement or the Security Documents, the Obligations shall be equally and ratably secured by the Liens of the Security Agreement and the Security Documents and all Liens securing any of the Obligations (and any proceeds received from the enforcement of any such Liens) shall be for the equal and ratable benefit of all Secured Parties shall be applied as provided in Section 13(f). Each Secured Party, by its acceptance of the benefits hereunder and of the Security Documents, hereby agrees for the benefit of the other Secured Parties that, to the extent any additional or substitute collateral for any of the Obligations is delivered by a Grantor to or for the benefit of any Secured Party, such collateral shall be subject to the provisions of this Section 20. Each of the Secured Parties hereby agrees not to challenge or question in any proceeding the validity or enforceability of any Security Document (in each case as a whole or any term or provision contained therein) or the validity of any Lien or financing statement in favor of the Third Priority Collateral Agent for the benefit of the Secured Parties as provided in the Security Agreement and the other Security Documents, or the relative priority of any such Lien. Subject to the Third Priority Collateral Agent's rights

under Section 15, the Required Secured Parties may direct the Third Priority Collateral Agent in exercising any remedy available to the Third Priority Collateral Agent under this Agreement or any Security Document. In the absence of any such instruction, the Third Priority Collateral Agent may (but shall be under no obligation to) exercise such rights and remedies in any manner that complies with Section 15.

This AMENDED AND RESTATED LOAN AGREEMENT (as amended or supplemented from time to time, this "Agreement") dated as of December 30, 2009, is by and among Residential Funding Company, LLC, a Delaware limited liability company ("RFC"), GMAC Mortgage, LLC, a Delaware limited liability company ("GMAC Mortgage", and together with RFC, each a "Borrower" and collectively, the "Borrowers"), Residential Capital, LLC and the other Affiliates of the Borrowers listed on the signature pages hereto or that otherwise become party hereto as Guarantors (each, a "Guarantor"), the various other parties signatory hereto as obligors (the "Obligors"), GMAC Inc., a Delaware limited liability company (the "Initial Lender"), the financial institutions and other Persons that are or may from time to time become parties hereto as Lenders (together with the Initial Lender and their respective successors and assigns, each a "Lender" and collectively, the "Lenders"), and GMAC Inc., a Delaware limited liability company, as agent for the Lenders (in such capacity together with its successors and assigns in such capacity, the "Lender Agent") and Wells Fargo Bank, N.A., solely with respect to Section 12.11(b) and in its capacity as First Priority Collateral Agent.

BACKGROUND

The Borrowers, the Guarantors, the Obligors, the Lenders, the Lender Agent and Wells Fargo Bank, N.A., solely with respect to Section 12.11(b) and in its capacity as First Priority Collateral Agent, are parties to that certain Loan Agreement dated as of June 4, 2008, as amended from time to time (the "Original Loan Agreement").

The parties to the Original Loan Agreement wish to amend and restate the Original Loan Agreement in its entirety.

NOW, THEREFORE, in consideration of the premises and the mutual agreements herein contained, and intending to be legally bound, the parties hereto agree as follows:

ARTICLE I

DEFINITIONS AND ACCOUNTING MATTERS

Section 1.01. Definitions; Construction. (a) Capitalized terms used herein and not otherwise defined herein shall have the meanings specified in Schedule 1.01.

(b) All capitalized terms used herein, and not specifically defined herein, are used herein as defined in Article 9 of the UCC to the extent defined therein.

(c) Unless otherwise stated in this Agreement, in the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to but excluding".

(d) The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined.

(e) Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms.

(f) The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”.

(g) Unless the context requires otherwise (i) any definition of or reference to any agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented, restated or otherwise modified (subject to any restrictions on such amendments, supplements, restatements or other modifications set forth herein), (ii) any reference herein to any Person shall be construed to include such Person’s successors and assigns, provided that such successors and assigns are not prohibited by the Facility Documents, (iii) the words “herein”, “hereof” and “hereunder”, and words of similar import, shall be construed to refer to this Agreement in its entirety and not to any particular provision hereof, (iv) all references herein to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles and Sections of, and Exhibits and Schedules to, this Agreement, and (v) the words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties, including cash, securities, accounts and contract rights.

Section 1.02. Accounting Matters. Except as otherwise expressly provided herein, all accounting terms used herein shall be interpreted, and all financial statements and certificates and reports as to financial matters required to be delivered to the Lenders hereunder shall be prepared, in accordance with GAAP applied in a manner consistent with that used in preparing the financial statements described in Section 7.01(f) hereof.

ARTICLE II

COMMITMENTS, LOANS, BORROWING, PREPAYMENT

Section 2.01. Loans. The Borrowers and the Lenders acknowledge that on the Amendment Closing Date, the Loans outstanding to the Borrowers under (and as defined in) the Original Loan Agreement shall continue in existence as loans hereunder (relative to each Lender, its “Loans”). The Borrowers hereby certify that (i) as of the opening of business on the Amendment Closing Date, the Aggregate Commitment Amount is \$1,592,640,818 and (ii) as of the Amendment Closing Date, the Outstanding Aggregate Loan Amount is equal to \$1,545,587,924.

Section 2.02. Note. (a) The Loans made by each Lender shall be evidenced by a promissory note executed by each Borrower substantially in the form of Exhibit 2.02(a) hereto (a “Note”), dated the date hereof, payable to the applicable Lender in a maximum principal amount equal to such Lender’s Pro Rata Share of the Outstanding Aggregate Loan Amount, which Note shall be an amendment and restatement of the original revolving note dated June 4, 2008 which evidenced the Loans under the Original Loan Agreement. The Borrowers hereby irrevocably authorize each Lender to make (or cause to be made) appropriate notations on the grid attached to such Lender’s Note (or on any continuation of such grid), which notations, if made, shall evidence, inter alia, the date of, the outstanding principal amount of, and the interest rate and Interest Period applicable to the Loans evidenced thereby. Such notations shall, to the extent not inconsistent with notations made by the Lender Agent in the Register, be conclusive and binding

on each Obligor absent manifest error; provided that, the failure of any Lender to make any such notations shall not limit or otherwise affect any Obligations of any Obligor.

(b) The Borrowers hereby designate the Lender Agent to serve as the Borrowers' agent, solely for the purpose of this clause, to maintain a register (the "Register") on which the Lender Agent will record each Lender's Commitments, the Loans (and interest due thereon) made by each Lender and each repayment in respect of the principal amount of the Loans, annexed to which the Lender Agent shall retain a copy of each Assignment and Acceptance, and each participation (as described in Section 9.04), delivered to the Lender Agent pursuant to Article IX. Failure to make any recordation, or any error in such recordation, shall not affect any Obligor's Obligations. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrowers, the Obligors, the Lender Agent and the other Lender Parties shall treat each Person in whose name a Loan is registered as the owner thereof for the purposes of all Facility Documents, notwithstanding notice or any provision herein to the contrary. Any assignment or transfer of a Commitment or the Loans made pursuant hereto shall be registered in the Register only upon delivery to the Lender Agent of an Assignment and Acceptance that has been executed by the requisite parties pursuant to Article IX. Upon its receipt of a duly completed Assignment and Acceptance, the Lender Agent shall record the information contained therein in the Register. No assignment or transfer of a Lender's Commitment or Loans, including those transfers or assignments to an Affiliate, shall be effective unless such assignment or transfer shall have been recorded in the Register by the Lender Agent as provided in this Section.

(c) The Register shall be available for inspection by the Borrowers or any Lender (but in each case only as to its relevant portion of the Register), at any reasonable time and from time to time upon reasonable prior notice.

Section 2.03. Permanent Paydowns. No principal amounts repaid under this Agreement may be reborrowed.

Section 2.04. Borrowing Base. (a) [Reserved].

(b) The Borrowers shall deliver to the Lender Agent and the Valuation Agent an updated Monthly Collateral Report no less frequently than once per calendar month and no later than the eleventh Business Day of each calendar month (commencing with January 2010). Each Collateral Value Report delivered by the Borrowers shall be effective (subject to Sections 2.04(c) and (d) below) until such time as the Borrowers shall deliver a subsequent Collateral Value Report. For purposes of preparing each Collateral Value Report, the Borrowers shall calculate the Collateral Value of the Primary Collateral described in the related Electronic File in accordance with Schedule 2.04.

(c) If requested to do so by the Lender Agent, within two Business Days after receipt of a Collateral Value Report pursuant to Section 2.04(a) or (b), as the case may be, together with the related Electronic Files, the Valuation Agent shall, to the extent such Collateral Value calculation relies on market value rather than Carrying Value, verify the Collateral Value for the Primary Collateral and shall notify the Lender Agent and the Borrowers of the amount of such Collateral Value.

(d) Within three Business Days after receipt of a Collateral Value Report pursuant to Section 2.04(a) or (b), the Lender Agent shall determine (taking into account any information provided by the Valuation Agent pursuant to Section 2.04(c)) the Borrowing Base and notify the Lenders and the Borrowers of such determination. Such determination shall be effective as of the Business Day specified in such written notice from the Lender Agent (or, if no effective date is specified in such written notice, the next Business Day following delivery of such written notice) and such Borrowing Base shall remain in effect until the next determination or redetermination of the Borrowing Base in accordance with this Agreement.

(e) At the request of the Lender Agent, the Borrowers shall provide any reports, files, spreadsheets or other materials used by the Obligors in calculating the Borrowing Base or Adjusted Borrowing Base as of any date of determination. If the Lender Agent and the Borrowers shall disagree as to the calculation of the Borrowing Base or Adjusted Borrowing Base as of any date of determination, the calculation by the Lender Agent of such Borrowing Base shall be binding for all purposes hereunder and the Borrowers shall make the payment, if any, required by Section 2.08(b) in connection with such recalculated Borrowing Base or Adjusted Borrowing Base.

Section 2.05. Interest. Interest shall accrue on each Loan prior to its maturity for each day during the related Interest Period at a rate equal to (a) the sum of (x) the applicable LIBOR Rate for such Interest Period and (y) the Applicable Margin, divided by (b) 360 days. Interest shall accrue on the Loans after their maturity (whether by acceleration or otherwise) and on any other amount not paid when due under the Facility Documents (including without limitation any prepayment due under Section 2.08(b)) for each day during a related Interest Period at a rate equal to (a) the Default Rate, divided by (b) 360 days. Interest shall be payable (i) in arrears with respect to each Interest Period through the final day of each Interest Period (regardless of whether such day is a Business Day), such amount to be payable on the first Business Day following the end of such Interest Period, (ii) on the applicable Loan Repayment Date, or (iii) on that portion of Loans the maturity of which is accelerated pursuant to Section 8.02, immediately upon such acceleration. The Lender Agent shall determine the LIBOR Rate for each Loan prior to the beginning of each Interest Period, as set forth in the definition of "LIBOR Rate." The Lender Agent shall also calculate the amount of interest and, if applicable, any Breakage Costs or other amounts due to be paid by the Borrowers from time to time hereunder (including in connection with any prepayment or repayment of Loans permitted hereunder) and shall provide a written statement thereof to the Borrowers at least two Business Days prior to the due date of such payment (or the relevant repayment or prepayment after having received a notice thereof); provided that failure to provide such statements on a timely basis shall not relieve the Borrowers of the obligation to pay any interest and principal due on the applicable payment date (based upon their good faith calculation of the amount due, such amount to be promptly reconciled after receipt of a subsequent statement from the Lender Agent) and other such amounts hereunder promptly upon receipt of such statement.

Section 2.06. [Reserved].

Section 2.07. Alternate Rate of Interest; Increased Costs. (a) If, prior to the commencement of any Interest Period, the Lender Agent determines (which determination shall be conclusive absent manifest error) (i) that adequate and reasonable means do not exist for

ascertaining the LIBOR Rate for such Interest Period; or (ii) that the LIBOR Rate for such Interest Period will not adequately and fairly reflect the cost to any Lender of making or maintaining its Loans; or (iii) that, after notice from an affected Lender, it has become unlawful for such Lender to honor its obligation to make or maintain Loans hereunder using the LIBOR Rate, then the Lender Agent shall give notice thereof to the Borrowers by telephone, facsimile, or other electronic means as promptly as practicable thereafter and, commencing with the Interest Period immediately following the Interest Period during which such notice is provided to the Borrowers until the Lender Agent notifies the Borrowers that the circumstances giving rise to such notice no longer exist, all Loans shall bear interest at a rate per annum equal to the Applicable Margin plus the rate per annum that the Lender Agent determines in its reasonable discretion adequately reflects the cost to the Lenders of making or maintaining the Loans for such Interest Period.

(b) The Borrowers jointly and severally agree to reimburse each Lender for any increase in the cost to such Lender of, or any reduction in the amount of any sum receivable by such Lender in respect of, such Lender's Commitments and the making, continuing, maintaining or conversion of Loans hereunder that arise in connection with any change in, or the introduction, adoption, effectiveness, interpretation, reinterpretation or phase in after the Closing Date of, any law or regulation, directive, guideline, decision or request (whether or not having the force of law) of any Governmental Authority; provided, however, that any such changes with respect to increased capital costs and taxes shall be governed by the terms of Sections 2.07(c) and 3.02, respectively. For the purposes of this Section 2.07(b), taxes shall include all present or future taxes, fees, levies, imposts, deductions, duties, withholdings, assessments or other charges imposed by any Governmental Authority, including any interest, additions to tax or penalties applicable thereto. Each affected Lender shall promptly notify the Lender Agent and the Borrowers in writing of the occurrence of any such event, stating the reasons therefor and the additional amount required fully to compensate such Lender for such increased cost or reduced amount. Such additional amounts shall be payable jointly and severally by the Borrowers directly to such Lender within ten (10) days of its receipt of such notice, and such notice shall, in the absence of manifest error, be conclusive and binding on the Borrowers.

(c) If any change in, or the introduction, adoption, effectiveness, interpretation, reinterpretation or phase in of, any law or regulation, directive, guideline, decision or request (whether or not having the force of law) of any Governmental Authority affects or would affect the amount of capital required or expected to be maintained by any Lender or any Person controlling such Lender, and such Lender determines (in good faith but in its sole and absolute discretion) that the rate of return on its or such controlling Person's capital as a consequence of the Commitments or the Loans made by such Lender is reduced to a level below that which such Lender or such controlling Person could have achieved but for the occurrence of any such circumstance, then upon notice from time to time by such Lender to the Borrowers (with a copy to the Lender Agent), the Borrowers shall within ten (10) days following receipt of such notice jointly and severally pay directly to such Lender additional amounts sufficient to compensate such Lender or such controlling Person for such reduction in rate of return. A statement of such Lender as to any such additional amount or amounts shall, in the absence of manifest error, be conclusive and binding on the Borrowers. In determining such amount, such Lender may use any method of averaging and attribution that it (acting reasonably) shall deem applicable.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.07 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to Sections 2.07(a), (b) or (c) for any such increased cost or reduction incurred more than one hundred and eighty (180) days prior to the date that such Lender demands, or notifies the Borrowers of its intention to demand, compensation therefor, provided further that, if the circumstance giving rise to such increased cost or reduction is retroactive, then such 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) If any Lender requests compensation under this Section 2.07, then such Lender will, if requested by the Borrowers, use commercially reasonable efforts to designate another lending office for any Loan affected by such event; provided that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its lending office(s) to suffer no material economic, legal or regulatory disadvantage, and provided further that nothing in this Section 2.07(e) shall affect or postpone any of the Obligations of the Borrowers or the rights of such Lender pursuant to Sections 2.07(a), (b), (c) or (d).

Section 2.08. Mandatory Repayment of Loans. (a) The Borrowers shall jointly and severally repay the Outstanding Aggregate Loan Amount with respect to all Loans and all other amounts owing under this Agreement in full on the Loan Repayment Date.

(b) If, on any Business Day (a "Borrowing Base Shortfall Day"), the Outstanding Aggregate Loan Amount on such day exceeds the Borrowing Base or (if a determination is requested by the Lender Agent) Adjusted Borrowing Base on such day by an amount equal to or greater than \$250,000 (such circumstance, a "Borrowing Base Deficiency"), the Borrowers shall, within one (1) Business Day after the Borrowing Base Shortfall Day, jointly and severally repay outstanding Loans in an amount equal to the amount of the Borrowing Base Deficiency; provided, however, that to the extent a Borrowing Base Deficiency results from a write-down of the Collateral Value of any Primary Collateral in accordance with ResCap's standard valuation practices applied to its assets as a whole as then in effect (such valuation practices to be consistent with the methodology used in the preparation of ResCap's GAAP financial statements), the obligation of the Borrowers to repay outstanding Loans pursuant to this sentence will be reduced by the Collateral Value of any Eligible Assets which the Borrower designates as Primary Collateral not later than one (1) Business Day following the applicable Borrowing Base Shortfall Day by written notice to the Lender Agent or in the related Repayment Notice (any such collateral, "Substitute Collateral"). It is understood and agreed that the Lender Agent shall have the right to adjust the Specified Percentage used to calculate the Collateral Value for any category of Primary Collateral, whether as a result of the addition of Substitute Collateral or otherwise, in its good faith discretion, taking into account estimated collections, market value, legal risks, cost of recovery and other matters customarily considered by commercial lenders when determining such values, at any time by written notice to the Borrowers. The Borrowers shall deliver a Repayment Notice with respect to each repayment of outstanding Loan amounts and/or designation of Substitute Collateral made pursuant to this paragraph by 1:00 p.m. (New York time) on the day such repayment is due.

The parties shall cause the Valuation Agent (i) at approximately 3:00 p.m. New York City time on each Valuation Date, to calculate the MTM Amount and the Hedge Support

Requirement, and (ii) to report to the Initial Lender, ResCap, the Lender Agent and the ResCap Counterparty such MTM Amount and the Hedge Support Requirement no later than 6:00 p.m. New York City time on such Valuation Date. If, on any Valuation Date (which is not a Borrowing Base Shortfall Day) the MTM Amount is equal to or greater than the Minimum Adjustment Amount, the Borrowers shall, within one (1) Business Day after such Valuation Date, jointly and severally repay outstanding Loans in an amount equal to the amount of the MTM Amount as of such Valuation Date.

(c) The Borrowers shall, on each Mandatory Repayment Date with respect to a Collateral Disposition (the "Subject Disposition"), repay outstanding Loans in an amount (if greater than zero) equal to (i) Net Cash Proceeds in the aggregate received by the Obligor in respect of the Subject Disposition minus (ii) at the Borrower's discretion, all or a portion of the MTM Credit as of such day. It is understood and agreed that the use of the MTM Credit to reduce the repayment of Loans pursuant to the immediately preceding sentence shall be deemed to satisfy the Borrowers' requirement to apply Net Cash Proceeds of a Collateral Dispositions to the permanent reduction of the outstanding principal amount of the Loans.

(d) The Borrowers shall not be required to pay any Breakage Costs incurred by the Lenders in connection with a mandatory repayment pursuant to this Section 2.08.

Section 2.09. Optional Prepayment. The Borrowers may, at their option, prepay any Loan advanced hereunder in full or in part (as well as all interest accrued and unpaid thereon through the end of the related Interest Period) on the last Business Day of any Interest Period related thereto (each an "Optional Prepayment Date"); provided that the Borrowers deliver a Prepayment Notice to each Lender and the Lender Agent, no later than 2:00 p.m. New York City time on a Business Day that is at least two (2) Business Days preceding the Optional Prepayment Date. Any such partial prepayment shall be in a minimum principal amount of not less than \$10,000,000 and in increments of \$1,000,000 (or, if less, the Outstanding Aggregate Loan Amount). Any such prepayment shall be paid over to the Lender Agent for the account of the Lenders by the Borrowers by 2:00 p.m. (New York City time) on such Optional Prepayment Date, and shall be in an amount equal to the sum of (a) the Loan amount being prepaid on the date of such prepayment, plus (b) all accrued and unpaid interest on such Loan being prepaid as of the date of such prepayment, plus (c) the allocable portion (determined by the Lender Agent in its sole reasonable discretion) of all other amounts due from the Borrowers hereunder. The Borrowers may make a partial or full prepayment on any date other than an Optional Prepayment Date; provided that the Borrowers make a timely delivery of a Prepayment Notice, and in addition to the amount required under items (a), (b), and (c) above, the Borrowers must pay, without duplication, (x) all Breakage Costs, if any, actually incurred by the Lenders and resulting from such prepayment and (y) all accrued and unpaid interest on such Loan being prepaid following the prepayment. In the absence of a timely delivered Prepayment Notice, the Lenders shall automatically and without further action by the Borrowers continue each Loan at the termination of each Interest Period for a successive Interest Period beginning on the day immediately following the final day of the immediately preceding Interest Period.

Section 2.10. Termination of Commitments and Reduction of Aggregate Commitment Amount. (a) Unless previously terminated, the Commitments shall terminate on the

Commitment Termination Date. If at any time the Borrowing Base is reduced to zero, then the Commitments shall terminate on the effective date of such reduction.

(b) [Reserved].

(c) In the event that the Borrowers repay outstanding Loans, the Aggregate Commitment Amount shall be permanently reduced by the amount of any principal payments with respect to the Loans.

Section 2.11 Tracking of Paydown Amounts. The Borrowers shall produce regular reports tracking on a daily basis the reductions in the Outstanding Aggregate Loan Amount pursuant to Section 2.10(c) together with necessary supporting information in spreadsheet form (including, but not limited to, information containing separate tracking of the then current Outstanding Aggregate Loan Amount) (the "Permanent Paydown Report"). The Permanent Paydown Report shall be in the form previously provided to the Lender Agent, which form may be periodically changed by the Borrowers from time to time; provided that after any such changes, the Lender Agent may request reasonable modifications to the modified form to clarify or maintain the information provided in such report prior to the Borrower's changes. The Borrowers shall provide the current Permanent Paydown Report at any time to the Lender Agent at the Lender Agent's request. A Permanent Paydown Report shall be delivered in connection with each Monthly Collateral Report, and such Permanent Paydown Report shall be included in any certifications in connection with the Monthly Collateral Report. If any Lender shall question the validity of the dates or amounts of any actual or scheduled permanent reductions in the Outstanding Aggregate Loan Amount pursuant to Section 2.10(c) reported in a Permanent Paydown Report, the Borrowers shall work with the Lender Agent in good faith to resolve such question; provided that if such question cannot be resolved in 30 days, the determination of the Lender Agent as to the disputed information shall govern and be binding on the parties hereto.

ARTICLE III

PAYMENTS; COMPUTATIONS; TAXES; EXPENSES

Section 3.01. Payments and Computations, Etc. (a) Unless otherwise expressly stated herein, all amounts to be paid or deposited hereunder shall be paid or deposited in accordance with the terms hereof no later than 1:00 p.m. (New York City time) on the day when due in lawful money of the United States of America in same day funds (and all funds received after such time shall be deemed to have been received on the next succeeding Business Day).

(b) The Borrowers shall, to the extent permitted by law, jointly and severally pay interest on all amounts (including principal, interest and fees) due but not paid on the date such payment is due hereunder as provided herein, for the period from, and including, such due date until, but excluding, the date paid, at the applicable Default Rate, payable on demand; provided, however, that such interest rate shall not at any time exceed the maximum rate permitted by applicable law.

(c) All computations of interest and fees hereunder shall be made on the basis of a year of 360 days for the actual number of days elapsed (including the first day but excluding the last day) occurring in the period for which payable.

(d) Each Borrower agrees that the principal of and interest on the Loans and all other monetary Obligations shall be the joint and several recourse obligations of the Borrowers.

(e) Except as set forth in Section 3.02, all payments made by the Borrowers or the other Obligors under this Agreement or any other Facility Document shall be made without set-off, deduction or counterclaim.

(f) After the occurrence and during the continuance of an Event of Default, the Lender Agent may, and upon direction from the Required Lenders, shall, apply all amounts received under the Facility Documents (including from the proceeds of Collateral securing the Obligations) or under applicable Requirements of Law upon receipt thereof to the Obligations as follows: (i) first, to the payment of all Obligations in respect of fees, expense reimbursements, indemnities and other amounts owing to the First Priority Collateral Agent and the Control Collateral Agent, (including the out-of-pocket expenses and reasonable fees of counsel to each), (ii) second after payment in full of the amounts specified in clause (f)(i), to the payment of all Obligations in respect of fees, expense reimbursements, indemnities and other amounts owing to the Lender Agent, in its capacity as the Lender Agent (including the out-of-pocket expenses and reasonable fees of counsel to the Lender Agent), (iii) third, after payment in full in cash of the amounts specified in clause (f)(i) and (f)(ii), to the ratable payment of all interest (including interest accruing (or which would accrue) after the commencement of a proceeding in bankruptcy, insolvency or similar law, whether or not permitted as a claim under such law) and fees owing under the Facility Documents, and all costs and expenses owing to the Lender Parties pursuant to the terms of the Facility Documents, until paid in full in cash, (iv) fourth, after payment in full in cash of the amounts specified in clauses (f)(i) through (f)(iii), to the ratable payment of the principal amount of the Loans then outstanding, (v) fifth, after payment in full in cash of the amounts specified in clauses (f)(i) through (f)(iv), to the ratable payment of all other Obligations owing to the Lender Parties, and (vi) sixth, after payment in full in cash of the amounts specified in clauses (f)(i) through (f)(v), and following the Termination Date, to each applicable Obligor or any other Person lawfully entitled to receive such surplus or as may be directed by a court of competent jurisdiction. Proceeds of Collateral shall be allocated among the Lender Parties in such manner as the Lender Agent shall determine in its sole discretion.

(g) If any Lender shall obtain any payment or other recovery (whether voluntary, involuntary, by application of setoff or otherwise) on account of any Loans (other than pursuant to the terms of Sections 2.07(b), 2.07(c), 3.02, Article X or in respect of Breakage Costs) in excess of its pro rata share of payments obtained by all Lender, such Lender shall purchase from the other Lender such participations in Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment or other recovery ratably (to the extent such other Lenders were entitled to receive a portion of such payment or recovery) with each of them; provided that, if all or any portion of the excess payment or other recovery is thereafter recovered from such purchasing Lender, the purchase shall be rescinded and each Lender that has sold a participation to the purchasing Lender shall repay to the purchasing Lender the purchase price to the ratable extent of such recovery together with an amount equal to such

selling Lender's ratable share (according to the proportion of (i) the amount of such selling Lender's required repayment to the purchasing Lender to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. Each of the Obligors agrees that any Lender purchasing a participation from another Lender pursuant to this clause (g) may, to the fullest extent permitted by law, exercise all its rights of payment (including pursuant to Section 3.04) with respect to such participation as fully as if such Lender were the direct creditor of the Obligors in the amount of such participation. If under any applicable bankruptcy, insolvency or other similar law any Lender receives a secured claim in lieu of a setoff to which this Section applies, such Lender shall, to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section to share in the benefits of any recovery on such secured claim.

Section 3.02. Taxes. (a) All payments by the Borrowers or Guarantors (each a "Credit Party") of principal of, and interest on, the Loans and all other amounts payable hereunder (including fees) shall be made free and clear of and without deduction for any present or future income, excise, stamp or franchise taxes and other taxes, fees, levies, imposts, deductions, duties, withholdings, assessments or other charges of any nature whatsoever imposed by any Governmental Authority, but excluding, (i) taxes imposed on or measured by the overall net income, overall receipts or overall assets of any Lender by any Governmental Authority, (ii) franchise taxes or branch profits taxes or any similar tax imposed on any Lender by the United States of America (or any political subdivision thereof) of the jurisdiction of the Lender, as the case may be, in which it is organized or is operating or is otherwise subject to tax as a result of any connection unrelated to this Agreement, and (iii) any U.S. backup withholding taxes (other than due to a change in law as provided in Section 3.02(f)) (such non-excluded taxes, fees, levies, imposts, deductions, duties, withholdings, assessments or other charges, herein "Taxes"). Notwithstanding the foregoing sentence, in the event that any such Taxes are required to be deducted or withheld from any payment required to be made to any Lender as a result of Requirements of Law, the Credit Party shall (a) promptly notify the applicable Lender, in writing, of such requirement, (b) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid to the applicable Lender pursuant to this paragraph), and (c) jointly and severally pay to the applicable Lender such additional amounts as may be necessary in order that the net amount received by such Lender after such withholding or deduction shall equal the full amounts of moneys which would have been received by such Lender in the absence of such withholding or deduction. Notwithstanding the foregoing, the Credit Party shall not be required to increase any amounts payable to a Lender that is a Non-U.S. Lender (as defined in Section 3.02(f)) with respect to any Taxes (x) if and to the extent that such taxes would not have been imposed but for such Non-U.S. Lender's failure to provide (or the Lender Agent's failure to provide) to the Borrower the Internal Revenue Service Forms required to be provided to the Borrower pursuant to Section 3.02(f) or (y) that are imposed on amounts payable to such Non-U.S. Lender at the time such Non-U.S. Lender becomes a party hereto (or designates a new lending office) other than due to a change in law as provided in Section 3.02(f).

(b) In addition, the Borrowers agree to pay any current or future stamp, recording, documentary, excise or property or similar taxes, charges or levies (including, without limitation, mortgage recording taxes and similar fees, but excluding such amounts imposed as a result of an

assignment or the transfer of a participation) imposed by any Governmental Authority that arise from any payment made under this Agreement or any other Facility Document, or from the execution, delivery or registration of, or otherwise with respect to, this Agreement or any other Facility Document and the transactions contemplated thereunder ("Other Taxes").

(c) The Borrowers shall indemnify each Lender for the full amount of Taxes and Other Taxes (including, without limitation, any Taxes and Other Taxes imposed by any jurisdiction on amounts payable under this Section 3.02) paid by such Lender and any liability (including taxes, penalties, interest and expenses) arising therefrom or with respect thereto; provided, however, that when making a demand for indemnity payment a Lender shall provide each Borrower, at its address referred to in Schedule 13.02, with a certificate from the relevant taxing authority or from a Responsible Officer of such party stating or otherwise evidencing, in reasonable detail, that such Lender has made payment of (and the basis of calculation for) such Taxes or Other Taxes. This indemnification shall be made within thirty (30) days from the date a Lender provides written demand therefor, accompanied by the aforementioned certificate.

(d) Within thirty (30) days after the date of receiving an official receipt for any payment of Taxes or Other Taxes contemplated by this Section 3.02, the Borrower shall furnish to the relevant Lenders, at their addresses set forth in Schedule 13.02 (or such other address as provided by a Lender, in the case of an assignee), appropriate evidence of payment thereof.

(e) If a Lender shall become aware that it is entitled to receive a refund or credit (such credit to include any increase in any foreign tax credit) as a result of Taxes (including any penalties or interest with respect thereto) as to which it has been indemnified by a Borrower or with respect to which a Borrower has paid additional amounts pursuant to this Section 3.02, it shall promptly notify such Borrower of the availability of such refund or credit and shall, within 30 days after receipt of a request by such Borrower, apply for such refund or credit at such Borrower's expense, and in the case of any application for such refund or credit by such Borrower, shall, if legally able to do so, deliver to the Borrower such certificates, forms or other documentation as may be reasonably necessary to assist such Borrower in such application. If a Lender has determined in its sole judgment that it has received a refund or credit (such credit to include any increase in any foreign tax credit) in respect to any Taxes as to which it has been indemnified by the Borrowers or with respect to which a Borrower has paid additional amounts pursuant to this Section 3.02, it shall promptly notify the Borrowers of such refund or credit and shall, within sixty (60) days after receipt of such refund or the benefit of such credit (such benefit to include any reduction of the Taxes for which a Lender would otherwise be liable due to any increase in any foreign tax credit available to a Lender), repay the amount of such refund or benefit of such credit (with respect to the credit, as determined by a Lender in its sole, reasonable judgment) to the Borrowers (to the extent of amounts that have been paid by a Borrower under this Section 3.02 with respect to Taxes giving rise to such refund or credit), plus any interest received with respect thereto, net of all reasonable out-of-pocket expenses of the Lender and without interest (other than interest actually received from the relevant taxation authority or other Governmental Authority with respect to such refund or credit); provided, however, that each Borrower, upon the request of the Lender, agrees to return the amount of such refund or benefit of such credit (plus interest) to the Lender in the event the Lender is required to repay the amount of such refund or benefit of such credit to the relevant taxation authority or other Governmental Authority.

(f) If a Lender is not a United States Person (within the meaning of Section 7701(a)(30) of the Internal Revenue Code) (a “Non-U.S. Lender”), it shall, on or prior to the Closing Date or, in the case of a Non-U.S. Lender that is an assignee, on the date of such assignment to such Non-U.S. Lender, provide to the Borrowers and Lender Agent (i) two (2) accurate and complete original signed copies of Internal Revenue Service Form W-8ECI or Form W-8BEN (or successor forms) certifying that such Non-U.S. Lender is entitled as of such date to a complete exemption from United States withholding tax pursuant to an applicable income tax treaty with respect to payments of interest to be made under this Agreement (or, in the case of an assignee, entitlement to a withholding tax rate that does not exceed the withholding tax rate in respect of those Taxes in respect of interest for which the assignor was entitled to additional payments under Section 3.02(a) at the time of the assignment), (ii) with respect to a Non-U.S. Lender claiming exemption from United States withholding tax pursuant to its portfolio interest exception, (x) a statement of such Non-U.S. Lender, signed under penalty of perjury, that it is not (A) a “bank” as described in Section 881(c)(3)(A) of the Internal Revenue Code, (B) a 10% shareholder of a Borrower (within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code), or (C) a controlled foreign corporation related to a Borrower within the meaning of Section 864(d)(4) of the Internal Revenue Code (an “Exemption Certificate”), and (y) two properly completed and executed original signed copies of Internal Revenue Service Form W-8BEN (or successor form) certifying that such Non-U.S. Lender is entitled as of such date to a complete exemption from United States withholding tax with respect to payments of interest to be made under this Agreement, (iii) two (2) accurate and complete original signed copies of Internal Revenue Service Form W-8IMY with any accompanying statement and certificate, or (iv) two (2) accurate and complete original signed copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from United States federal withholding tax, with such supplementary documentation as may be prescribed by Requirements of Law to permit Borrowers to determine the withholding or deduction required to be made. In addition, each Non-U.S. Lender agrees that from time to time after the Closing Date, when the passage of time or a change in facts or circumstances renders the previous certification obsolete or inaccurate in any material respect, or on the Borrowers’ reasonable request, such Non-U.S. Lender will deliver to the Borrowers two (2) new accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, Form W-8BEN (with respect to a complete exemption under an income tax treaty), Form W-8BEN (with respect to the portfolio interest exemption) and an Exemption Certificate, or Form W-8IMY with any accompanying statement or certificate, as the case may be, and such other forms as may be required in order to confirm or establish that such Non-U.S. Lender is entitled to a continued exemption from United States withholding tax with respect to payments under this Agreement, or such Non-U.S. Lender shall immediately notify the Borrowers of its inability to deliver any such form or Exemption Certificate, in which case such Non-U.S. Lender shall not be required to deliver any such form or Exemption Certificate. Notwithstanding anything to the contrary contained in this Section 3.02, the Borrowers agree to pay any additional amounts and to indemnify each Non-U.S. Lender in the manner set forth in Sections 3.02(a) and (c) in respect of any United States Taxes deducted or withheld by the Borrowers or paid by a Lender, if and to the extent that such Taxes would not have been deducted or withheld or payable (and in the case of a payment by a Lender, no exception is available to the making of such payment, as determined in the sole discretion of such Lender) but for any change after the Closing Date in any applicable law, treaty, governmental rule, regulation, guideline or order, or in the interpretation thereof. Prior to

withholding any amount due a non-U.S. Lender because of such Lender's failure to provide tax forms or certifications under this Section 3.02, the Borrowers shall notify such non-U.S. Lender of its intention to withhold not less than five (5) Business Days prior to such withholding.

(g) Notwithstanding anything to the contrary contained in this Agreement, this Section 3.02 shall govern exclusively any increased costs relating to Taxes resulting from any change in law.

Section 3.03. Fees and Expenses. The Borrowers agree to jointly and severally pay to the Lender Agent and the Lenders any expenses (including reasonable fees and expenses of each Lender's counsel) incurred in connection with the negotiation, execution, delivery, administration and enforcement of this Agreement and the Facility Documents (and any amendments, supplements, modifications, consents or waivers thereto), including the reasonable fees and expenses (including, without limitation, attorneys' fees and expenses) of the First Priority Collateral Agent, the Collateral Control Agent and the Valuation Agent.

Section 3.04. Setoff. The Obligors agree that each Lender has all rights of set off provided by applicable law, and in addition thereto, the Obligors agree that at any time any Default exists, each Lender may appropriate and apply to the payment of any obligations of the Obligors hereunder owed to it, whether or not then due, any and all balances, credits, deposits, accounts or moneys of the Obligors then or thereafter maintained with or held by such Lender; provided that any such appropriation and application shall be subject to Section 3.01(g). Each Lender shall promptly notify the applicable Obligors after making such exercise of the right of set off; provided that failure to give such notice shall not affect the validity of the set-off.

ARTICLE IV

ACCOUNTS AND COLLECTIONS

Section 4.01. Concentration Accounts. Subject to Account Exceptions, ResCap and its Subsidiaries shall continue to administer their cash collection system in good faith and in a manner consistent with the requirements of this Agreement. To the extent in place on or prior to the Closing Date, such administration shall include the sweep of cash from accounts in the system to the Concentration Accounts. The Obligors will cause the Concentration Accounts to be subject to the Account Control Agreements at all times at and after the Closing Date.

Section 4.02. Sales Proceeds Accounts. (a) On or before the Closing Date, the Borrowers and the Lender Agent established the Sales Proceeds Accounts. The Obligors hereby agree that the Collateral Control Agent shall have exclusive control of the Sales Proceeds Accounts. Any Net Cash Proceeds of Collateral Dispositions received by an Obligor shall be deposited in the Sales Proceeds Accounts, no later than the Applicable Deposit Date; provided, however, for the avoidance of doubt, prior to the Applicable Deposit Date, all Net Cash Proceeds of a Collateral Disposition relating to European Reporting Assets underlying the English Note or the Dutch Note shall be deposited into and held, in accordance with the English Security Documents or the Dutch Security Documents, as applicable, in the Blocked Account (as defined in the Master Definitions Schedule dated June 4, 2008, as amended from time to time) with respect to the English SPE or the Blocked Account (as defined in the Master Definitions

Agreement dated June 4, 2008, as amended from time to time) with respect to the Dutch SPE. Such Net Cash Proceeds shall be held in the Sales Proceeds Accounts pending application of such proceeds in accordance with this Section 4.02(a), and any such Net Cash Proceeds which for any reason have not yet been deposited into the Sales Proceeds Accounts shall be deemed to be held by such Obligor in trust for the Lenders and shall not be used by any Obligor for any purposes whatsoever. Net Cash Proceeds on deposit in the Sales Proceeds Accounts (including funds consisting of Net Cash Proceeds of Collateral Dispositions on deposit in the Servicing Advances Accounts) shall be used to make mandatory repayments of Loans in accordance with Section 2.08(c); provided that an amount equal to the portion of the Available MTM Credits applied to reduce the amount of such mandatory prepayment shall be released to the Borrowers in accordance with Section 2.08(c) if no Default has occurred and is continuing. To the extent that the Borrowers subsequently document in a manner acceptable to the Lender Agent in its discretion that funds were incorrectly deposited into a Sales Proceeds Account and used to repay Loans in accordance with Section 2.08(c), the Lender Agent will authorize the Borrowers to (i) withdraw funds then on deposit in the Sales Proceeds Accounts in an amount equal to such incorrect deposit and/or (ii) net the excess amount against future deposits to the Sales Proceeds Accounts up to an amount equal to such incorrect deposit, rather than use such funds to repay Loans as otherwise required by this Section 4.02(a) and Section 2.08(c).

(b) The Borrowers shall designate one or more of the Sales Proceeds Accounts as "Servicing Advances Accounts". Any amounts received in respect of the repayment of Primary Collateral consisting of Servicing Advances received by an Obligor shall be deposited in the Servicing Advances Accounts no later than the Applicable Deposit Date and shall be held in the Servicing Advances Accounts pending application of such proceeds in accordance with this Section 4.02(b). No funds other than Net Cash Proceeds of Collateral Dispositions with respect to Servicing Advances or amounts received in respect of the repayment of Primary Collateral consisting of Servicing Advances shall be deposited in the Servicing Advances Accounts. The Borrowers may withdraw Collections (other than Net Cash Proceeds) on deposit in the Servicing Advances Accounts, provided that no Default has occurred and is continuing and no Default would result from such withdrawal, (i) to make Servicing Advances with respect to Eligible Servicing Advances Agreements (which Servicing Advances, for the avoidance of doubt, shall constitute Primary Collateral) or (ii) to make prepayments of any Loan in accordance with Section 2.08(c) or Section 2.09.

Section 4.03. Collections Deposited to Collection Accounts. The Obligors agree, subject to the Account Exceptions, to use all commercially reasonable efforts to maintain their cash management system so as to enable the Collateral Control Agent to exercise control, pursuant to Account Control Agreements, over all material U.S. located bank and securities accounts of ResCap and its Subsidiaries intended to contain solely funds and securities of ResCap and its Subsidiaries (excluding the Exempt Cash Reserve Account, accounts of Financing SPVs, accounts of independent third parties, accounts setup for Bilateral Facilities and accounts holding funds held on account for, in trust for, or by ResCap or a Subsidiary as a custodian for, any third party) and cause all liquidity reserves (other than funds permitted to be held in the Exempt Cash Reserve Account) of ResCap and its Subsidiaries to be on deposit in such accounts, subject to such exceptions as the Lender Agent shall agree in writing. Subject to the Account Exceptions and Section 4.02, the Obligors shall arrange for (a) all Collections in respect of the Collateral to be deposited in a Collection Account no later than the Applicable Deposit Date, (b) all liquidity

reserves of ResCap and its Subsidiaries to be held (subject to the Account Exceptions) in the Collection Accounts. To the extent that any funds are not deposited or held in the Collections Accounts in accordance with the preceding sentence, such funds shall be deemed to be held by such Obligor, in trust for the Lenders and shall not be used by any Obligor for any purposes whatsoever. For the avoidance of doubt, all Collections (other than Net Cash Proceeds from a Collateral Disposition) relating to European Reporting Assets underlying the English Note or the Dutch Note shall be deposited into and held in the Transaction Account (as defined in the Master Definitions Schedule dated June 4, 2008, as amended from time to time) for the English SPE or the Transaction Account (as defined in the Master Definitions Agreement dated June 4, 2008, as amended from time to time) for the Dutch SPE, as applicable.

Section 4.04. Withdrawals from Designated Accounts; Account Notices. So long as no Default has occurred and is continuing or would result from such withdrawal, the Lender Agent and Lenders shall permit the Obligors to withdraw funds from each Concentration Account, Collection Account and (to the extent permitted under Section 4.02) Sales Proceeds Accounts from time to time and the Lender Agent agrees that it will not direct the Collateral Control Agent to provide any notice to any account bank directing such account bank not to honor a request or instruction from any Obligor with respect to any Concentration Account, Collection Account or Sales Proceeds Account prior to such time.

Section 4.05. Cash and Cash Equivalents. Deposits in each Concentration Account, Collection Account or Sales Proceeds Account may be held in cash or Cash Equivalents. To the extent that any funds that do not constitute Collateral or proceeds of Collateral are deposited to any of such Accounts, as such funds are reasonably identified to the Lender Agent in a timely manner, the Lender Agent shall instruct the Collateral Control Agent to release such funds from the Lien of the Security Agreement.

ARTICLE V

CONDITIONS PRECEDENT

Section 5.01. Conditions Precedent to Effectiveness. The amendment and restatement of this Agreement shall become effective upon the satisfaction of (a) the condition precedent that the Lender Agent shall have received (or waived delivery of) each of the items set forth in Schedule 5.01 (unless otherwise indicated) dated such date, and in such form and substance, as is satisfactory to the Lender Agent and (b) the other conditions specified in Schedule 5.01 have been satisfied or waived by the Lender Agent.

ARTICLE VI

REPRESENTATIONS AND WARRANTIES

Section 6.01. Representations and Warranties of the Obligors. Each Obligor represents and warrants to each Lender Party that throughout the term of this Agreement (including but not limited to as of the date of each Collateral Disposition):

Each of such Obligor and each of its Subsidiaries is duly qualified to do business, and has obtained all necessary licenses and approvals, in all jurisdictions in which its ownership or lease of property or the conduct of its business requires such qualification, licenses or approvals, except to the extent failure to so qualify or to obtain licenses and approvals could not reasonably be expected to have a Material Adverse Effect.

(c) Power and Authority; Due Authorization. Each of such Obligor and each of its Subsidiaries (i) has all necessary power and authority and legal right to (A) execute and deliver each of the Facility Documents to be executed and delivered by it in connection herewith, (B) carry out the terms of the Facility Documents to which it is a party and (C) borrow the Loans or provide the Guarantee hereunder (as applicable) and grant a security interest or lien in the portion of the Collateral that it owns on the terms and conditions herein provided or as otherwise required by the Facility Documents and (ii) has taken all necessary corporate, partnership or limited liability company action to duly authorize (A) such borrowing, guarantee and/or grant, as appropriate and (B) the execution, delivery, and performance of this Agreement and all of the Facility Documents to which it is a party.

(d) Binding Obligations. Each Facility Document to which such Obligor and any of its Subsidiaries is a party constitutes, or when duly executed and delivered by such Obligor or Subsidiary will constitute, the legal, valid and binding obligations of such Obligor or such Subsidiary enforceable against it in accordance with its respective terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(e) No Violation. Except for those consents required in connection with the Lenders exercising their rights under Section 8.02 hereof, neither the execution and delivery of the Facility Documents, nor the consummation of the transactions contemplated hereby and thereby, will conflict with, result in any breach of any of the terms and provisions of, or constitute (with or without notice, lapse of time or both) a default under, its organizational documents or any indenture, loan agreement, mortgage, deed of trust, or other material agreement or instrument to which such Obligor or any of its Subsidiaries is a party or by which any of them or their property is otherwise bound, or result in the creation or imposition of any Lien upon any of its properties pursuant to the terms of any such indenture, loan agreement, mortgage, deed of trust, or other agreement or instrument, other than this Agreement and the Security

Documents, or violate any Requirements of Law applicable to it of any Governmental Authority having jurisdiction over it or any of its properties if such violation, individually or in the aggregate, is reasonably likely to result in a Material Adverse Effect.

(f) No Proceedings. There are no proceedings or investigations pending, or to the best of such Obligor's knowledge threatened in writing, against it before any court, regulatory body, administrative agency, or other tribunal or governmental instrumentality (i) asserting the invalidity of any Facility Document, (ii) seeking to prevent the consummation of any of the transactions contemplated by any Facility Document, or (iii) seeking any determination or ruling that could reasonably be expected to have a Material Adverse Effect; provided, however, that this representation shall not apply to (x) matters that have been disclosed to the Lender Agent in writing prior to closing, or (y) matters arising from the attempts of the Obligors to enforce their rights with respect to the Collateral other than purported or certified class action law suits involving any portion of the Collateral or Supporting Assets consisting of mortgage loans which have a material impact on the enforceability or value of such mortgage loans or the Lender's security therein.

(g) Government Approvals. No authorization, consent, approval, or other action by, and no notice to or filing with, any court, governmental authority or regulatory body or other Person, domestic or foreign, is required for the due execution, delivery or performance of any Facility Document to which such Obligor is a party except for (i) consents that have been obtained in connection with transactions contemplated by the Facility Documents, it being understood that consents to the pledge of interests in BCG Joint Ventures were initially verbal consents, to be followed by written consents in accordance with the Post-Closing Requirements, (ii) filings to perfect the security interest created by the Security Documents and (iii) consents required in connection with the First Priority Collateral Agent exercising its rights under Section 8.02 hereof.

(h) Solvent: Fraudulent Conveyance. ResCap and its Subsidiaries, on a consolidated basis, are Solvent and will not cease to be Solvent due to any Loan or any guaranty hereunder (both immediately before and after giving effect to such Loan or guaranty). The amount of consideration being received by an Obligor upon its pledge or provision of any Collateral to the First Priority Collateral Agent for the benefit of the Lender Parties constitutes reasonably equivalent value and fair consideration for such Collateral. No Obligor is pledging or providing any Collateral with any intent to hinder, delay, or defraud any of its creditors.

(i) Margin Regulations. Margin Stock (as defined in the regulations of the Board) constitutes less than 25% of the value of those assets of it that are subject to any limitation on sale, pledge, or other restriction hereunder. No Obligor is engaged in the business of extending credit for the purpose of buying or carrying Margin Stock, and no proceeds of Loans will be used to purchase or carry Margin Stock or otherwise for a purpose that violates, or would be inconsistent with, F.R.S. Board Regulations T, U or X.

(j) Accurate Reports. No written information, exhibit, financial statement, document, book, record, or report furnished or to be furnished or caused to be furnished by such Obligor to the Lender Agent or any Lender in connection with the Facility Documents was inaccurate in any material respect as of the date it was dated or (except as otherwise disclosed in writing to the Lenders or the Lender Agent at such time) as of the date so furnished, or contained any material misstatement of fact or omitted to state a material fact or any fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading; provided that any such inaccuracy, misstatement or omission in any Permanent Paydown Report not included in the Monthly Collateral Report or any daily report regularly provided to the Lender Agent in connection with this Loan Agreement shall not constitute a breach of this Section 6.01(j) if such calculation was prepared in good faith, based on the actual knowledge of ResCap Treasury available at the time and in accordance with ResCap's general accounting and business policies as in effect as of the date such information was furnished.

(k) No Default. No Default has occurred and is continuing.

(l) Investment Company Act. Neither such Obligor nor any of its Subsidiaries is required to register as an "investment company" under the Investment Company Act.

(m) Taxes. Each of such Obligor and each of its Subsidiaries has filed all material United States federal tax returns and all other material returns that are required to be filed, and has paid all material taxes due pursuant to said returns or pursuant to any assessment received by it, except such taxes, if any, as are being contested in good faith by appropriate proceedings diligently conducted and as to which adequate reserves have been provided in accordance with GAAP. The charges, accruals and reserves on the books of such Obligor in respect of taxes and other governmental charges are, in the opinion of such Obligor, adequate.

Except as disclosed to the Lender Agent prior to the Amendment Closing Date, (i) with respect to the Borrowers only, each Borrower is approved by Fannie Mae as an approved lender, (ii) GMAC Mortgage is approved by each of Freddie Mac and Ginnie Mae as an approved seller, HUD pursuant to Sections 203 and 211 of the National Housing Act, the FHA as an FHA Approved Mortgagee and Servicer, and the VA as a VA Approved Lender, (iii) GMAC Mortgage is approved by Freddie Mac, Fannie Mae and Ginnie Mae as an approved servicer, (iv) each Borrower is in good standing with Freddie Mac, Ginnie Mae, HUD, the FHA, and/or the VA, as applicable, (v) no circumstances exist that would either entitle Freddie Mac, Ginnie Mae, HUD, the FHA or the VA to revoke or suspend any such approvals or entitle Freddie Mac or Ginnie Mae to terminate any Borrower as servicer for cause under any servicing arrangement, (vi) no Borrower has received from Freddie Mac, Ginnie Mae, HUD, the FHA or the VA any notice revoking or suspending, or indicating any intent to revoke or suspend or indicating any adverse fact or circumstance which could reasonably be expected to entitle Freddie Mac, Ginnie Mae, HUD, the FHA or the VA, as the case may be, to revoke or suspend any of the

aforementioned approvals, and (vii) each FHA Insurance Contract and VA Guaranty Agreement applicable to the Borrowers or any other Obligor or their Subsidiaries is in full force and effect.

(o) Financial Statements. (i) ResCap has delivered to the Lender Agent a copy of (1) ResCap's audited, consolidated financial statements dated as of December 31, 2008, comprised of the consolidated statements of income or operations and cash flows for the preceding twelve (12) month period and the consolidated balance sheet as at December 31, 2008, and (2) ResCap's quarterly consolidated financial report for the period ended September 30, 2009; each was prepared in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein, subject to ordinary, good faith year-end audit adjustments; and each of (1) and (2) are correct in all material respects and fairly present the consolidated financial condition of ResCap and its consolidated Subsidiaries, as of the dates thereof and consolidated results of operations for the periods covered thereby and (ii) As of the date of this Agreement, since September 30, 2009, other than as has been previously disclosed by the Borrowers or ResCap to the Lenders or the Lender Agent prior to the date hereof, there has been no change in such financial condition or results of operation that is reasonably likely to have a Material Adverse Effect. EVENTS OF DEFAULT

Section 8.01. Events of Default. The following events shall be “Events of Default”:

(a) The Borrowers shall fail to pay the principal of, or interest on, any Loan when due (whether at stated maturity, in accordance with Section 2.08(b), upon acceleration or otherwise); any Obligor shall fail to make any other payment or deposit to be made by them hereunder or under any Facility Document when due and such failure shall continue for two (2) Business Days; provided that if (i) an Obligor shall fail to deposit a Specified Amount, and (ii) such failure results from good faith administrative error in the ordinary course of business, such failure (and any related failure to apply Collateral Disposition Proceeds to the repayment of Loans by the related Mandatory Repayment Date) will not become an Event of Default if such Net Cash Proceeds are deposited by the earlier of (x) the thirteenth Business Day of the calendar month following the month in which such Collateral Disposition occurred and (y) two (2) Business Days after actual knowledge of such failure and (with respect to Collateral Disposition Proceeds) are applied to the repayment of Loans on the next Business Day;

(b) Any representation or warranty made or deemed to be made by an Obligor or its Subsidiary (or any of such Person’s officers) under or in connection with this Agreement or any other Facility Document, or any written information, certificate, or report delivered pursuant hereto or to any Facility Document shall prove to have been false or misleading in any material respect when made or repeated or deemed to have been made, furnished or repeated after the earlier of (i) such Obligor having actual knowledge thereof and (ii) written notice of such default from any Lender or the Lender Agent;

(c) Any Obligor or its Subsidiary (i) shall fail to comply with the requirements of any of Section 7.01(e), 7.01(k), 7.02(a), 7.02(h) through (l), 7.02(p), 7.03(a), 7.03(c), 7.03(i) or 7.03(j) hereof or (ii) shall fail to perform or observe any term, covenant or agreement contained in this Agreement or any other Facility Document (other than with respect to the making of any payment or other breach under this Article VIII or as set forth in clause (i) of this Section 8.01(c)) on its part to be performed or observed and any such failure shall remain unremedied for ten (10) Business Days after the earlier of (x) any Obligor having actual knowledge thereof and (y) written notice of such default from the Lender Agent or any Lender to the Borrowers;

(d) An Event of Bankruptcy shall have occurred with respect to any Obligor or Restricted Entity;

(e) With respect to any Indebtedness arising under (i) a Bilateral Facility or any other Indebtedness (excluding Non-Recourse Debt) of ResCap or any of its Subsidiaries in excess of \$25,000,000, individually or in the aggregate, or (ii) a Related Document, such Indebtedness (x) is not paid when due or within any applicable cure period set forth in any agreement or instrument relating to such indebtedness, (y) is declared due and payable before its normal or agreed maturity by reason of default (however described) or (z) is the subject of any other “event of default” or other breach or failure to perform, in either case which remains after the expiration of any applicable grace period under such agreement;

(f) The failure by any Obligor to pay one or more final judgments for the payment of money aggregating in excess of \$25,000,000 rendered against such Person which are not, within 30 days after entry thereof, bonded, discharged or stayed pending appeal, or are not discharged within 30 days after the expiration of such stay;

(g) This Agreement, any Note, any Facility Document or any Security Document (other than the Intercreditor Agreement) shall (except in accordance with its terms), in whole or in part, terminate, cease to be effective or cease to be the legally valid, binding and enforceable obligation of any Obligor or Restricted Entity party thereto, or the Lien granted under the Security Documents ceases to be in full force and effect or, in each case, any Obligor, Restricted Entity or other Person shall contest in any manner such effectiveness, validity, binding nature or enforceability;

(h) The Collateral Control Agent or the First Priority Collateral Agent (for the benefit of the Lender Parties) does not, or ceases to, have a perfected first priority security interest in the Collateral or any material part thereof (other than with respect to Permitted Liens) other than as a result of a release of such security interest by the First Priority Collateral Agent in accordance with the Facility Documents, and such default continues unremedied for a period of one (1) Business Day after the earlier of (i) either Borrower having actual knowledge thereof and (ii) written notice of such default from the Lender Agent, the First Priority Collateral Agent or any Lender to the Borrowers;

(i) A Change of Control shall occur with respect to any Obligor, without the prior written consent of each Lender, which consent shall not be unreasonably withheld;

respect to any Pension Plan; (iii) any Lien in favor of the PBGC or a Pension Plan shall arise on the assets of any Obligor; (iv) a reportable event shall occur with respect to, or proceedings shall commence to have a trustee appointed, or a trustee shall be appointed, to administer or to terminate, any Pension Plan, which reportable event or commencement of proceedings or appointment of a trustee is, in the reasonable opinion of the Lender Agent, likely to result in the termination of such Pension Plan for purposes of Title IV of ERISA; (v) any Pension Plan shall terminate for purposes of Title IV of ERISA in a distress termination as defined in Section 4041 of ERISA; (vi) any Obligor shall, or in the reasonable opinion of the Lender Agent is likely to, incur any liability in connection with a withdrawal from, or the insolvency or reorganization of, a Multiemployer Plan; (vii) if the assets of any Obligor are treated as “plan assets” within the meaning of 29 C.F.R. 2510.3-101 as modified by Section 3(42) of ERISA; (viii) any other event or condition shall occur or exist with respect to a Pension Plan or Multiemployer Plan; and in each case in clauses (i) through (vii) above, such event or condition, together with all other such events or conditions, if any, could reasonably be expected to have a Material Adverse Effect or a material adverse effect on the Collateral, or any of the Lenders’ rights therein; or (ix) if the PBGC demands payment from any Obligor or any of its Subsidiaries for payment of unfunded liabilities under any pension or employee benefit plan (whether or not established by ResCap or its Subsidiaries) as to which any Obligor or any of its Subsidiaries has liability or (x) the PBGC gives any Obligor written notice of its intent to impose any Lien in favor of the PBGC on the assets of any Obligor or any of its Subsidiaries.

(l) Any of the following shall occur: (i) the Intercreditor Agreement or any provision thereof shall cease to be in full force and effect, or (ii) any Lien securing or purporting to secure Second Priority Claims (as defined in the Intercreditor Agreement) or Third Priority Claims (as defined in the Intercreditor Agreement) or any other obligations of any Obligor to any party (other than a “First Priority Secured Party” as defined in the Intercreditor Agreement) subject to the Intercreditor Agreement shall, for any reason, cease to be subordinated to the Lien securing or purporting to secure the First Priority Claims (as defined in the Intercreditor Agreement) in accordance with the terms of the Intercreditor Agreement; or

(m) The Lender Agent shall notify the Borrowers that an Event of Default has occurred as a result of failure by the Obligors to satisfy any of the Post-Closing Requirements in all material respects.

Section 8.02. Remedies.

(a) Optional Acceleration. Upon the occurrence of an Event of Default (other than an Event of Default described in Section 8.01(d)), the Lender Agent may (and shall if directed by the Required Lenders) by written notice to the Borrowers, terminate the Facility, terminate the Commitments, and declare all Loans and all other Obligations to be immediately due and payable.

(b) Automatic Acceleration. Upon the occurrence of an Event of Default described in Section 8.01(d), the Commitments shall automatically terminate and the Loans and all other Obligations shall be immediately due and payable, without demand or notice of any kind.

(c) Remedies. Upon any acceleration of the Loans pursuant to this Section 8.02, the Lender Parties, in addition to all other rights and remedies under this Agreement or otherwise, shall have all other rights and remedies provided under the UCC of each applicable jurisdiction and other applicable laws, which rights shall be cumulative. Each of the Obligors agrees, upon the occurrence of an Event of Default and notice from the Lender Agent, to assemble, at their expense, all of the Collateral that is in their possession (whether by return, repossession, or otherwise) at a place designated by the Lender Agent. All costs incurred by the Lender Parties in the collection of all Obligations, and the enforcement of their rights hereunder, including attorneys' fees and legal expenses, shall constitute Obligations and be paid out of the Collateral. Without limiting the foregoing, upon the occurrence of an Event of Default and the acceleration of the Loans pursuant to this Section 8.02, the Lender Agent, the Collateral Control Agent, the First Priority Collateral Agent and any Lender may, to the fullest extent permitted by applicable law, without notice, advertisement, hearing or process of law of any kind, (i) enter upon any premises where any of the Collateral which is in the possession of any Obligor (whether by return, repossession, or otherwise) may be located and take possession of and remove such Collateral, (ii) sell any or all of such Collateral, free of all rights and claims of the Obligors therein and thereto, at any public or private sale, and (iii) bid for and purchase any or all of such Collateral at any such sale. Any such sale shall be conducted in a commercially reasonable manner and in accordance with applicable law. Each of the Obligors hereby expressly waives, to the fullest extent permitted by applicable law, any and all notices, advertisements, hearings or process of law in connection with the exercise by the Lender Parties of any of their rights and remedies upon the occurrence of an Event of Default. Each of the Lender Parties and the Obligors shall have the right (but not the obligation) to bid for and purchase any or all Collateral at any public or private sale. Each of the Obligors hereby agrees that in any sale of any of the Collateral, the Lender Parties are hereby authorized to comply with any limitation or restriction in connection with such sale as they may be advised by counsel is necessary in order to avoid any violation of applicable law (including, without limitation, compliance with such procedures as may restrict the number of prospective bidders and purchasers, require that such prospective bidders and purchasers have certain qualifications, and restrict such prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of such Collateral), or in order to obtain any required approval of the sale or of the purchaser by any Governmental Authority, and each of the Obligors further agrees that such compliance shall not result in such sale being considered or deemed not to have been made in a commercially reasonable manner. The Lender Parties shall not be liable for any sale, private or public, conducted in accordance with this Section 8.02(c). If an Event of Default occurs, and upon acceleration of the Loans hereunder, the Loans and all other Obligations shall be immediately due and payable, and collections on the Collateral and proceeds of sales and securitizations of Collateral will be used to pay the Obligations. At any time after an Event of Default has occurred and is continuing, the Lender Agent may (and shall at the direction of any Lender) appoint, at its own expense, one or more third parties to service all or a portion of the Collateral by giving written notice thereof to the Obligors; provided that any such appointment shall not conflict with any existing contractual servicing arrangements with respect to the Collateral. Each Obligor agrees that it will cooperate

with and assist any such third-party servicer (including providing access to, and transferring, all records and allowing the new servicer to use (to the extent legally permissible) all licenses, hardware or software necessary or desirable to service the Collateral).

ARTICLE IX

ASSIGNMENT, PARTICIPATION

Section 9.01. Assignments. (a) No Obligor may assign its rights, interests, liabilities or obligations hereunder or under the other Facility Documents without the prior written consent of each Lender.

(b) Any Lender may at any time assign and delegate to one or more commercial banks or financial institutions or other Eligible Assignees (an “Assignee”) all or any fraction of such Lender’s rights under this Agreement (including all or a portion of its outstanding Loans and Commitment); provided that the Lender Agent shall have consented to such assignment in writing and, if such Assignee is not an Affiliate of such Lender and no Event of Default exists, the Borrowers shall have consented to such assignment in writing, which consent of the Borrowers shall not be unreasonably withheld, delayed or conditioned.

(c) Upon acceptance thereof by the Lender Agent, from and after the effective date specified in each Assignment and Acceptance, (i) the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and (ii) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, subject to Section 13.11, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto, but shall continue to be entitled to the benefits of any provisions of this Agreement that by their terms survive the termination of this Agreement). If the consent of the Borrowers to an assignment is required hereunder, each Borrower shall be deemed to have given its consent ten (10) days after the date notice thereof has been delivered by the assigning Lender unless such consent is expressly refused by a Borrower prior to such tenth day.

(d) The Lender Agent shall record each assignment made in accordance with this Section in the Register pursuant to Section 2.02(b) and periodically give the Borrowers notice of such assignments. The Register shall be available for inspection by the Borrowers and any Lender, as to its Commitment and outstanding Loans only, at any reasonable time and from time to time upon reasonable prior notice.

(e) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(f) Any attempted assignment and delegation not made in accordance with this Section 9.01 shall be null and void.

Section 9.02. Evidence of Assignment. Within five (5) Business Days after effectiveness of any assignment, the Borrowers shall execute and deliver to the Lender Agent (a) for delivery to the Assignee, a new Note or, if the Assignee was already a holder of a Note immediately prior to such effectiveness, a replacement Note in the appropriate principal amount based on such Assignee's Commitments after giving effect to such assignment; and (b) if the assigning Lender still holds any Commitment, for delivery to the assigning Lender, a replacement Note in the appropriate principal amount based on such Assignee's Commitments after giving effect to such assignment. Each such Note shall be dated the effective date of such assignment.

Section 9.03. Rights of Assignee, Evidence of Assignment. From and after the date on which the conditions described in Section 9.01(b) have been met, the assigning Lender shall be released from its obligations hereunder to the extent of the rights and obligations hereunder that have been assigned. Upon the assignment by the Lender of all of its rights and obligations hereunder, under the Note and under the other Facility Documents to an assignee in accordance with Section 9.01, such assignee shall have all such rights and obligations of the Lender as set forth in such assignment or delegation, as applicable, and all references to the Lender in this Agreement or any Facility Document shall be deemed to apply to such assignee to the extent of such interest.

Section 9.04. Participations. (a) Any Lender may at any time sell to one or more commercial banks or other Persons participating interests in any Loan owing to such Lender, any Note held by any Lender, the obligations to make Loans of such Lender or any other interest of such Lender hereunder (any Person purchasing any such participating interest being herein called a "Participant") provided that so long as no Default exists any such participation (other than a participation to General Motors Corporation, Cerberus Capital Management, L.P., or any of their Affiliates) shall be subject to the consent of each Borrower (such consent not to be unreasonably withheld, delayed or conditioned). In the event of a sale by any Lender of a participating interest to a Participant, (a) such Lender shall remain the holder of its Note for all purposes of this Agreement, (b) the Obligors shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations hereunder and (c) all amounts payable by the Obligors shall be determined as if such Lender had not sold such participation and shall be paid directly to such Lender. No Participant shall have any direct voting rights hereunder. The Obligors agree that if amounts outstanding under this Agreement and the Notes are due and payable (as a result of acceleration or otherwise), each Participant shall be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement and any Note to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement or such Note; provided that if any Lender or any Participant shall obtain any payment or other recovery (whether voluntary, involuntary, by application of setoff or offset or otherwise) on account of principal of or interest on any Loan in excess of its pro rata share of payments (after giving effect to all participations hereunder) and other recoveries obtained by such Lender and the Participants on account of principal of and interest on the Loans then held by them, such Lender or the applicable Participant (as the case may be) shall purchase from the other party or parties such participations in the Loans held by them as shall be necessary to cause such purchasing Person to share the excess payment or other recovery

ratably with each of them; provided that if all or any portion of the excess payment or other recovery is thereafter recovered from such purchasing Person, the purchase shall be rescinded and the purchase price restored to the extent of such recovery. Each Obligor also agrees that each Participant shall be entitled to the benefits of Sections 2.07(b), 2.07(c) and 3.02 as if it were a Lender and had acquired its interest by assignment (provided that such Participant shall have complied with the requirements of said Section as though it were a Lender that acquired its interest by assignment).

(b) In the event that a Lender sells participations in any Loan, Note or the obligation to make Loans or any interest of such Lender, such Lender shall maintain a register on which it enters the name of all participants in the Loan or Note held by it and the principal amount (and interest thereon) of the portion of the Loan or Note which is the subject of the participation (the "Participant Register"). A Loan or Note may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Loan or Note may be effected only by the registration of such participation on the Participant Register. The Participant Register shall be available for inspection by the Borrowers at any reasonable time and from time to time upon reasonable prior notice.

ARTICLE X

INDEMNIFICATION

Section 10.01. Indemnities by the Borrowers. Without limiting any other rights which any such Person may have hereunder or under applicable law, and in consideration of the execution and delivery of this Agreement and the Facility evidenced by the Facility Documents, the Borrowers hereby agree to jointly and severally indemnify the Lenders, the Lender Agent, the First Priority Collateral Agent, the Collateral Control Agent and their respective Affiliates, successors, permitted transferees and assigns and all officers, directors, shareholders, controlling persons, employees and agents of any of the foregoing (each an "Indemnified Party"), forthwith on demand, from and against any and all damages, losses, claims, liabilities, obligations penalties, causes of action, demands, judgments, suits and related costs and expenses, including reasonable attorneys' fees and disbursements (all of the foregoing being collectively referred to as "Indemnified Amounts") awarded against or incurred by any of them arising out of or as a result of (a) any transaction financed or to be financed in whole or in part, directly or indirectly, with the proceeds of any Loan; (b) the entering into and performance of any Facility Document by any of the Indemnified Parties; (c) the Facility Documents, the Loans and the extension of the Commitments, the failure of any Obligor or Restricted Entity to comply with the terms of the Facility Documents or Requirements of Law, the inaccuracy of any representation or warranty of any Obligor or Restricted Entity set forth in the Facility Documents or in a certificate, instrument or document delivered in connection therewith, and the use by any Obligor of the proceeds of any Loans; (d) any investigation, litigation or proceeding related to any acquisition or proposed acquisition by any Obligor or any Subsidiary thereof of all or any portion of the capital stock or assets of any Person, whether or not an Indemnified Party is party thereto; and (e) any transaction contemplated under the Facility Documents; excluding, however, (i) Indemnified Amounts to the extent a court of competent jurisdiction in a final non-appealable judgment determines that they resulted from gross negligence, bad faith or willful misconduct on the part

of such Indemnified Party; (ii) any lost profits (other than in connection with Breakage Costs) or indirect, exemplary, punitive or consequential damages of any Indemnified Party; and (iii) any and all present or future taxes, fees, levies, imposts, deductions, duties, withholdings, assessments or other charges imposed by any Governmental Authority, including any interest, additions to tax or penalties applicable thereto, which shall be governed by the terms of Section 3.02. Without limiting the foregoing, in any suit, proceeding or action brought by any Indemnified Party in connection with any Collateral for any sum owing thereunder, or to enforce any provisions of any Collateral, the Borrowers will save, indemnify and hold the applicable Indemnified Party harmless from and against all expense, loss or damage suffered by reason of any defense, set-off, counterclaim, recoupment or reduction or liability whatsoever of the account debtor or obligor thereunder, arising out of a breach by either Borrower of any obligation thereunder or arising out of any other agreement, indebtedness or liability at any time owing to or in favor of such account debtor or obligor or its successors from the Borrowers. The Borrowers also agree to reimburse the Indemnified Parties as and when billed by such party for all out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) incurred in connection with the enforcement or the preservation of such party's rights under or in connection with this Agreement, the Notes, any other Facility Document, any Security Document, any Collateral or any transaction contemplated hereby or thereby, including without limitation the fees and disbursements of its counsel. The Borrowers hereby acknowledge that, notwithstanding the fact that the Notes are secured by the Collateral, the obligation of the Borrowers under the Notes are recourse obligations of the Borrowers. Under no circumstances shall any Indemnified Party be liable to the Borrowers for any lost profits (other than in connection with Breakage Costs) or indirect, exemplary, punitive or consequential damages.

Section 10.02. General Provisions. If for any reason the indemnification provided above in Section 10.01 (and subject to the limitations on indemnification contained therein) is unavailable to an Indemnified Party or is insufficient to hold an Indemnified Party harmless on the basis of public policy, then the Borrowers shall contribute to the amount paid or payable by such Indemnified Party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect not only the relative benefits received by such Indemnified Party on the one hand and the Borrowers on the other hand but also the relative fault of such Indemnified Party as well as any other relevant equitable considerations.

The provisions of this Article X shall survive the termination or assignment of this Agreement, the payment of the Obligations and the resignation or removal of any of the Indemnified Parties.

ARTICLE XI

GUARANTEE

Section 11.01. Unconditional Guarantee. To induce the Lenders to enter into this Agreement, each of the Guarantors jointly and severally, absolutely, unconditionally and irrevocably guarantees to the Lender Parties and their successors and permitted assigns (a) the prompt and complete payment and performance when due (whether at stated maturity, or otherwise by required prepayment, declaration, acceleration, demand or otherwise), of the Obligations now or hereafter owing; and (b) all renewals, rearrangements, increases, extensions

for any period, substitutions, modification, amendments or supplements in whole or in part of any of the Facility Documents or obligations (in each case including all such amounts which would become due but for the operation of the automatic stay under Section 362(a) of the United States Bankruptcy Code, 11 U.S.C. §362(a), and the operation of Sections 502(b) and 506(b) of the United States Bankruptcy Code, 11 U.S.C. §502(b) and §506(b)).

Section 11.02. Nature of Guarantee. Each Guarantor's obligations hereunder (a) are continuing, absolute, unconditional and irrevocable; (b) shall remain in full force and effect until all Obligations are paid in full in cash and the Commitments have terminated or expired (unless this Guarantee is reinstated pursuant to the terms of this Article XI); and (c) shall not be affected by (i) the existence, validity, enforceability, perfection or extent of any collateral therefor, the validity, regularity or enforceability of the Facility Documents, (ii) the absence of any action to enforce any Obligor's or other Person's obligations under any of the Facility Documents or to otherwise assert any claim or enforce any right of any Lender Party under the Facility Documents or in or to the Collateral, (iii) any waiver or consent by any Obligor with respect to any provisions of this Agreement or any other Facility Document, (iv) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other extension, increase, compromise or renewal of any Obligation, (v) any reduction, limitation, impairment or termination of any Obligations for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to (and each Guarantor hereby waives any right to or claim of) any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Obligations, (vi) any amendment to, extension, variance, alteration, rescission, waiver, increase, or other modification of, or any consent to departure from, any of the terms of this Agreement or any other Facility Document including, without limitation, any increase or reduction to the rate of interest on all or any of the Obligations, (vii) any addition, exchange, release, surrender or non-perfection of any Collateral, or any amendment to or waiver or release or addition of, or consent to departure from, any other guaranty or any other security document, held by a Lender Party, (viii) the insolvency of any other Obligor, or (ix) any other circumstance relating to the Obligations that might otherwise constitute a legal or equitable discharge of or defense to this Guarantee. Each of the Guaranties under this Article XI is a guarantee of payment and not a guarantee of collection, and each Guarantor jointly and severally agrees that any Lender Party may resort to such Guarantor for payment of any of the Obligations owed to it whether or not such Lender Party shall have resorted to any collateral therefor or shall have proceeded against any Person principally or secondarily liable for any of the Obligations, including any Obligor, and whether or not such Lender Party has pursued any other remedy available to it. No Lender Party shall be obligated to file any claim relating to the Obligations in the event that any Obligor becomes subject to a bankruptcy, reorganization or similar proceeding, and the failure of the applicable Lender Party to so file shall not affect any obligation of a Guarantor hereunder. In the event that any payment to the Lender Parties in respect of any Obligations owed to them is rescinded or must otherwise be returned for any reason whatsoever, the Guarantors shall remain jointly and severally liable hereunder with respect to such Obligations as if such payment had not been made and the Guarantee shall be reinstated, if applicable. At any time and from time to time, upon the written request of any Lender Party, and at the sole expense of the Guarantors, the Guarantors will furnish such information regarding the financial well-being of the Guarantors as may be reasonably requested by such Lender Party.

Section 11.03. Certain Agreements; Waivers of Certain Notices. Each Guarantor authorizes each Lender Party, without notice or demand and without affecting its liability hereunder, from time to time, to forbear, indulge or take other action or inaction in respect of this Guarantee or the Obligations, or to exercise or not exercise any right or remedy hereunder or otherwise with respect to the Obligations. Each Guarantor waives (a) promptness, diligence, presentment, notice of acceptance and any other notice with respect to any of the Obligations and this Article XI and any requirement that any Lender Party protect, secure, perfect or insure any security interest or Lien, or any property subject thereto, or exhaust any right or take any action against the Borrower, any Guarantor or any other Person (including any other guarantor) or any collateral securing the Obligations; (b) all rights that it may have now or in the future under any statute, or at common law, or in law or equity, or otherwise, to the extent allowed under Requirements of Law, to compel any Lender Party to marshal assets or to proceed in respect of Obligations guaranteed hereunder or under any Facility Document against any Borrower or any other Guarantor, any other party or against any security for the payment and performance of the Obligations before proceeding against, or as a condition to proceeding against, such Guarantor; and (c) each and every right to which it may be entitled by virtue of the suretyship under Requirements of Law. It is agreed among each Guarantor and the Lender Parties that the foregoing waivers and the other waivers contained in this Agreement are of the essence of the transaction contemplated by this Agreement (including Article XI) and the Facility Documents and that, but for the provisions of this Section 11.03 and such waivers, the Lender Parties would decline to enter into this Agreement.

Section 11.04. Waiver of Subrogation. Until two years and one day after the Obligations are repaid in full in cash and the Commitments have expired or terminated, each Guarantor hereby expressly and irrevocably waives any and all rights at law or in equity to subrogation, reimbursement, exoneration, contribution, indemnification or set off and any and all defenses available to a surety, guarantor or accommodation co-obligor. If any amounts are paid to the Guarantors in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Lender Parties and shall forthwith be paid to the Lender Agent for the account of the Lender Parties to reduce the amount of outstanding Obligations, whether matured or unmatured. Subject to the foregoing, upon payment of any of the Obligations, the Guarantors shall be subrogated to the rights of the Lender Parties against other Obligors with respect to such Obligations.

Section 11.05. Taxes. All payments by the Guarantors hereunder will be subject to Section 3.02.

Section 11.06. Payments. Each Guarantor hereby jointly and severally guarantees that the Obligations will be paid to each Lender Party without set-off or counterclaim, in lawful currency of the United States of America at the offices of each Lender Party specified by each Lender Party for such payment. The obligations of the Guarantors hereunder shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency except to the extent to which such tender or recovery shall result in the effective receipt by each applicable Lender Party of the full amount of the currency or currencies owing under this Guarantee, and the Guarantors shall jointly and severally indemnify each applicable Lender Party (as an alternative or additional cause of action) for the amount (if any) by which such effective receipt shall fall short of the full amount of currency or currencies

owing under this Guarantee and such obligation to indemnify shall not be affected by judgment being obtained for any other sums due hereunder.

Section 11.07. Severability of Article XI. Wherever possible, each provision of this Article XI will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Article XI is prohibited by or invalid under such law, such provision will be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Article XI. Consistent with the foregoing, and notwithstanding any other provision of this Article XI to the contrary, in the event that any action or proceeding is brought in whatever form and in whatever forum seeking to invalidate any Guarantor's obligations under this Article XI under any fraudulent conveyance, fraudulent transfer theory, or similar avoidance theory, whether under state or federal law, such Guarantor (the "Affected Guarantor"), automatically and without any further action being required of such Affected Guarantor or any Lender Party, shall be liable under this Article XI only for an amount equal to the maximum amount of liability that could have been incurred under applicable law by such Affected Guarantor under any guaranty of the Obligations (or any portion thereof) at the time of the execution and delivery of this Article XI (or, if such date is determined not to be the appropriate date for determining the enforceability of such Affected Guarantor's obligations hereunder for fraudulent conveyance or transfer (or similar avoidance) purposes, on the date determined to be so appropriate) without rendering such a hypothetical guaranty voidable under applicable law relating to fraudulent conveyance, fraudulent transfer, or any other grounds for avoidance (such highest amount determined hereunder being any such Affected Guarantor's "Maximum Guaranty Amount"), and not for any greater amount, as if the stated amount of this Article XI as to such Affected Guarantor had instead been the Maximum Guaranty Amount. This Section 11.07 is intended solely to preserve the rights of the Lender Parties under this Article XI to the maximum extent not subject to avoidance under applicable law, and neither any Affected Guarantor nor any other person or entity shall have any right or claim under this Section 11.07 with respect to the limitation described in this Article XI, except to the extent necessary so that the obligations of any Affected Guarantor under this Article XI shall not be rendered voidable under applicable law. Without limiting the generality of the foregoing, the determination of a Maximum Guaranty Amount for any Affected Guarantor pursuant to the provisions of the second preceding sentence of this Section 11.07 shall not in any manner reduce or otherwise affect the obligations of any other Guarantor (including any other Affected Guarantor) under the provisions of this Article XI.

Section 11.08. Acceleration of Guarantee. Each Guarantor agrees that, in the event of the dissolution or insolvency of any Obligor, or the inability or failure of any Obligor to pay debts as they become due, or an assignment by any Obligor for the benefit of creditors, or the commencement of any case or proceeding in respect of any Obligor under any bankruptcy, insolvency or similar laws, and if such event shall occur at a time when any of the Obligations of any Obligor may not then be due and payable, such Guarantor will pay to the Lender Agent for the account of the Lender Parties forthwith the full amount which would be payable hereunder by such Guarantor if all such Obligations were then due and payable.

Section 11.09. Election of Remedies. Except as otherwise provided in this Agreement, if any Lender Party proceeds to realize its benefits under any Facility Documents giving any Lender or the First Priority Collateral Agent a Lien upon any Collateral, either by judicial

foreclosure or by non-judicial sale or enforcement, such Lender Party may, at its option acting in its sole discretion, determine which remedies or rights it may pursue without affecting any of its rights and remedies under this Article XI. If, in the exercise of any of its rights and remedies, any Lender Party shall forfeit any of its rights or remedies, including its right to enter a deficiency judgment against any Obligor or any other Person, whether because of any Requirements of Law pertaining to "election of remedies" or the like, each Guarantor hereby consents to such action and waives any claim based upon such action, even if such action by the applicable Lender or First Priority Collateral Agent shall result in a full or partial loss of any rights of subrogation that such Guarantor might otherwise have had but for such action by such Lender Party. Any election of remedies that results in the denial or impairment of the right of any Lender Party to seek a deficiency judgment against any other Obligor shall not impair any Guarantor's obligation to pay the full amount of the Obligations under this Article XI.

Section 11.10. Benefit to Guarantor. Each Guarantor represents and agrees that (a) its business is integrally related to the business of the Borrowers and that it is in the best interests of the Guarantor to execute this Agreement and the Security Documents to which it is a party inasmuch as such Guarantor will derive substantial direct and indirect benefits from the Loans made from time to time to the Borrowers; (b) such Guarantor is willing to guarantee the Obligations; and (c) such Guarantor agrees that the Lender Parties are relying on this representation in agreeing to make Loans to the Borrower.

ARTICLE XII

LENDER AGENT

Section 12.01. Appointment and Authorization. Each Lender hereby irrevocably (subject to Section 12.09) appoints and designates GMAC Inc. as the Lender Agent under and for purposes of the Facility Documents and hereby authorizes the Lender Agent to take such action on its behalf under the provisions of this Agreement and each other Facility Document and to exercise such powers and perform such duties as are expressly delegated to or required of it by the terms of this Agreement or any other Facility Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Facility Document, the Lender Agent shall not have any duty or responsibility except those expressly set forth herein, nor shall the Lender Agent have or be deemed to have any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Facility Document or otherwise exist against the Lender Agent.

Section 12.02. Delegation of Duties. The Lender Agent may execute any of its duties under this Agreement or any other Facility Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Lender Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects with reasonable care.

Section 12.03. Liability of Lender Agent. None of the Lender Agent nor any of its directors, officers, employees or agents shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Facility Document

or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders for any recital, statement, representation or warranty made by the Obligor or any Subsidiary or Affiliate of the Obligor, or any officer thereof, contained in this Agreement or in any other Facility Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Lender Agent under or in connection with, this Agreement or any other Facility Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Facility Document, or for any failure of the Obligor or any other party to any Facility Document to perform its obligations hereunder or thereunder. The Lender Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Facility Document, or to inspect the properties, books or records of the Obligor or any of the Obligor's Subsidiaries or Affiliates.

Section 12.04. Reliance by Lender Agent. The Lender Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, email, telex or telephone message, statement or other document or conversation reasonably believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to the Obligor), independent accountants and other experts selected by the Lender Agent. The Lender Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Facility Document unless it shall first receive such advice or concurrence of each Lender as it deems appropriate and, if it so requests, confirmation from the Lenders of their obligation to indemnify the Lender Agent against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Lender Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Facility Document in accordance with a request or consent of the Required Lenders or, to the extent expressly required by Section 13.01 or any other provision of the Facility Documents, all Lenders.

Section 12.05. Notice of Default. The Lender Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Borrowing Base Deficiency, unless the Lender Agent shall have received written notice from a Lender or the Borrowers referring to this Agreement, describing such Default and stating that such notice is a "notice of default" or describing such Borrowing Base Deficiency. The Lender Agent will notify the Lenders of its receipt of any such notice. The Lender Agent shall take such action with respect to such Default as may be requested by the Required Lenders in accordance with Section 8.02; provided that, unless and until the Lender Agent has received any such request, the Lender Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable or in the best interest of the Lenders (except to the extent that this Agreement expressly requires that such action be taken, or not taken, only with the consent of the Required Lenders or all Lenders).

Section 12.06. Credit Decision. Each Lender acknowledges that the Lender Agent has not made any representation or warranty to it, and that no act by the Lender Agent hereafter taken, including any review of the affairs of the Obligor and their Subsidiaries, shall be deemed to constitute any representation or warranty by the Lender Agent to any Lender. Each Lender

represents to the Lender Agent that it has, independently and without reliance upon the Lender Agent and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Obligors, and made its own decision to enter into this Agreement and to extend credit to the Borrowers hereunder. Each Lender also represents that it will, independently and without reliance upon the Lender Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Facility Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Obligors. Except for notices, reports and other documents expressly herein required to be furnished to the Lenders by the Lender Agent, the Lender Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial or other condition or creditworthiness of the Borrowers that may come into the possession of the Lender Agent.

Section 12.07. Indemnification. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand the Lender Agent and its directors, officers, employees and agents (to the extent not reimbursed by or on behalf of the Obligors and without limiting the obligation of the Obligors to do so), pro rata based on their Pro Rata Shares, from and against any and all Indemnified Amounts; provided that, no Lender shall be liable for any payment to any such Person of any portion of the Indemnified Amounts resulting from such Person's gross negligence or willful misconduct. Without limitation of the foregoing, each Lender shall reimburse the Lender Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorney costs) incurred by the Lender Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Facility Document, or any document contemplated by or referred to herein, to the extent that the Lender Agent is not reimbursed for such expenses by or on behalf of the Obligors. The undertaking in this Section shall survive repayment of the Loans, termination of the Commitments, cancellation of the Notes, any foreclosure under, or modification, release or discharge of, any or all of the Collateral Documents, termination of this Agreement and the resignation or replacement of the Lender Agent.

Section 12.08. Lender Agent in Individual Capacity. The Lender Agent and its Affiliates may make loans to, acquire equity interests in and generally engage in any kind of business with the Obligors and their respective Subsidiaries and Affiliates as though the Lender Agent were not the Lender Agent hereunder and without notice to or consent of the Lenders. Each of the Lenders acknowledges that, pursuant to such activities, the Lender Agent or its Affiliates may receive information regarding the Obligors or their respective Affiliates (including information that may be subject to confidentiality obligations in favor of the Obligors or their Affiliates) and acknowledges that the Lender Agent shall be under no obligation to provide such information to them. With respect to their Loans (if any), the Lender Agent and its Affiliates shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though the Lender Agent were not the Lender Agent, and the terms "Lender" and "Lenders"

include the Lender Agent and its Affiliates, to the extent applicable, in their individual capacities.

Section 12.09. Successor Lender Agent. The Lender Agent may resign as Lender Agent upon 30 days' notice to the Lenders. If the Lender Agent resigns under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders. If no successor agent is appointed prior to the effective date of the resignation of the Lender Agent, the Lender Agent may appoint, after consulting with (but without the consent of) the Lenders, a successor agent which shall be a Lender or a commercial banking institution organized under the laws of the United States (or any State thereof) or a United States branch or agency of a commercial banking institution, and having a combined capital and surplus of at least \$250,000,000. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to all the rights, powers and duties of the retiring Lender Agent and the term "Lender Agent" shall mean such successor agent, and the retiring Lender Agent's appointment, powers and duties as Lender Agent shall be terminated. After any retiring Lender Agent's resignation hereunder as Lender Agent, the provisions of this Article XII and Article X shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Lender Agent under this Agreement. If no successor agent has accepted appointment as Lender Agent by the date that is 30 days following a retiring Lender Agent's notice of resignation, the retiring Lender Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Lender Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above.

Section 12.10. [Reserved].

Section 12.11. Security Matters; Release of Collateral. (a) Each Lender and other Lender Party (by their acceptance of the benefits of any Collateral) acknowledges and agrees that the Lender Agent, the Collateral Control Agent and/or the First Priority Collateral Agent have entered into the Security Documents (including, without limitation, the Intercreditor Agreement) on behalf of the Lender Parties, and the Lender Parties hereby agree to be bound by the terms of such Security Documents, acknowledge receipt of copies of such Security Documents and consent to the rights, powers, remedies, indemnities and exculpations given to the Lender Agent, the First Priority Collateral Agent and/or the Collateral Control Agent thereunder. All rights, powers and remedies available to the Lender Agent, the First Priority Collateral Agent, the Collateral Control Agent and the Lender Parties with respect to the Collateral, or otherwise pursuant to the Security Documents, shall be subject to the provisions of such Security Documents. In the event of any conflict or inconsistency between the terms and provisions of this Agreement and the terms and provisions of such Security Documents, the terms and provisions of such Security Documents shall govern and control except that this Agreement shall govern and control the rights, powers, duties, immunities and indemnities of the Lender Agent. Each Lender and other Lender Party (by their acceptance of the benefits of any Collateral) hereby authorizes the Lender Agent, the Collateral Control Agent and/or the First Priority Collateral Agent to release (or authorize the release of) any collateral that is permitted to be sold or released pursuant to the terms of the Facility Documents. Each Lender hereby authorizes the First Priority Collateral Agent and the Collateral Control Agent to execute and deliver to the Borrowers, at the Borrowers' joint and several cost and expense, any and all releases of Liens, termination statements, assignments or other documents reasonably requested by the Borrowers

in connection with any sale or other disposition of property to the extent such sale or other disposition is permitted by the terms of this Agreement or is otherwise authorized by the terms of the Facility Documents. Each release of Collateral shall be substantially in the form of Exhibit 9.02 hereto.

(b) No Collateral shall be released from the security interest created by the Security Agreement without the prior written consent of the Lender Agent unless:

(i) If Financing Assets are sold or financed in the ordinary course of an Obligor's business pursuant to a Bilateral Facility, the Lien on such Asset shall be released automatically concurrently with sale or financing;

(ii) If Financing Assets with a Carrying Value of less than \$100,000,000 are sold or financed in the ordinary course of an Obligor's business, the Lien on such Asset shall be released automatically concurrently with sale or financing; or

(iii) If an Agency Asset is sold in the ordinary course of an Obligor's trading activities to a Person that is not an Affiliate of an Obligor, such Agency Asset shall be automatically released concurrently with such sale.

Any such release shall not become effective unless an Obligor shall have directed the First Priority Collateral Agent to release the applicable Collateral by delivering a Collateral Release Certificate to the First Priority Collateral Agent. In connection with any release effectuated pursuant to this Section 12.11 hereof, the First Priority Collateral Agent shall be entitled to conclusively rely, and shall be fully protected in relying, upon any such Collateral Release Certificate, and shall incur no liability to any Person in connection with acting in reliance thereon.

(c) This amendment and restatement of the Original Loan Agreement shall not effectuate a novation or extinguishment of the Liens securing obligations outstanding under the Original Agreement, and the obligations under this Agreement shall be secured by the Liens securing the obligations under the Original Agreement.

ARTICLE XIII

MISCELLANEOUS

Section 13.01. Amendments, Etc. The provisions of each Facility Document may from time to time be amended, modified or waived, if such amendment, modification or waiver is in writing and consented to by the Borrowers and the Required Lenders; provided that no such amendment, modification or waiver shall:

(a) modify Section 3.01(f), Section 3.01(g) (as it relates to sharing of payments) or this Section, in each case, without the consent of all Lenders;

(b) increase the aggregate amount of any Loans required to be made by a Lender pursuant to its Commitments, extend the Commitment Termination Date or extend the Loan Repayment Date, in each case without the consent of each Lender (it

being agreed, however, that any vote to rescind any acceleration made pursuant to Section 8.02 of amounts owing with respect to the Loans and other Obligations shall only require the vote of the Required Lenders);

(c) reduce the principal amount of or reduce the rate of interest on any Lender's Loans, reduce any fees described in Section 2.06 payable to any Lender or extend the date on which principal, interest or fees are payable in respect of such Lender's Loans, in each case without the consent of such Lender (provided that, the vote of Required Lenders shall be sufficient to waive the payment, or reduce the increased portion, of interest accruing under Section 3.01(b));

(d) reduce the percentage set forth in the definition of "Required Lenders" or modify any requirement hereunder that any particular action be taken by all Lenders without the consent of all Lenders;

(e) except as otherwise expressly permitted under a Facility Document, release (i) either Borrower from its Obligations under the Facility Documents or any Guarantor from its obligations under a Guarantee or (ii) all or substantially all of the Collateral under the Facility Documents, in each case without the consent of all Lenders; or

(f) affect adversely the interests, rights, protections or obligations of the Lender Agent (in its capacity as the Lender Agent), the First Priority Collateral Agent (in its capacity as the First Priority Collateral Agent) or the Collateral Control Agent (in its capacity as the Collateral Control Agent) unless consented to by the Lender Agent, the First Priority Collateral Agent or the Collateral Control Agent, respectively.

Section 13.02. Notices, Etc. All notices and other communications provided for hereunder shall, unless otherwise stated herein, be in writing (including facsimile communication and electronic mail) and shall be personally delivered or sent by certified mail or overnight air courier, postage prepaid, or by facsimile, to the intended party at the address or facsimile number of such party set forth opposite its name on Schedule 13.02 or at such other address or facsimile number as shall be designated by such party in a written notice to the other parties hereto. All such notices and communications shall be effective, (i) if personally delivered, when received, (ii) if sent by overnight air courier, the next Business Day after delivery to the related air courier service, if delivery is guaranteed as of the next Business Day, (iii) if sent by certified mail, three Business Days after having been deposited in the mail, postage prepaid, and (iv) if transmitted by facsimile, when sent, receipt confirmed by telephone or electronic means, if sent during business hours (if sent after business hours, then on the next Business Day) except that notices and communications pursuant to Article I shall not be effective until received.

Section 13.03. No Waiver; Remedies. No failure on the part of any Lender Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. No notice to or demand on any Obligor in any case shall entitle it to any notice or demand in similar or other circumstances. No waiver or approval by any Lender Party under any Facility Document shall, except as may be otherwise stated in

such waiver or approval, be applicable to subsequent transactions. No waiver or approval hereunder shall require any similar or dissimilar waiver or approval thereafter to be granted hereunder. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 13.04. Binding Effect; Assignability. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, provided, however, that nothing in the foregoing shall be deemed to authorize any assignment not permitted in Section 9.01.

Section 13.05. GOVERNING LAW; SUBMISSION TO JURISDICTION. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES (BUT WITH REFERENCE TO SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW, WHICH BY ITS TERMS APPLIES TO THIS AGREEMENT). EACH PARTY HERETO HEREBY IRREVOCABLY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK LOCATED IN THE BOROUGH OF MANHATTAN OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK FOR PURPOSES OF ALL LEGAL PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH SUCH LITIGATION. EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF THE VENUE OF ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT AND ANY CLAIM THAT ANY SUCH PROCEEDING BROUGHT IN SUCH A COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH PARTY HERETO HEREBY CONSENTS TO PROCESS BEING SERVED IN ANY SUIT, ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT, OR ANY DOCUMENT DELIVERED PURSUANT HERETO BY THE MAILING OF A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, RETURN RECEIPT REQUESTED, TO ITS RESPECTIVE ADDRESS SPECIFIED AT THE TIME FOR NOTICES UNDER THIS AGREEMENT OR TO ANY OTHER ADDRESS OF WHICH IT SHALL HAVE GIVEN WRITTEN OR ELECTRONIC NOTICE TO THE OTHER PARTIES. THE FOREGOING SHALL NOT LIMIT THE ABILITY OF ANY PARTY HERETO TO BRING SUIT IN THE COURTS OF ANY JURISDICTION.

EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO A TRIAL BY JURY WITH RESPECT TO ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT.

Section 13.06. Entire Agreement. This Agreement amends and restates in its entirety the Original Loan Agreement. As so amended, this Agreement and the Facility Documents embody the entire agreement and understanding of the parties hereto and supersede any and all prior agreements, arrangements and understanding of such parties, verbal or written, relating to the matters provided for herein. This amendment and restatement of the Original Loan Agreement shall not effectuate a novation or extinguishment of the obligations outstanding under the

Original Loan Agreement, but rather are an amendment and restatement of certain terms governing such obligations. As of the Amendment Closing Date, each reference in any Facility Document to the "Loan Agreement" shall mean this Agreement, as it may hereinafter be amended, restated or otherwise modified.

Section 13.07. Acknowledgment. Each Obligor hereby acknowledges that:

- (a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement, the Notes and the other Facility Documents to which it is a party;
- (b) no Lender Party has a fiduciary relationship to it, and the relationship between it and each Lender is solely that of debtor and creditor; and
- (c) no joint venture exists among or between it and any Lender Party.

Section 13.08. Captions and Cross References. The various captions (including, without limitation, the table of contents) in this Agreement are included for convenience only and shall not affect the meaning or interpretation of any provision of this Agreement. References in this Agreement to any underscored Section or Exhibit are to such Section or Exhibit of this Agreement, as the case may be.

Section 13.09. Execution in Counterpart; Effectiveness. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original (whether such counterpart is originally executed or an electronic copy of an original and each party hereto expressly waives its rights to receive originally executed documents other than with respect to any Note) and all of which when taken together shall constitute one and the same agreement. This Agreement shall become effective (i) with respect to all parties (other than the Affected Subsidiaries) when counterparts hereof executed on behalf of the parties hereto (other than the Affected Subsidiaries) shall have been received by the Lender Agent, and (ii) with respect to an Affected Subsidiary, when a counterpart hereof and an Authorization Notice, each executed by such Affected Subsidiary, shall have been received by the Lender Agent. The parties hereto agree that delivery of a counterpart of a signature page to this Agreement and each other Facility Document (except for any Note) by facsimile or electronic transmission shall be effective as delivery of an original executed counterpart of this Agreement or such other Facility Document.

Section 13.10. Confidentiality. Each party hereto agrees that it will hold any confidential information received from the other party pursuant to this Agreement or any other Facility Document, it being understood that this Agreement is confidential information of the Lender, in strict confidence, as long as such information remains confidential, except for disclosure to (a) its Affiliates; (b) its legal counsel, accountants, and other professional advisors or to a permitted assignee or participant; (c) regulatory officials or Governmental Authorities; (d) any Person as requested pursuant to or as required by law, regulation, or legal process; (e) any Person in connection with any legal proceeding to it is a party; (f) rating agencies if requested or required by such agencies in connection with a rating; (g) the Lender Agent; (h) any pledgee referred to in Section 9.01(e) or any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any of the Notes, Loans or Commitments or

any interest therein by such Lender, provided that such prospective transferee agrees to be bound by the confidentiality provisions contained in this Section; and (i) any Person as permitted pursuant to the terms of this Agreement and the other Facility Documents; provided, however, that no Lender Party shall be liable for any disclosure of confidential information to the extent that such Lender Party followed its customary procedures and practices with respect to confidential information. This Section 13.10 shall survive termination of this Agreement. Notwithstanding anything to the contrary in this Agreement, the tax treatment and the tax structure of the transactions contemplated under this Agreement shall not be treated as confidential information.

Section 13.11. Survival. The obligations of the Obligor under Sections 3.02 and 13.10 and Article X hereof, and the obligations of the Lenders under Section 12.07, shall survive the repayment in full in cash of the Obligations and the termination of this Agreement. In addition, each representation and warranty made, or deemed to be made by a request for a borrowing, herein or pursuant hereto shall survive the making of such representation and warranty, and the Lenders shall not be deemed to have waived, by reason of making any Loan, any Default that may arise by reason of such representation or warranty proving to have been false or misleading, notwithstanding that the Lenders may have had notice or knowledge or reason to believe that such representation or warranty was false or misleading at the time such Loan was made.

Section 13.12. Joint and Several Liability of Borrowers. (a) Each Borrower has determined that it is in its best interest and in pursuance of its legitimate business purposes to induce the Lenders to make Loans to the Borrowers pursuant to this Agreement. Each Borrower acknowledges and represents that its business is integrally related to the business of the other Borrower, that the availability of the Commitments benefits each Borrower individually and that the Loans made will be for and inure to the benefit of each of the Borrowers individually and as a group. Accordingly, each Borrower shall be jointly and severally liable (as a principal and not as a surety, guarantor or other accommodation party) for each and every representation, warranty, covenant and obligation (including payment, indemnification and reimbursement obligations) to be performed by the Borrowers under this Agreement, the Notes and the other Facility Documents, and each Borrower acknowledges that in extending the credit provided herein the Lenders are relying upon the fact that the obligations of each Borrower hereunder are the joint and several obligations of a principal. The invalidity, unenforceability or illegality of this Agreement, the Notes or any other Facility Document as to one Borrower or the release by the Lender Parties of a Borrower hereunder or thereunder shall not affect the Obligations of the other Borrower under this Agreement, the Notes or the other Facility Documents, all of which shall otherwise remain valid and legally binding obligations of the other Borrower. Any Borrower that makes a payment or distribution hereunder will be entitled to a contribution from the other Borrower in a pro rata amount, based on the adjusted net assets of each Borrower determined in accordance with GAAP (provided that such Borrower shall not exercise any right or remedy against such other Borrower or any property of such other Borrower by reason of any performance of such Borrower of its joint and several obligations hereunder until one year and one day after the Obligations have been repaid in full in cash and the Commitments have terminated or expired). The provisions of this Section 13.12 shall in no respect limit the obligations and liabilities of each Borrower to the Lender Parties, and each Borrower shall remain liable to the Lender Parties for the full amount of the Obligations.

(b) Notwithstanding any provision herein contained to the contrary, each Borrower's obligations under this Section 13.12 (which obligations are in any event in addition to all liabilities in respect of Loans advanced to such Borrower) shall be limited to an amount not to exceed as of any date of determination the greater of: (i) the net amount of all Loans advanced to or for the account of the other Borrower under this Agreement and then re-loaned or otherwise transferred to such Borrower; and (ii) the amount that could be claimed by any Lender Party from such Borrower under this Section 13.12 without rendering such claim voidable or avoidable under Section 548 of Chapter 11 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act or similar statute or common law after taking into account, among other things, such Borrower's right of contribution and indemnification from the other Borrower.

(c) Each Borrower assumes responsibility for keeping itself informed of the financial condition of each other Borrower, and each Borrower agrees that the Lender Parties shall not have any duty to advise such Borrower of information known to the Lender Parties regarding such condition or any such circumstances or to undertake any investigation not a part of its regular business routine. If the Lender Party, in its sole discretion, undertakes at any time or from time to time to provide any such information to a Borrower, such Lender Party shall be under no obligation to update any such information or to provide any such information to such Borrower on any subsequent occasion.

(d) If (i) one or both Borrowers are entitled to a return of excess interest or other amounts or payments delivered under the Facility Documents, or the return of surplus funds or monies from bank accounts maintained in accordance with the requirements of the Facility Documents or the return of any other Collateral or any other proceeds of Collateral (a "Returned Amount"), and (ii) the Lender Parties are uncertain as to which Borrower is entitled to the Returned Amount, in the absence of a promptly delivered joint notice from the Borrowers regarding the return of such Returned Amount, the Lender Parties may either return the Returned Amount to the Borrower they in good faith believe to be entitled to the same (and the Lender Parties shall not be liable for so doing; provided that the Lender Parties acted in good faith) or, at the joint and several expense of the Borrowers, interplead such Returned Amount or take such other actions or exercise such rights or remedies as permitted by Requirements of Law.

(e) Each Borrower agrees that any notices and information to be provided to any Borrower or both Borrowers by any Lender Party under the Facility Documents may be sent to both Borrowers or either Borrower, regardless of whether or not a receiving Borrower is actually the relevant Borrower or the appropriate person or persons to whom such notice or information should be addressed or delivered (and each Borrower hereby agrees that no Lender Party will be liable to the Borrowers for the failure to deliver such notice or information to the appropriate recipient). Each Borrower hereby waives all confidentiality rights with respect to the delivery of all such notices and information and agrees that no Lender Party shall be liable for delivering a notice or information to a Borrower that is not the relevant Borrower or the appropriate recipient of such notice or information. Each Borrower acknowledges and agrees that it has received full and sufficient consideration for this provision and that this provision is a material inducement for the Lender Agent and each Lender entering into the loan documents.

Section 13.13. Obligors Bound by Intercreditor Agreement. Each Obligor agrees that ResCap and the Borrowers are entering into the Intercreditor Agreement on behalf of all the Obligors, and further agrees to be bound by the terms and provisions of the Intercreditor Agreement (including any amendments, supplements, restatements or other modifications thereto) as if it were a signatory thereto.

Section 13.14. Third-Party Beneficiaries. Each of the First Priority Collateral Agent and the Collateral Control Agent is an express third-party beneficiary hereof.

Section 13.15. First Priority Collateral Agent; Capacity under this Agreement and Protections Afforded. Wells Fargo Bank, N.A. is party to this Agreement solely in its capacity as First Priority Collateral Agent under the Security Agreement and solely for purposes of Section 12.11(b) herein. The First Priority Collateral Agent shall be fully protected under this Agreement with respect to any action or inaction hereunder by the indemnities, costs, expenses and other protective provisions set forth for its benefit under the Security Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

- (s) 50% for (i) REO Property (A) included in the Supporting Assets for Primary Collateral, (B) arising from the foreclosure of Mortgage Loans previously included in Primary Collateral or (C) transferred to a REO Subsidiary prior to December 1, 2009, or (ii) Model Homes owned by MHFI or its Subsidiary, provided in each case that such ownership interest has been submitted for recordation in the applicable real estate records; and 0% for all other REO Property.

4. Specified Percentage Determination. "Specified Percentage" means, with respect to any group of Assets, the percentage specified in the most recent written notice from the Lender Agent to the applicable Obligor, whether such notice is given at the inclusion of such Assets in the Borrowing Base or at any time thereafter. It is understood and agreed that the Lender Agent shall have right to adjust the Specified Percentage for any group of Collateral in its reasonable discretion, taking into account estimated collections, market value, legal risks, cost of recovery and other matters customarily considered by commercial lenders when determining advance rates.

With respect to Mortgage Loans that are Supporting Assets for the English Note or the Dutch Note, it is understood that Mortgage Loans secured by real estate in different countries may have different Specified Percentages, even though such Mortgage Loans are Supporting Assets for a single security.

5. Restrictions. The Collateral Value shall be adjusted to reflect the following restrictions:

(i) The aggregate amount included in the Collateral Value with respect to REO Property at any time shall not exceed the lesser of (x) \$30,000,000 or (y) 5% of the aggregate Collateral Value of all Primary Collateral included in the Borrowing Base.

(ii) At any time the aggregate value included in Collateral Value with respect to any Asset that was not an Eligible Asset as of the Closing Date (in the case of Initial Collateral) or as of the date it became Collateral shall in each case be zero.

(iii) The aggregate value included in Collateral Value with respect to any Mortgage Loan shall be zero following the day on which such Mortgage Loan is shown in a Collateral Value Report as having become REO Property, and no calculation of the Borrowing Base or Adjusted Borrowing Base shall include Collateral Value for both such Mortgage Loan and such REO Property.

(iv) The Collateral Value for the equity of a Restricted Entity shall not be increased due to acquisition of any Asset by such Person unless (i) such REO results from the foreclosure (or deed in lieu of foreclosure) of Assets previously designated as Primary Collateral or Supporting Assets and satisfies the requirements set forth in clause (x) of Exhibit A, clause (z) of Exhibit A, clause (v) of Exhibit B or clause (y) of Exhibit B (as applicable), or (ii) such Asset is an Eligible Asset proposed to be a Supporting Asset by a Borrower and has been approved by the Lender Agent in writing.

FORM OF NOTE

December 30, 2009

\$1,545,587,924

FOR VALUE RECEIVED, Residential Funding Company, LLC, a Delaware limited liability company ("RFC"), and GMAC Mortgage, LLC, a Delaware limited liability company ("GMAC Mortgage" and together with RFC, each a "Borrower" and collectively, the "Borrowers"), jointly and severally promise to pay to the order of GMAC Inc. (the "Lender") on or before the Loan Repayment Date the principal amount of ONE BILLION FIVE HUNDRED FORTY FIVE MILLION FIVE HUNDRED EIGHTY SEVEN THOUSAND NINE HUNDRED TWENTY FOUR DOLLARS (\$1,545,587,924), or such lesser amount as shall reflect the Outstanding Aggregate Loan Amount of the Loans (each as defined in the Loan Agreement referred to below) made by the Lender to the Borrower.

The Borrowers further promise to pay interest on the unpaid principal amount of this Note from time to time outstanding, payable as provided in the Loan Agreement (referred to below), at the rates per annum provided in the Loan Agreement; provided, however, that such interest rate shall not at any time exceed the maximum rate permitted by law. All payments of principal of and interest on this Note shall be payable in lawful currency of the United States of America at the office of the Lender as provided above or such other address as the holder hereof shall have designated to the Borrowers, in immediately available funds.

The date, amount and interest rate of each Loan made by the Lender to the Borrowers, and each payment made on account of the principal thereof, shall be recorded by the Lender on its books and, prior to any transfer of this Note, endorsed by the Lender on the schedule attached hereto or any continuation thereof; provided that the failure of the Lender to make any such recordation or endorsement shall not affect the obligations of the Borrowers to make a payment when due of any amount owing under the Loan Agreement or hereunder in respect of the Loans made by the Lender.

This Note is one of the Notes referred to in the Amended and Restated Loan Agreement dated December 30, 2009 between the Borrowers, GMAC Inc., as Lender Agent, the Lender and certain other lenders and guarantors party thereto (the "Loan Agreement"). Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Loan Agreement. Upon occurrence of any Event of Default, the principal hereof, and all accrued interest thereon, may be declared or shall automatically become, due and payable pursuant to the Loan Agreement.

This Note amends and restates in its entirety the promissory notes, dated June 4, 2008, in the original principal amount of \$3,500,000,000, payable by the Borrowers to the order of the Lender (the "Original Notes"). This amendment and restatement of the Original Notes shall not effectuate a novation or extinguishment of the obligations outstanding under the Original Notes or a release of any lien or security interest securing the Original Notes. Each reference in the Loan Agreement or in any other Facility Document to the "Note" shall include this Note as hereinafter amended, restated or otherwise modified.

The Borrowers agree to pay all the Lender's costs of collection and enforcement (including reasonable attorneys' fees and disbursements of lender's counsel) in respect of this Note when incurred, including, without limitation, reasonable attorneys' fees through appellate proceedings.

Notwithstanding the pledge of the Collateral, the Borrowers hereby acknowledge, admit and agree that the Borrowers' obligations under this Note are recourse obligations of the Borrowers to which the Borrowers pledge their full faith and credit.

The Borrowers, and any indorsers or guarantors hereof, (a) severally waive diligence, presentment, protest and demand and also notice of protest, demand, dishonor and nonpayment of this Note, (b) expressly agree that this Note, or any payment hereunder, may be extended from time to time, and consent to the acceptance of further Collateral, the release of any Collateral for this Note, the release of any party primarily or secondarily liable hereon, and (c) expressly agree that it will not be necessary for the Lender, in order to enforce payment of this Note, to first institute or exhaust the Lender's remedies against the Borrowers or any other party liable hereon or against any Collateral for this Note. No extension of time for the payment of this Note, or any installment hereof, made by agreement by the Lender with any person now or hereafter liable for the payment of this Note, shall affect the liability under this Note of the Borrowers, even if the Borrowers are not a party to such agreement; provided, however, that the Lender and the Borrowers, by written agreement between them, may affect the liability of the Borrowers.

This Note may be assigned in whole or in part only by registration of such assignment or sale on the Register. Any participation in respect of this Note may be effected only by the registration of such participation on the Participant Register.

Any reference herein to the Lender shall be deemed to include and apply to every subsequent holder of this Note. Reference is made to the Loan Agreement and Security Agreement for provisions concerning optional and mandatory prepayments, Collateral, acceleration and other material terms affecting this Note.

Any enforcement action relating to this Note may be brought by motion for summary judgment in lieu of a complaint pursuant to Section 3213 of the New York Civil Practice Law and with respect to this Note and waives any right with respect to the doctrine of forum non conveniens with respect to such transactions.

This Note shall be governed by and construed in accordance with the laws of the state of New York without regard to conflicts of laws principles (but with reference to section 5-1401 of the New York General Obligation law) whose laws the Borrowers expressly elect to apply to this Note. Each party hereto hereby submits to the nonexclusive jurisdiction of the United States District Court for the Southern District of New York for purposes of all legal proceedings arising out of or relating to this Note. The Borrowers irrevocably waive, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such proceeding brought in such a court and any claim that any such proceeding brought in such a court has been brought in an inconvenient forum. The Borrowers hereby consent to process being served in any suit, action or proceeding with respect to this agreement, or any document delivered pursuant hereto by the mailing of a copy thereof by registered or certified mail, postage prepaid, return receipt requested, to its respective address specified at the time for notices under the

Loan Agreement or to any other address of which it shall have given written or electronic notice to the Lender. The foregoing shall not limit the ability of Lender to bring suit in the courts of any jurisdiction.

The Borrowers hereby irrevocably waive any and all right to a trial by jury with respect to any legal proceeding arising out of or relating to this Note.

IN WITNESS WHEREOF, the undersigned has caused this Note to be executed by its duly authorized officer as of the day and year first above written.

(a) Unless and until the Discharge of First Priority Claims has occurred, without the prior written consent of the Lender Agent (and the First Priority Collateral Agent and the Collateral Control Agent, to the extent an amendment, supplement or modification would affect its respective rights, protections or obligations), no Second Priority Collateral Document or Third Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Priority Collateral Document or Third Priority Collateral Document, would contravene any of the terms of this Agreement or the First Priority Documents. Following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, no Third Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Third Priority

Collateral Document, would contravene any of the terms of this Agreement or the Second Priority Documents.

(b) The 2010 Trustee agrees that each Second Priority Collateral Document granting a Lien on any Collateral shall include the following language (or similar language satisfactory to the Lender Agent):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to [the Second Priority Collateral Agent] pursuant to this Agreement and the exercise of any right or remedy by [the Second Priority Collateral Agent] hereunder are subject to the provisions of the Intercreditor Agreement, dated as of June 6, 2008 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Intercreditor Agreement”), among Wells Fargo Bank, N.A., in its capacity as First Priority Collateral Agent, Wells Fargo Bank, N.A., in its capacity as Second Priority Collateral Agent, Wells Fargo Bank, N.A., in its capacity as Third Priority Collateral Agent and the other parties thereto. In addition, the 2015 Trustee agrees that each Third Priority Collateral Document granting a Lien on any Collateral shall include the following language (or similar language satisfactory to the Lender Agent):

“Notwithstanding anything herein to the contrary, the lien and security interest granted to [the Third Priority Collateral Agent] pursuant to this Agreement and the exercise of any right or remedy by [the Third Priority Collateral Agent] hereunder are subject to the provisions of the Intercreditor Agreement, dated as of June 6, 2008 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Intercreditor Agreement”), among Wells Fargo Bank, N.A., in its capacity as First Priority Collateral Agent, Wells Fargo Bank, N.A., in its capacity as Second Priority Collateral Agent, Wells Fargo Bank, N.A., in its capacity as Third Priority Collateral Agent, and the other parties thereto. (c) Unless and until the Discharge of First Priority Claims has occurred, in the event the First Priority Collateral Agent or the Lender Agent enters into any amendment, waiver or consent in respect of any First Priority Collateral Document for the purpose of adding to, or deleting from, or waiving or consenting to any departure from any provision of, any First Priority Collateral Document or changing in any manner the rights of the First Priority Collateral Agent, the Lender Agent, the other First Priority Secured Parties or the Obligors thereunder, then such amendment, waiver or consent shall apply automatically to any comparable provision of each Comparable Noteholder Collateral Document without the consent of the Second Priority Collateral Agent, the Third Priority Collateral Agent, any Trustee, and any Additional Third Priority Representative, the Second Priority Secured Parties or the Third Priority Secured Parties

and without any action by any of them or any Obligor; provided that (i) no such amendment, waiver or consent shall have the effect of (A) removing assets subject to the Lien of the Second Priority Collateral Documents or Third Priority Collateral Documents, except to the extent that a release of such Lien is permitted by Section 5.1 and provided there is a corresponding release of the Lien securing the First Priority Claims, (B) imposing duties or adding liabilities on the Second Priority Collateral Agent, Third Priority Collateral Agent, any other Second Priority Secured Party or any other Third Priority Secured Party without its consent or (C) permitting other Liens on the Collateral which are prohibited under the terms of the 2010 Indenture (as in effect on the date hereof), the 2015 Indenture (as in effect on the date hereof) or Section 6, (ii) any such amendment, waiver or consent that materially and adversely affects the rights of the Second Priority Collateral Agent, the Third Priority Collateral Agent, any other Second Priority Secured Party or any other Third Priority Secured Party (and not the First Priority Secured Parties in a like or similar manner) shall not apply to the Second Priority Collateral Documents without the consent of the Second Priority Collateral Agent (acting at the written direction of the 2010 Trustee (itself acting at the direction of the holders of a majority of the aggregate principal amount of the Second Priority Claims)) and shall not apply to the Third Priority Collateral Documents without the consent of the Third Priority Collateral Agent (acting at the written direction of the requisite Third Priority Secured Parties in accordance with the Third Priority Security Agreements), and (iii) notice of such amendment, waiver or consent shall have been given by the Lender Agent to the Second Priority Collateral Agent (unless it is the same Person as the First Priority Collateral Agent), the Third Priority Collateral Agent (unless it is the same Person as the First Priority Collateral Agent), each Trustee and any Additional Third Priority Representative within 10 Business Days after the effective date thereof; provided, further, that (x) nothing contained in this clause (c) shall impair the rights of the First Priority Collateral Agent, the Lender Agent and the holders of First Priority Claims, or the obligations and agreements of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the other Second Priority Secured Parties and the other Third Priority Secured Parties, under Sections 3 and 5.1 and (y) the First Priority Collateral Documents, the Second Priority Collateral Documents and the Third Priority Collateral Documents may, without the consent of any Second Priority Secured Party or the Third Priority Secured Party, be amended or modified pursuant to this Section 5.3(c) to secure additional extensions of credit and add additional secured creditors as long as such amendments or modifications do not violate the express provisions of the Indentures or any other Second Priority Document or Third Priority Document.

(d) Following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, in the event the Second Priority Collateral Agent or the 2010 Trustee enters into any amendment, waiver or consent in respect of any Second Priority Collateral Document for the purpose of adding to, or deleting from, or waiving or consenting to any departure from any provision of, any Second Priority Collateral Document or changing in any manner the rights of the Second Priority Collateral Agent, the 2010 Trustee, the other Second Priority Secured Parties or the Obligors thereunder, then such amendment, waiver or consent shall apply automatically to any comparable provision of each Comparable Noteholder Collateral Document in respect of the Third Priority Collateral Documents without the consent of the Third Priority Collateral Agent, the 2015 Trustee, any Additional Third Priority Representative or any other Third Priority Secured Party and without any action by any of them or any Obligor; provided that (i) no such amendment, waiver or consent shall have the effect of (A) removing assets subject to the Lien of the Third Priority Collateral Documents, except to the

extent that a release of such Lien is permitted by Section 5.1 and provided there is a corresponding release of the Lien securing the Second Priority Claims, (B) imposing duties or adding liabilities on the 2015 Trustee, any Additional Third Priority Representative, the Third Priority Collateral Agent or any other Third Priority Secured Party without its consent or (C) permitting other Liens on the Collateral which are prohibited under the terms of the 2015 Indenture (as in effect on the date hereof) or Section 6, (ii) any such amendment, waiver or consent that materially and adversely affects the rights of the Third Priority Collateral Agent, the 2015 Trustee, any Additional Third Priority Representative or any other Third Priority Secured Party (and not Second Priority Security Parties in a like or similar manner) shall not apply to the Third Priority Collateral Documents without the consent of the Third Priority Collateral Agent (acting at the written direction of the requisite Third Priority Secured Parties in accordance with the Third Priority Security Documents), and (iii) notice of such amendment, waiver or consent shall have been given in writing by the 2010 Trustee to the Third Priority Collateral Agent (unless it is the same Person as the Second Priority Collateral Agent), the 2015 Trustee and each Additional Third Priority Representative within 10 Business Days after the effective date thereof; provided, further, that (x) nothing contained in this clause (d) shall impair the rights of the Second Priority Collateral Agent, the 2010 Trustee and the holders of Second Priority Claims, or the obligations and agreements of the Third Priority Collateral Agent and the other Third Priority Secured Parties, under Sections 3 and 5.1 and (y) the Second Priority Collateral Documents and the Third Priority Collateral Documents may, without the consent of any Third Priority Secured Party, be amended or modified pursuant to this Section 5.3(d) to secure additional extensions of credit and add additional secured creditors as long as such amendments or modifications do not violate the express provisions of the 2015 Indenture or any other Third Priority Document.

(e) The First Priority Documents may be amended, supplemented or otherwise modified in accordance with their terms and the Loan Agreement may be refinanced, in each case, without notice to, or the consent of the Second Priority Collateral Agent, the Trustees, any Additional Third Priority Representative, the other Second Priority Secured Parties or the other Third Priority Secured Parties subject to the terms hereof, all without affecting the lien subordination or other provisions of this Agreement.

(f) Subject to Section 5.3, the Second Priority Documents may be amended, supplemented or otherwise modified in accordance with their terms and the 2010 Notes may be refinanced, in each case, without notice to, or the consent of the Third Priority Collateral Agent, the 2015 Trustee, any Additional Third Priority Representative or the other Third Priority Secured Parties subject to the terms hereof, all without affecting the lien subordination or other provisions of this Agreement.

(g) Without the written consent of the Lender Agent, none of the Second Priority Collateral Agent, Third Priority Collateral Agent, any other Second Priority Secured Party or any other Third Priority Secured Party will be entitled to agree (and none of them will agree) to any amendment to or modification of, or consent to any waiver of departure from, the Second Priority Documents or the Third Priority Documents, whether in a refinancing or otherwise, that is prohibited by or in contravention of the First Priority Documents as in effect on the date hereof or this Agreement.

(h) Without the written consent of the 2010 Trustee, none of the Third Priority Collateral Agent, 2015 Trustee, any Additional Third Priority Representative or any other Third Priority Secured Party will be entitled to agree (and none of them will agree) to any amendment to or modification of, or consent to any waiver of departure from, the Third Priority Documents, whether in a refinancing or otherwise, that is prohibited by or in contravention of the Second Priority Documents as in effect on the date hereof or this Agreement.

(i) Unless and until the Discharge of First Priority Claims has occurred, (i) the Second Priority Secured Parties shall not consent to the release of any Second Priority Lien on any Collateral without the written consent of the Lender Agent except for releases pursuant to Section 8.04(a)(i) or (ii) or Section 8.04(b) of the 2010 Indenture, and (ii) the Third Priority Secured Parties shall not consent to the release of any Third Priority Lien on any Collateral without the written consent of the Lender Agent except for releases pursuant to Section 8.04(a)(i) or (ii) or Section 8.04(b) of the 2015 Indenture and any equivalent provision of any Additional Pari Passu Third Priority Agreement.

(j) Following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, the Third Priority Secured Parties shall not consent to the release of any Third Priority Lien on any Collateral without the consent of the 2010 Trustee except for releases pursuant to Section 8.04(a)(i) or (ii) or Section 8.04(b) of the 2015 Indenture and any equivalent provision of any Additional Pari Passu Third Priority Agreement.

5.4 Rights as Unsecured Creditors. Notwithstanding anything to the contrary in this Agreement, the Second Priority Secured Parties and the Third Priority Secured Parties may exercise rights and remedies as unsecured creditors against the Obligors in accordance with the terms of the Second Priority Documents or the Third Priority Documents, as the case may be, and applicable law only to the extent set forth in the *proviso* of Section 3.1(a) hereof. Nothing in this Agreement shall prohibit the receipt by any Second Priority Secured Party or Third Priority Secured Party of any payment of interest and principal on the Second Priority Claims or Third Priority Claims so long as such receipt is not (a) the direct or indirect result of the exercise by any Second Priority Secured Party or Third Priority Secured Party of rights and remedies as a secured creditor in respect of the Second Priority Claims or Third Priority Claims or enforcement of any Second Priority Lien or Third Priority Lien, in either case in contravention of this Agreement, or (b) a distribution in any Insolvency Proceeding on account of or otherwise by virtue of any Second Priority Lien or Third Priority Lien (including any distribution on account of or otherwise by virtue of any Lien on the Collateral under any Plan of Reorganization). In the event that any Second Priority Secured Party or Third Priority Secured Party becomes a judgment lien creditor in respect of Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of the Second Priority Claims or Third Priority Claims, such judgment lien shall be subject to the terms of this Agreement (including in relation to the First Priority Liens and the First Priority Claims and including in relation to the Second Priority Liens and Second Priority Claims) to the same extent as the other Liens securing the Second Priority Claims (created pursuant to the Second Priority Collateral Documents) or Third Priority Claims (created pursuant to the Third Priority Collateral Documents), as the case may be, are subject to the terms of this Agreement. Nothing in this Agreement modifies any right or remedy the holders of First Priority Claims or, after the Discharge of First Priority Claims has occurred, the holders of Second Priority Claims may have with respect to the Collateral.

5.5 Bailee for Perfection; Collateral Control Agent.

(a) The First Priority Collateral Agent hereby acknowledges that, to the extent that it holds, or a third party holds on its behalf, physical possession over Collateral pursuant to any of the First Priority Collateral Documents (any such Collateral, as updated from time to time in accordance with the relevant Collateral Document, the "Bailment Collateral"), such possession or control is also held as a bailee for, on behalf of and for the benefit of the Second Priority Collateral Agent (as collateral agent for the Second Priority Secured Parties) and for the benefit of the Third Priority Collateral Agent (as collateral agent for the Third Priority Secured Parties), such bailment being intended, among other things, to satisfy the requirements of Sections 8-301(a)(2) and 9-313(c) of the UCC, and in each case solely to the extent required to perfect and enforce their security interests in such Bailment Collateral. Nothing in the preceding sentence shall be construed to impose any duty on the First Priority Collateral Agent, the Lender Agent or any First Priority Secured Party (or any third party acting on their behalf) with respect to such Bailment Collateral or provide the Second Priority Collateral Agent, the Third Priority Collateral Agent, any other Second Priority Secured Party or any other Third Priority Secured Party with any rights with respect to such Bailment Collateral beyond those specified in this Agreement or the Second Priority Collateral Documents or Third Priority Collateral Documents (it being understood that the First Priority Collateral Agent's duty under this Section 5.5(a) shall be limited solely to holding any such Collateral as bailee); provided that promptly following the Discharge of First Priority Claims, the First Priority Collateral Agent (upon the written direction of the Lender Agent) shall deliver to the Second Priority Collateral Agent, at the Obligors' joint and several cost and expense, such Bailment Collateral in its possession together with any necessary endorsements or direct and deliver such Collateral as a court of competent jurisdiction may otherwise direct (and the Second Priority Collateral Agent will hold the same as bailee for, on behalf of and for the benefit of the Third Priority Secured Parties on the same terms as specified above in this Section 5.5(a)); provided, further, that promptly following the Discharge of Second Priority Claims, the Second Priority Collateral Agent (upon the written direction of the 2010 Trustee) shall deliver to the Third Priority Collateral Agent, at the Obligors' joint and several cost and expense, such Collateral in its possession together with any necessary endorsements or direct and deliver such Collateral as a court of competent jurisdiction may otherwise direct.

(b) Each Obligor hereby grants to the Collateral Control Agent a security interest in the Controlled Collateral to secure the First Priority Claims, the Second Priority Claims and the Third Priority Claims, and in each case such claims shall be subject to the relative priorities and the other provisions set forth herein. Without limiting the generality of the foregoing, it is agreed that distributions on account of or by virtue of such security interest are subject to the relative priorities and the other provisions set forth herein and that such grant to the Collateral Control Agent (or any similar provision of any Collateral Document) is in no manner intended to (or shall be deemed to) alter in any manner whatsoever (i) the distinct nature or character of each of the First Priority Claims (and the accompanying First Priority Liens granted in the First Priority Collateral Documents), the Second Priority Claims (and the accompanying Second Priority Liens granted in the Second Priority Collateral Documents), or the Third Priority Claims (and the accompanying Third Priority Liens granted in the Third Priority Collateral Documents), (ii) the sole exclusive right of the First Priority Secured Parties to direct the Collateral Control Agent until the Discharge of First Priority Claims has occurred regarding the Controlled Collateral

(including the disposition thereof, the exercise of rights and remedies with respect thereto and application of proceeds thereof), and (iii) following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, the sole exclusive right of the Second Priority Secured Parties to direct the Collateral Control Agent regarding the Controlled Collateral (including the disposition thereof, the exercise of rights and remedies with respect thereto and application of proceeds thereof). As used herein, (i) "Collateral Control Agent" means Wells Fargo Bank, N.A., acting in its capacity as the collateral agent for each of the First Priority Collateral Agent, the Second Priority Collateral Agent and the Third Priority Collateral Agent for purposes of this Section 5.5(b); and (ii) "Controlled Collateral" means that portion of the Collateral consisting of "deposit accounts" or "securities accounts" or Property deposited or carried therein or credited thereto, each as defined in the UCC. In addition to the foregoing, the parties hereto agree that the Collateral Control Agent will be acting as collateral agent on behalf of the First Priority Collateral Agent, the Second Priority Collateral Agent and the Third Priority Collateral Agent under (A) any agreement or document executed to effect a pledge of any equity interests of a Subsidiary organized under the laws of Mexico, Brazil or Chile and (B) any control agreement entered into by the Collateral Control Agent with respect to the Controlled Collateral. Consistent with the foregoing, but subject to the terms of this Agreement, the Collateral Control Agent shall (x) prior to the Discharge of First Priority Claims, have all of the same rights (including rights of foreclosure and enforcement), remedies, protections, duties and responsibilities given to the First Priority Collateral Agent, including the rights of a secured creditor under the UCC, pursuant to the terms of the First Priority Collateral Documents, but only with respect solely to the Controlled Collateral, (y) following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims have occurred, have all of the same rights (including rights of foreclosure and enforcement), remedies, protections, duties and responsibilities given to the Second Priority Collateral Agent, including the rights of a secured creditor under the UCC, pursuant to the terms of the Second Priority Collateral Documents, but only with respect solely to the Controlled Collateral, and (z) following the Discharge of First Priority Claims and the Discharge of Second Priority Claims, have all of the same rights (including rights of foreclosure and enforcement), remedies, protections, duties and responsibilities given to the Third Priority Collateral Agent, including the rights of a secured creditor under the UCC, pursuant to the terms of the Third Priority Collateral Documents, but only with respect solely to the Controlled Collateral.

5.6 Special Provisions Relating to Collateral Control Agreement. The following provisions shall govern the Collateral Control Agent's rights, powers, obligations and duties under this Agreement, notwithstanding anything herein to the contrary:

(a) Each of the First Priority Collateral Agent (for itself and on behalf of the First Priority Secured Parties), the Second Priority Collateral Agent (for itself and on behalf of the Second Priority Secured Parties), the Third Priority Agent and each Additional Third Priority Representative (for themselves and on behalf of the Third Priority Secured Parties) (each a "Control Secured Party" and collectively, the "Control Secured Parties"), hereby designates and appoints Wells Fargo Bank, N.A. to act as the Collateral Control Agent under this Agreement and the other Collateral Documents to which it is a party, and hereby authorize the Collateral Control Agent to take such actions on its behalf under the provisions of this Agreement and such other Collateral Documents and to exercise such powers and perform such duties as are expressly delegated to the

Collateral Control Agent by the terms of this Agreement and such other Collateral Documents. Notwithstanding any provision to the contrary elsewhere in this Agreement or any other Collateral Document, the Collateral Control Agent shall not have any duties or responsibilities, except those expressly set forth in this Agreement or such other Collateral Documents any fiduciary relationship with the Control Secured Parties, and no implied covenants, functions or responsibilities shall be read into this Agreement or otherwise exist against the Collateral Control Agent.

(b) Each Control Secured Party agrees to render to the Collateral Control Agent, at any time upon request of the Collateral Control Agent, an accounting of the amounts of the Obligations owing to it and such other information with respect to the Obligations owing to each such Person as the Collateral Control Agent may reasonably request in order to give effect to the terms and conditions of this Agreement. In the event that any Control Secured Party fails to provide any information required to be provided by it to the Collateral Control Agent, then the Collateral Control Agent may (but shall not be obligated to) (i) take such actions as are required to be taken by it based on the most recent information available to it or (ii) in the case of any distributions to be made pursuant to the Collateral Documents, hold such Control Secured Party's share or purported share in escrow (without obligation to pay interest thereon) until such Control Secured Party provides the required information.

(c) Notwithstanding anything herein to the contrary, in no event shall the Collateral Control Agent have any obligation to inquire or investigate as to the correctness, veracity, or content of any instruction received from the Relevant Directing Party. In no event shall the Collateral Control Agent have any liability in respect of any such instruction received by it and relied on with respect to any action or omission taken pursuant thereto.

(d) The Collateral Control Agent may execute any of its duties under this Agreement or any of the Collateral Documents by or through agents, experts or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Collateral Control Agent shall not be responsible for the negligence or misconduct of any agents, experts or attorneys-in-fact selected by it in good faith.

(e) Neither the Collateral Control Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it under or in connection with this Agreement or any of the Collateral Documents (except for its gross negligence or willful misconduct), or (ii) responsible in any manner to any Control Secured Party for any recitals, statements, representations or warranties (other than its own recitals, statements, representations or warranties) made in this Agreement or any of the Collateral Documents or in any certificate, report, statement or other document referred to or provided for in, or received by the Collateral Control Agent under or in connection with, this Agreement or any of the Collateral Documents or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any of the Collateral Documents or for any failure of the Obligors or any other Person to perform their obligations hereunder and thereunder. The Collateral Control Agent shall not be under any obligation to any Control Secured

Party or any other Person to ascertain or to inquire as to (i) the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any of the Collateral Documents or to inspect the properties, books or records of the Obligors, (ii) whether or not any representation or warranty made by any Person in connection with this Agreement or any Collateral Document is true, (iii) the performance by any Person of its obligations under this Agreement or any of the Collateral Documents or (iv) the breach of or default by any Person of its obligations under this Agreement or any of the Collateral Documents.

(f) The Collateral Control Agent shall not be bound to (i) account to any Person for any sum or the profit element of any sum received for its own account; (ii) disclose to any other Person any information relating to the Person if such disclosure would, or might, constitute a breach of any law or regulation or be otherwise actionable at the suit of any Person; (iii) be under any fiduciary duties or obligations other than those for which express provision is made in this Agreement or in any of the Collateral Documents to which it is a party; or (iv) be required to take any action that it believes, based on advice of counsel, is in conflict with any applicable law, this Agreement or any of the Collateral Documents, or any order of any court or administrative agency.

(g) Beyond the exercise of reasonable care in the custody thereof and except as otherwise specifically stated in this Agreement or any of the Collateral Documents, the Collateral Control Agent shall have no duty as to any of the Collateral in its possession or control or in the possession or control of any agent or bailee or as to preservation of rights against prior parties or any other rights pertaining thereto.

(h) The Collateral Control Agent shall be authorized to but shall not be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or monitoring or maintaining the perfection of any security interest in the Collateral. It is expressly agreed, to the maximum extent permitted by applicable law, that the Collateral Control Agent shall have no responsibility for (i) taking any necessary steps to preserve rights against any Person with respect to any Collateral or (ii) taking any action to protect against any diminution in value of the Collateral, but, in each case (A) subject to the requirement that the Collateral Control Agent may not act or omit to take any action if such act or omission would constitute gross negligence, bad faith or willful misconduct and (B) the Collateral Control Agent may do so and all expenses reasonably incurred in connection therewith shall be repaid in accordance with Section 4.1.

(i) The Collateral Control Agent shall not be liable or responsible for any loss or diminution in the value of any of the Collateral, by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Collateral Control Agent in good faith, except to the extent of the Collateral Control Agent's gross negligence, bad faith or willful misconduct.

(j) The Collateral Control Agent shall not be responsible for, nor incur any liability with respect to, (i) the existence, genuineness or value of any of the Collateral or for the validity, perfection, priority or enforceability of the security interest in any of the

Collateral, whether impaired by operation of law or by reason of any action or omission to act on its part under this Agreement or any of the Collateral Documents, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Collateral Control Agent, (ii) the validity or sufficiency of the Collateral or any agreement or assignment contained therein, (iii) the validity of the title of the Obligor to the Collateral, (iv) insuring the Collateral or (v) the payment of taxes, charges or assessments upon the Collateral or otherwise as to the maintenance of the Collateral

(k) Notwithstanding anything in this Agreement or any of the Collateral Documents to the contrary, (i) in no event shall the Collateral Control Agent or any officer, director, employee, representative or agent of the Collateral Control Agent be liable under or in connection with this Agreement or any of the Collateral Documents for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits or loss of opportunity, whether or not foreseeable, even if the Collateral Control Agent has been advised of the possibility thereof and regardless of the form of action in which such damages are sought; and (ii) the Collateral Control Agent shall be afforded all of the rights, powers, immunities and indemnities set forth in this Agreement in all of the Collateral Documents to which it is a signatory as if such rights, powers, immunities and indemnities were specifically set out in each such Collateral Document. In no event shall the Collateral Control Agent be obligated to invest any amounts received by it hereunder.

(l) The Collateral Control Agent shall be entitled conclusively to rely, and shall be fully protected in relying, upon any note, writing, resolution, request, direction, certificate, notice, consent, affidavit, letter, cablegram, telegram, telecopy, email, telex or teletype message, statement, order or other document or conversation believed by it in good faith to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and/or upon advice and/or statements of legal counsel, independent accountants and other experts selected by the Collateral Control Agent and need not investigate any fact or matter stated in any such document. Any such statement of legal counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in accordance therewith. Any statement or advice of counsel may be based, insofar as it relates to factual matters, upon a certificate of an officer of the Relevant Directing Party. In connection with any request or direction of the Relevant Directing Party, the Collateral Control Agent shall be entitled conclusively to rely, and shall be fully protected in relying, upon any instruction delivered by the Relevant Directing Party. The Collateral Control Agent shall be fully justified in failing or refusing to take any action under this Agreement or any of the Collateral Documents (i) if such action would, in the reasonable opinion of the Collateral Control Agent (which may be based on the opinion of legal counsel), be contrary to applicable law or any of the Collateral Documents, (ii) if such action is not specifically provided for in this Agreement or any of the Collateral Documents, (iii) if, in connection with the taking of any such action hereunder or under any of the Collateral Documents that would constitute an exercise of remedies hereunder or under any of the Collateral Documents it shall not first be indemnified to its satisfaction by the Control Secured Parties against any and all risk of nonpayment, liability and expense that may be incurred by it, its agents or its

counsel by reason of taking or continuing to take any such action, or (iv) if, notwithstanding anything to the contrary contained in this Agreement, in connection with the taking of any such action that would constitute a payment due under any agreement or document, it shall not first have received from the Control Secured Parties or the Obligors funds equal to the amount payable. The Collateral Control Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any of the Collateral Documents in accordance with a request of the Relevant Directing Party, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the other Control Secured Parties.

(m) If, with respect to a proposed action to be taken by it, a Collateral Control Agent shall determine in good faith that the provisions of this Agreement or any other Collateral Document relating to the functions or responsibilities or discretionary powers of the Collateral Control Agent are or may be ambiguous or inconsistent, the Collateral Control Agent shall notify the Relevant Directing Party, identifying the proposed action, and may decline either to perform such function or responsibility or to take the action requested unless it has received the written confirmation of the Relevant Directing Party that the action proposed to be taken by the Collateral Control Agent is consistent with the terms of this Agreement or of the Collateral Documents or is otherwise appropriate. The Collateral Control Agent shall be fully protected in acting or refraining from acting upon the confirmation of the Relevant Directing Party, in this respect, and such confirmation shall be binding upon the Collateral Control Agent and the other Control Secured Parties.

(n) The Collateral Control Agent shall not be deemed to have actual, constructive, direct or indirect knowledge or notice of the occurrence of any Default unless and until the Collateral Control Agent has received a written notice or a certificate from the Relevant Directing Party or the Obligors stating that a Default has occurred. The Collateral Control Agent shall have no obligation whatsoever either prior to or after receiving such notice or certificate to inquire whether a Default has in fact occurred and shall be entitled to rely conclusively, and shall be fully protected in so relying, on any notice or certificate so furnished to it. No provision of this Agreement, any of the Collateral Documents shall require the Collateral Control Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under this Agreement, any of the Collateral Documents or the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability including an advance of moneys necessary to take the action requested is not reasonably assured to it, the Collateral Control Agent may decline to act unless it receives indemnity satisfactory to it in its sole discretion, including an advance of moneys necessary to take the action requested. The Collateral Control Agent shall be under no obligation or duty to take any action under this Agreement or any of the Collateral Documents or otherwise if taking such action (i) would subject the Collateral Control Agent to a tax in any jurisdiction where it is not then subject to a tax or (ii) would require the Collateral Control Agent to qualify to do business in any jurisdiction where it is not then so qualified.

(o) Notwithstanding that the Collateral Control Agent is appointed by and acting for and at the direction of the Control Secured Parties, the Obligors will jointly and

severally pay upon demand to the Collateral Control Agent the amount of any and all reasonable fees (including any as set forth in one or more separate fee letters of the Collateral Control Agent) and out-of-pocket expenses, including the reasonable fees and expenses of its counsel, that the Collateral Control Agent may incur in connection with (i) the negotiation, administration and performance of this Agreement and the Collateral Documents to which it is a party, (ii) the custody or preservation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise or enforcement (whether through negotiations, legal proceedings or otherwise) of any of the rights of the Collateral Control Agent or the other Control Secured Parties hereunder or under the Collateral Documents or (iv) the failure by the Obligors to perform or observe any of the provisions hereof or of any of the Collateral Documents. The provisions of this section shall survive the termination of this Agreement and resignation or removal of the Collateral Control Agent. The expenses of the Collateral Control Agent incurred in connection with actions undertaken as provided in this Section 8.1 shall be payable jointly and severally by the Obligors to the Collateral Control Agent upon demand therefore (which demand shall be accompanied by an appropriate invoice).

(p) Each of the Control Secured Parties expressly acknowledges that neither the Collateral Control Agent nor any of its officers, directors, employees, agents or attorneys-in-fact has made any representations or warranties to it (except as expressly provided herein) and that no act by the Collateral Control Agent hereafter taken, including any review of the Obligors, shall be deemed to constitute any representation or warranty by the Collateral Control Agent to any Control Secured Party. Each Control Secured Party represents to the Collateral Control Agent that it has, independently and without reliance upon the Collateral Control Agent or any other Control Secured Party, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Obligors. Each Control Secured Party also represents that it will, independently and without reliance upon the Collateral Control Agent or any other Control Secured Party, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Obligors. Except for notices, reports and other documents expressly required to be furnished to the Control Secured Parties by the Collateral Control Agent hereunder, the Collateral Control Agent shall not have any duty or responsibility to provide any Control Secured Party with any credit or other information concerning the business, operations, property, financial and other condition or creditworthiness of the Obligors which may come into the possession of the Collateral Control Agent or any of its officers, directors, employees, agents or attorneys-in-fact.

(q) The Obligors, jointly and severally, agree to indemnify each of the Collateral Control Agent and its officers, directors, employees, agents or attorneys-in-fact (collectively, the "Control Indemnified Parties") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time be imposed on, incurred by

or asserted against any Control Indemnified Party in any way relating to or arising out of this Agreement or the Collateral Documents; provided that the Obligors shall not be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent that any of the foregoing result from any such Control Indemnified Party's gross negligence or willful misconduct as determined by a court of competent jurisdiction beyond all applicable appeals.

(r) Neither the Collateral Control Agent, any Control Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Obligors or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Collateral Control Agent hereunder are solely to protect the Collateral Control Agent's and the Control Secured Parties' interests in the Collateral and shall not impose any duty upon the Collateral Control Agent to exercise any such powers. The Collateral Control Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to the Obligors for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

(s) Pursuant to any applicable law, the Obligors authorize the Collateral Control Agent without obligation to file or record financing statements and other filing or recording documents or instruments with respect to the Collateral without the signatures of the Obligors in such form and in such offices as the Relevant Directing Party determines appropriate to perfect the security interests of the Collateral Control Agent under this Agreement. The Obligors hereby ratify and authorize the filing by the Collateral Control Agent of any financing statement with respect to the Collateral made prior to the date hereof. Notwithstanding the foregoing or anything else to the contrary contained in this Agreement, in no event shall the Collateral Control Agent have any duty or obligation to monitor the perfection, continuation of perfection or the sufficiency or validity of any security interest in or related to the Collateral or to prepare or file any Uniform Commercial Code financing statement or continuation statement.

(t) The Obligors acknowledge that the rights and responsibilities of the Collateral Control Agent under this Agreement with respect to any action taken by the Collateral Control Agent or the exercise or non-exercise by the Collateral Control Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Control Agent and the Control Secured Parties, be governed by such agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Control Agent and the Obligors, the Collateral Control Agent shall be conclusively presumed to be acting as agent for the Control Secured Parties with full and valid authority so to act or refrain from acting, and the Obligors shall not be under any obligation, or entitlement, to make any inquiry respecting such authority.

(u) Any corporation into which the Collateral Control Agent may be merged, or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Collateral Control Agent shall be a party, shall become a Collateral Control Agent under this Agreement without the execution or filing of any paper or any further act on the part of the parties hereto.

(v) The Collateral Control Agent may resign as Collateral Control Agent at any time upon written notice to the Relevant Directing Party and may be removed at any time with or without cause by the Relevant Directing Party, with any such resignation or removal to become effective only upon the appointment of a successor Collateral Control Agent under this Section. If the Collateral Control Agent shall provide notice of its resignation or be removed as Collateral Control Agent, then the Relevant Directing Party (and if no such successor shall have been appointed within 45 days of the Collateral Control Agent's resignation or removal, the Collateral Control Agent may) appoint a successor agent for the Control Secured Parties, which successor agent shall, in the case of any appointment by the Collateral Control Agent, be reasonably acceptable to the Relevant Directing Party, and the former Collateral Control Agent's rights, powers and duties as Collateral Control Agent shall be terminated, without any other or further act or deed on the part of such former Collateral Control Agent (except that the resigning Collateral Control Agent shall deliver all Collateral then in its possession to the successor Collateral Control Agent and shall execute and deliver to the successor Collateral Control Agent such instruments of assignment and transfer and other similar documents as such successor Collateral Control Agent shall deem necessary or advisable) or any of the Control Secured Parties. After any retiring Collateral Control Agent's resignation or removal hereunder as Collateral Control Agent, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Collateral Control Agent. In the event that a successor Collateral Control Agent is not appointed within the time period specified in this Section 8.1 following the provision of a notice of resignation or removal of the Collateral Control Agent, the Collateral Control Agent or any Control Secured Party may petition a court of competent jurisdiction for the appointment of a successor Collateral Control Agent.

(w) The Collateral Control Agent shall maintain accurate and complete accounts, books, records and computer systems with respect to all matters related directly to the administration of the Collateral, in each case consistent with the customary procedures of the Collateral Control Agent.

(x) The Collateral Control Agent shall at the Obligors' joint and several expense make available to the Relevant Directing Party and its duly authorized representatives, attorneys and auditors, the files and accounts, books, records and computer systems maintained by the Collateral Control Agent or any subcontractor or agent thereof in respect of the Collateral at the locations where such files, accounts, books, records and computer systems are maintained pursuant to this Agreement and the other Collateral Documents, during normal business hours and subject to reasonable prior written notice.

(y) Each of the Lenders agree to indemnify on a pro rata basis each of the Control Indemnified Parties from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including, without limitation, reasonable attorneys' fees) or disbursements of any kind whatsoever ("Liabilities") which may at any time be imposed on, incurred by or asserted against any Control Indemnified Party to the extent they result from any indemnity provided by the Collateral Control Agent to an account bank or securities intermediary under any Account Control Agreement existing at the date hereof or from any other indemnity provided by the Collateral Control Agent to an account bank or securities intermediary under any Account Control Agreement at the written instruction of the Lender Agent following the date hereof; provided that (i) the Lenders shall not be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent that any of the foregoing result from any such Control Indemnified Party's gross negligence or willful misconduct as determined by a court of competent jurisdiction beyond all applicable appeals and (ii) any such indemnity so provided by the Collateral Control Agent under such Account Control Agreement is limited to Liabilities that arise as a result of any such account bank or securities intermediary taking action or not taking action at the written instructions or order of the Collateral Control Agent to such account bank or securities intermediary that were made by the Collateral Control Agent at the written instruction or order of the Lender Agent.

(z) With respect to the Bank of America Account Control Agreements and the Wachovia Account Control Agreement, each of the Lenders agree to indemnify on a pro rata basis each of the Control Indemnified Parties from and against any and all Liabilities which may at any time be imposed on, incurred by or asserted against any Control Indemnified Party to the extent they result from any agreement to pay fees, expenses, disbursements, indemnities or other costs provided by the Collateral Control Agent to the applicable account bank or securities intermediary under the Bank of America Account Control Agreements and the Wachovia Account Control Agreements; provided that (i) the Lenders shall not be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent that any of the foregoing result from any such Control Indemnified Party's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable judgment, and (ii) the Lenders shall not be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent that any of the foregoing arises after the Discharge of First Priority Claims.

(aa) The Collateral Control Agent shall not be required to act, refrain from acting, consent, or request any action under this Agreement or any other Collateral Document, or to enter into any agreement amending, modifying or supplementing any provision of this Intercreditor Agreement or any Collateral Document unless it shall have been directed to do so by the Relevant Directing Party. Additionally, the permissive right of the Collateral Control Agent to take any action under this Intercreditor Agreement or any of the Collateral Documents shall not be construed as a duty to so act.

(bb) All indemnities to be paid to the Collateral Control Agent under this Agreement shall be payable immediately when due in U.S. dollars ("Dollars") in the full amount due, without deduction for any variation in any Rate of Exchange (as defined below). The Obligors hereby agree to jointly and severally indemnify the Collateral Control Agent against any losses, damages, penalties, costs, expenses or disbursements of any kind or nature whatsoever, including, without limitation, attorney's fees and expenses, incurred by the Collateral Control Agent as a result of any judgment or order being given or made for the amount due hereunder and such judgment or order being expressed and paid in a currency (the "Judgment Currency") other than Dollars and as a result of any variation as between (i) the rate of exchange at which the dollar amount is converted into Judgment Currency for the purpose of such judgment or order, and (ii) the Rate of Exchange at which the Collateral Control Agent is then able to purchase Dollars with the amount of the Judgment Currency actually received by the Collateral Control Agent. The indemnity set forth in this paragraph shall constitute a separate and independent obligation of the Obligors and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "Rate of Exchange" means the rate at which the Collateral Control Agent is able to purchase Dollars with the Judgment Currency on the foreign exchange market on the relevant date and shall include any premiums and other reasonable costs of exchange payable in connection with the purchase or, or conversion into, the relevant currency.

(cc) The indemnifications set forth in this Section 5.6 shall survive the termination or assignment of this Agreement and the resignation or removal of the Collateral Control Agent.

(dd) For the avoidance of doubt, if there are any conflicts between the rights, protections and responsibilities of the Collateral Control Agent under the terms of this Agreement and the rights, protections and responsibilities of the Collateral Control Agent under the terms of the Collateral Documents, the terms of this Agreement shall control.

(ee) Each of the First Priority Collateral Agent, Second Priority Collateral Agent and Third Priority Collateral Agent shall be entitled to the same rights, protections, immunities and indemnities as set forth in the First Priority Security Agreement, the Second Priority Security Agreement and the Third Priority Security Agreement, respectively, as if the provisions setting forth those rights, protections, immunities and indemnities are fully set forth herein.

Section 6. Insolvency Proceedings.

6.1 Finance and Sale Issues.

(a) Until the Discharge of First Priority Claims has occurred, if any Obligor shall be subject to any Insolvency Proceeding and the holders of a majority in principal amount of the First Priority Claims shall desire to permit the use of cash collateral (as such term is defined in Section 363(a) of the Bankruptcy Code) under Section 363(c) of the Bankruptcy Code ("Use of Cash Collateral") or to permit an Obligor to obtain financing, whether from the First Priority Secured Parties, any other Person, or any combination thereof, under Section 364 of the

Bankruptcy Code (“DIP Financing”), then each of the Second Priority Collateral Agent and the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, agrees that it shall not be entitled to raise (and will not raise), but instead shall be deemed to have otherwise irrevocably, absolutely, and unconditionally waived any right to raise, any objection to such Use of Cash Collateral or DIP Financing (and instead will be deemed to have consented to such Use of Cash Collateral or DIP Financing) and shall not be entitled to request (and will not request) adequate protection or any other relief in connection therewith (except as expressly agreed by the Lender Agent or to the extent permitted by Section 6.3) and, to the extent the First Priority Liens are junior in priority or pari passu with such Use of Cash Collateral or such DIP Financing, will maintain the priority of its Liens in the Collateral as junior in priority to such First Priority Liens on the same basis as the other Liens securing the Second Priority Claims or the Third Priority Claims, as the case may be, are junior in priority to First Priority Liens under this Agreement; provided, however, that either the 2010 Trustee or 2015 Trustee, on behalf of the Second Priority Secured Parties or the Third Priority Secured Parties, as the case may be, may object to such Use of Cash Collateral or DIP Financing if (i) the sum of (A) the cash collateral permitted to be used therein and (B) the aggregate principal amount of such DIP Financing exceeds \$250,000,000 in the aggregate, or (ii) the Second Priority Secured Parties or the Third Priority Secured Parties, as the case may be, are not permitted to retain a Lien on the Collateral (including proceeds thereof arising after the commencement of such proceeding) with the same priority as existed prior to the commencement of the case under the Bankruptcy Code (subject to the subordination of the Liens securing such DIP Financing as described above). Without limiting the other provisions of this Agreement, nothing in this Section 6.1(a) is intended to limit the ability of the First Priority Secured Parties, the Second Priority Secured Parties or the Third Priority Secured Parties to participate in, support, or object to any Use of Cash Collateral or DIP Financing that does not involve the Collateral.

(b) Following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, if any Obligor shall be subject to any Insolvency Proceeding and the holders of a majority in principal amount of the Second Priority Claims shall desire to permit the Use of Cash Collateral or to permit an Obligor to obtain DIP Financing, then each of the Third Priority Collateral Agent, the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, agrees that it shall not be entitled to raise (and will not raise), but instead shall be deemed to have otherwise irrevocably, absolutely, and unconditionally waived any right to raise, any objection to such Use of Cash Collateral or DIP Financing (and instead will be deemed to have consented to such Use of Cash Collateral or DIP Financing) and shall not be entitled to request (and will not request) adequate protection or any other relief in connection therewith (except as expressly agreed by the 2010 Trustee or to the extent permitted by Section 6.3) and, to the extent the Second Priority Liens are junior in priority or pari passu with such Use of Cash Collateral or such DIP Financing, will maintain the priority of its Liens in the Collateral as junior in priority to such Second Priority Liens on the same basis as the other Liens securing the Third Priority Claims are junior in priority to Second Priority Liens under this Agreement; provided, however, that the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties may object to such Use of Cash Collateral or DIP Financing if (i) the sum of (A) the cash collateral permitted to be used therein (together with any Use of Cash

Collateral pursuant to Section 6.1(a) above) and (B) the aggregate principal amount of such DIP Financing (together with any outstanding DIP Financing obtained and cash collateral used pursuant to Section 6.1(a) above) exceeds \$250,000,000 in the aggregate, or (ii) the Third Priority Secured Parties are not permitted to retain a Lien on the Collateral (including proceeds thereof arising after the commencement of such proceeding) with the same priority as existed prior to the commencement of the case under the Bankruptcy Code (subject to the subordination of the Liens securing such DIP Financing as described above). Without limiting the other provisions of this Agreement, nothing in this Section 6.1(b) is intended to limit the ability of the Second Priority Secured Parties or Third Priority Secured Parties to participate in, support, or object to any Use of Cash Collateral or DIP Financing that does not involve the Collateral.

(c) Until the Discharge of First Priority Claims has occurred, and unless 2010 Noteholders holding at least one-third of the principal amount of outstanding 2010 Notes direct such opposition by the 2010 Trustee or unless 2015 Third Priority Secured Parties holding at least one-third of the principal amount of outstanding Third Priority Claims direct such opposition by the 2015 Trustee and the other Additional Third Priority Representatives, the Second Priority Secured Parties (unless the 2010 Trustee receives such direction by the requisite 2010 Noteholders) and the Third Priority Secured Parties (unless the 2015 Trustee and the other Additional Third Priority Representatives receive such direction by the requisite Third Priority Secured Parties), in any Insolvency Proceeding or otherwise, shall not be entitled to oppose (and shall not oppose) any sale or disposition of any assets of any of the Obligors that is supported by First Priority Secured Parties, and the Second Priority Secured Parties or Third Priority Secured Parties or both, as the case may be, will be deemed to have consented under Section 363 of the Bankruptcy Code to any sale supported by such First Priority Secured Parties and to have released their Liens in such assets so long as and to the extent that (i) the First Priority Secured Parties shall have likewise released their Liens and (ii) the First Priority Liens, the Second Priority Liens and the Third Priority Liens shall attach to the proceeds of any Collateral sold or disposed of in the priorities set forth herein.

(d) Following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, and unless Third Priority Secured Parties holding at least one-third of the principal amount of outstanding Third Priority Claims direct such opposition by the 2015 Trustee and the other Additional Third Priority Representatives, the Third Priority Secured Parties, in any Insolvency Proceeding or otherwise, shall not be entitled to oppose (and shall not oppose) any sale or disposition of any assets of any of the Obligors that is supported by Second Priority Secured Parties holding 50% of the principal amount of the Second Priority Claims, and the Third Priority Secured Parties will be deemed to have consented under Section 363 of the Bankruptcy Code to any sale supported by such Second Priority Secured Parties and to have released their Liens in such assets so long as and to the extent that (i) the Second Priority Secured Parties shall have likewise released their Liens and (ii) the Second Priority Liens and the Third Priority Liens shall attach to the proceeds of any Collateral sold or disposed of in the priorities set forth herein.

6.2 [Intentionally Omitted].

6.3 Adequate Protection. If and only if directed to do so by (a) in the case of the 2010 Trustee, 2010 Noteholders holding at least one-third of the principal amount of the 2010 Notes or

(b) in the case of the 2015 Trustee or any Additional Third Priority Representative, the holders of at least one-third of the principal amount of the Third Priority Claims, (i) each Trustee and each Additional Third Priority Representative, on behalf of itself and the Second Priority Secured Parties or Third Priority Secured Parties, as the case may be, may seek or request adequate protection in the form of a Lien on any additional collateral (including by way of objecting to any DIP Financing that does not provide for such Lien), which Lien will be junior in priority to the First Priority Liens and such DIP Financing (and all Obligations relating thereto) (and in the case of any such Lien securing the Third Priority Claims, junior in priority to the Second Priority Liens) on the same basis as the other Liens securing the Second Priority Claims or the Third Priority Claims are junior in priority to the First Priority Liens under this Agreement and subject in all respects to the release obligations set forth in this Agreement, including in Section 5.1 and Section 6.1 hereof, and (ii) the Trustees, each Additional Third Priority Representative, and the other Second Priority Secured Parties or Third Priority Secured Parties, as the case may be, may seek or request post-petition interest and/or adequate protection payments in any Insolvency Proceeding in respect of the Second Priority Liens and the Third Priority Liens, and the First Priority Collateral Agent and the Lender Agent, on behalf of themselves and the other First Priority Secured Parties, may oppose such motions or requests made by or on behalf of the Second Priority Secured Parties or the Third Priority Secured Parties (provided also that the Second Priority Collateral Agent and the 2010 Trustee, on behalf of themselves and the other Second Priority Secured Parties, may oppose such motions or requests made by or on behalf of the Third Priority Secured Parties). If the Second Priority Secured Parties or the Third Priority Secured Parties are granted post-petition interest and/or adequate protection payments in an Insolvency Proceeding ("Junior Priority Bankruptcy Payments"), such amounts shall be deemed Collateral, shall be turned over to the First Priority Collateral Agent in accordance with Section 4.2 hereof (or, following the Discharge of First Priority Claims and prior to the Discharge of Second Priority Claims, to the Second Priority Collateral Agent) and shall be applied according to the terms thereof (regardless of whether or not any order of a bankruptcy court authorizing and/or directing any Junior Priority Bankruptcy Payments shall expressly provide for such direct payment to the First Priority Collateral Agent or the Second Priority Collateral Agent, as applicable).

6.4 No Waiver. Subject to Section 3.1(a), nothing contained herein shall prohibit or in any way limit the First Priority Collateral Agent, the Lender Agent or any other First Priority Secured Party from objecting in any Insolvency Proceeding or otherwise to any action taken by any Second Priority Secured Party or Third Priority Secured Party, including the seeking by any Second Priority Secured Party or Third Priority Secured Party of adequate protection or the asserting by any Second Priority Secured Party or Third Priority Secured Party of any of its rights and remedies under the Second Priority Documents, the Third Priority Documents or otherwise. Subject to Section 3.1(a), following the Discharge of First Priority Claims, nothing contained herein shall prohibit or in any way limit the 2010 Trustee or any other Second Priority Secured Party from objecting in any Insolvency Proceeding or otherwise to any action taken by any Third Priority Secured Party, including the seeking by any Third Priority Secured Party of adequate protection or the asserting by any Third Priority Secured Party of any of its rights and remedies under the Third Priority Documents or otherwise.

6.5 Preference Recoveries. If any First Priority Secured Party is required in any Insolvency Proceeding or otherwise to turn over or otherwise pay to the estate of any Obligor

any amount as a preference (a "Recovery"), then the First Priority Claims shall be reinstated to the extent of such Recovery. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. If any Second Priority Secured Party is required in any Insolvency Proceeding or otherwise to turn over any Recovery, then the Second Priority Claims shall be reinstated to the extent of such Recovery. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement.

6.6 Post-Petition Interest. No Second Priority Secured Party or Third Priority Secured Party shall oppose or seek to challenge any claim by the First Priority Collateral Agent, the Lender Agent or any other First Priority Secured Party for allowance in any Insolvency Proceeding of the First Priority Claims consisting of post-petition interest, fees or expenses to the extent of the value of any First Priority Lien on the Collateral, without regard to the existence of the Second Priority Liens or Third Priority Liens on the Collateral, such value to be determined without regard to the existence of the Second Priority Liens or the Third Priority Liens on the Collateral. No Third Priority Secured Party shall oppose or seek to challenge any claim by the Second Priority Collateral Agent, the 2010 Trustee or any other Second Priority Secured Party for allowance in any Insolvency Proceeding of the Second Priority Claims consisting of post-petition interest, fees or expenses to the extent of the value of any Second Priority Lien on the Collateral, without regard to the existence of the Third Priority Liens on the Collateral, such value to be determined without regard to the existence of the Third Priority Liens on the Collateral.

6.7 [Intentionally Omitted].

6.8 Separate Grants of Security and Separate Classification. Each of the First Priority Collateral Agent, the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of themselves and the other Second Priority Secured Parties, the 2015 Trustee, and each Additional Third Priority Representative on behalf of themselves and the other Third Priority Secured Parties, and the Lender Agent, on behalf of itself and the other First Priority Secured Parties, acknowledge and agree that:

(a) the grants of Liens pursuant to the First Priority Collateral Documents, the Second Priority Collateral Documents and the Third Priority Collateral Documents constitute three separate and distinct grants of Liens; and

(b) because of, among other things, their differing rights in the Collateral, the First Priority Claims, the Second Priority Claims and the Third Priority Claims are fundamentally different from one another and must be separately classified in any Plan of Reorganization proposed or confirmed in an Insolvency Proceeding.

To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that, contrary to the intention of the parties, the claims of the First Priority Secured Parties, the Second Priority Secured Parties and/or the Third Priority Secured Parties in respect

of the Collateral constitute only one secured claim (rather than separate classes of first priority, second priority and third priority secured claims), then (i) each of the parties hereto hereby acknowledges and agrees that, subject to Sections 2.1 and 4.1, all distributions shall be made as if there were separate classes of first priority, second priority and third priority secured claims against the Obligors in respect of the Collateral (with the effect being that, to the extent that the aggregate value of the Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Secured Parties and the Third Priority Secured Parties), (ii) the First Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, including any additional interest payable pursuant to the First Priority Documents, arising from or related to a default, which is disallowed as a claim in any Insolvency Proceeding, and reimbursement of all fees and expenses of the First Priority Collateral Agent's and the Lender Agent's respective attorneys, financial consultants, and other agents) before any distribution is made in respect of or by virtue of the Second Priority Liens or the Third Priority Liens, with each of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, hereby acknowledging and agreeing to turn over to the First Priority Collateral Agent amounts otherwise received or receivable by them in respect of or by virtue of the Third Priority Liens to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties or the Third Priority Secured Parties, and (iii) following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, the Second Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest, including any additional interest payable pursuant to the Second Priority Documents, arising from or related to a default, which is disallowed as a claim in any Insolvency Proceeding, and reimbursement of all fees and expenses of the Second Priority Collateral Agent's and the 2010 Trustee's respective attorneys, financial consultants, and other agents) before any distribution is made in respect of or by virtue of the Third Priority Liens, with each of the Third Priority Collateral Agent and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, hereby acknowledging and agreeing to turn over to the Second Priority Collateral Agent amounts otherwise received or receivable by them in respect of or by virtue of the Third Priority Liens to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Third Priority Secured Parties.

6.9 Voting for Plan of Reorganization. The First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties shall be entitled to vote to accept or reject any Plan of Reorganization in connection with any Insolvency Proceeding so long as such Plan of Reorganization is a Conforming Plan of Reorganization and shall be entitled to vote to reject any such Plan of Reorganization that is a Non-Conforming Plan of Reorganization; provided that each of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, agrees that none of the Second Priority Secured Parties or the Third Priority Secured Parties shall be entitled to take any action or vote in any way that supports

any Non-Conforming Plan of Reorganization. Without limiting the generality of the foregoing or of the other provisions of this Agreement, any vote to accept, and any other act to support the confirmation or approval of, any Non-Conforming Plan of Reorganization by any Second Priority Secured Party or Third Priority Secured Party shall be inconsistent with and accordingly, a violation of the terms of this Agreement, and the Lender Agent shall be entitled (and hereby authorized by the Second Priority Secured Parties and Third Priority Secured Parties) to have any such vote to accept a Non-Conforming Plan of Reorganization changed and any such support of any such Non-Conforming Plan of Reorganization withdrawn (and following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, the 2010 Trustee shall be entitled to have any such vote by any Third Priority Secured Party to accept a Non-Conforming Plan of Reorganization changed and any such support of any such Non-Conforming Plan of Reorganization withdrawn).

6.10 No X Clause. This Agreement does not include any "X Clause" in favor of the Second Priority Secured Parties or the Third Priority Secured Parties. Without limiting the generality of the foregoing or of any other provision of this Agreement, absent a Discharge of First Priority Claims occurring on or before the effective date of any such Plan of Reorganization, none of the Second Priority Secured Parties or the Third Priority Secured Parties shall be entitled to receive or retain any debt or equity securities to be distributed under any confirmed Plan of Reorganization on account of or otherwise by virtue of the Second Priority Liens or the Third Priority Liens on the Collateral, as the case may be, but any such debt or equity securities instead shall be distributed to the Lender Agent for further distribution to the First Priority Secured Parties in accordance with the provisions of Section 4.2 hereof; provided that following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims, any debt or equity securities to be distributed under any confirmed Plan of Reorganization on account of or otherwise by virtue of the Third Priority Liens on the Collateral shall be distributed to the 2010 Trustee for further distribution to the Second Priority Secured Parties in accordance with the provisions of Section 4.2 hereof.

6.11 Determination of Distributions on Account of Lien on Collateral. For the purposes of this Agreement, including for the purposes of Sections 4.2, 5.4, and 6.10 hereof, there shall be a presumption that any distribution to or for the benefit of the Second Priority Secured Parties or the Third Priority Secured Parties under any Plan of Reorganization for any Obligor shall be on account of or by virtue of the Second Priority Liens or the Third Priority Liens, as the case may be, on the Collateral. Each Trustee and each Additional Third Priority Representative, on behalf of itself and the Second Priority Secured Parties or the Third Priority Secured Parties, as the case may be, shall have the burden of rebutting that presumption, and of proving the portion (if any) of any distribution under any Plan of Reorganization to or for the benefit of the Second Priority Secured Parties or the Third Priority Secured Parties, as the case may be, that does not consist of proceeds of (or is not otherwise on account of or by virtue of) such Lien on the Collateral, in each case by clear and convincing evidence.

Section 7. Reliance; Waivers; etc.

7.1 Reliance. Each of the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, acknowledges that the

Second Priority Secured Parties and Third Priority Secured Parties have, independently and without reliance on the Collateral Agents, the Lender Agent or any other First Priority Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the Indentures or any other applicable Second Priority Document or Third Priority Document, this Agreement and the transactions contemplated hereby and thereby and they will continue to make their own credit decisions in taking or not taking any action under the Indentures, any such other Second Priority Document, any such other Third Priority Document or this Agreement. Each of the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, acknowledges that the Third Priority Secured Parties have, independently and without reliance on the Collateral Agents, the 2010 Trustee or any other Second Priority Secured Party, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the 2015 Indenture or any other applicable Third Priority Document, this Agreement and the transactions contemplated hereby and thereby and they will continue to make their own credit decisions in taking or not taking any action under the 2015 Indenture, any such other Third Priority Document or this Agreement.

7.2 No Warranties or Liability.

(a) Each of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, acknowledges and agrees that each of the First Priority Collateral Agent, the Lender Agent and the other holders of First Priority Claims have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the First Priority Documents or the ownership of any Collateral or the perfection or priority of any Lien thereon. The holders of First Priority Claims will be entitled to manage and supervise their respective loans and extensions of credit to the Obligors in accordance with applicable law and as they may otherwise, in their sole discretion, deem appropriate, and the holders of First Priority Claims may manage their loans and extensions of credit without regard to any right or interest that any Second Priority Secured Party or any Third Priority Secured Party may have in the Collateral or otherwise, except as otherwise provided in this Agreement. None of the First Priority Collateral Agent, the Lender Agent or any other First Priority Secured Party shall have any duty to any Second Priority Secured Party or any Third Priority Secured Party to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreement with any Obligor (including the Second Priority Documents and Third Priority Documents), regardless of any knowledge thereof which they may have or be charged with.

(b) Each of the Third Priority Collateral Agent, the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, acknowledges and agrees that each of the Second Priority Collateral Agent, the 2010 Trustee and the other holders of Second Priority Claims have made no express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectibility or enforceability of any of the Second Priority Documents or the ownership of any Collateral or the perfection or priority of any Lien thereon. The holders of

Second Priority Claims will be entitled to manage and supervise their extensions of credit to the Obligors in accordance with applicable law and as they may otherwise, in their sole discretion, deem appropriate, and the holders of Second Priority Claims may manage their extensions of credit without regard to any right or interest that any Third Priority Secured Party may have in the Collateral or otherwise, except as otherwise provided in this Agreement. None of the Second Priority Collateral Agent, the 2010 Trustee or any other Second Priority Secured Party shall have any duty to any Third Priority Secured Party to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreement with any Obligor (including the Third Priority Documents), regardless of any knowledge thereof which they may have or be charged with.

7.3 No Waiver of Lien Priorities.

(a) To the fullest extent permitted under applicable law, no right of the First Priority Collateral Agent, the Lender Agent, the other First Priority Secured Parties or any of them to enforce any provision of this Agreement shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Obligor or by any act or failure to act by any First Priority Secured Party, or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement or any of the First Priority Documents, the Second Priority Documents or the Third Priority Documents, regardless of any knowledge thereof which the First Priority Collateral Agent, the Lender Agent or the other First Priority Secured Parties, or any of them, may have or be otherwise charged with. To the fullest extent permitted under applicable law, no right of the Second Priority Collateral Agent, the 2010 Trustee, the other Second Priority Secured Parties or any of them to enforce any provision of this Agreement shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Obligor or by any act or failure to act by any Second Priority Secured Party, or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement or any of the Second Priority Documents or the Third Priority Documents, regardless of any knowledge thereof which the Second Priority Collateral Agent, the 2010 Trustee or the other Second Priority Secured Parties, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (but subject to the rights of the Obligors under the First Priority Documents), the First Priority Secured Parties and any of them, may, to the fullest extent permitted under applicable law, at any time and from time to time, without the consent of, or notice to, any Second Priority Secured Party or Third Priority Secured Party, without incurring any liability to any Second Priority Secured Party or Third Priority Secured Party and without impairing or releasing the lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of any Second Priority Secured Party or Third Priority Secured Party is affected, impaired or extinguished thereby) do any one or more of the following:

(i) make loans and advances to any Obligor or issue, guaranty or obtain letters of credit for account of any Obligor or otherwise extend credit to any Obligor, in any amount and on any terms, whether pursuant to a commitment or as a discretionary advance and whether or not any default or event of default or failure of condition is then continuing;

(ii) change the manner, place or terms of payment or change or extend the time of payment of, or renew, exchange, amend, increase or alter, the terms of any of the First Priority Claims or any First Priority Lien or guaranty thereof or any liability of the Obligors, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the First Priority Claims), without any restriction as to the amount, tenor or terms of any such increase or extension or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by the holders of First Priority Claims, the First Priority Claims or any of the First Priority Documents;

(iii) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Collateral or any liability of any Obligor to the First Priority Secured Parties, or any liability incurred directly or indirectly in respect thereof;

(iv) settle or compromise any First Priority Claim or any other liability of any Obligor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sum by whomsoever paid and however realized to any liability (including the First Priority Claims) in any manner or order; and

(v) exercise or delay in or refrain from exercising any right or remedy against any Obligor or any security or any other Person, elect any remedy and otherwise deal freely with the Obligors and the Collateral and any security or any liability of any Obligor to the holders of First Priority Claims or any liability incurred directly or indirectly in respect thereof.

(c) Without in any way limiting the generality of the foregoing paragraph (a) (but subject to the rights of the Obligors under the Second Priority Documents), the Second Priority Secured Parties and any of them, may, to the fullest extent permitted under applicable law but subject to the terms of this Agreement (including, without limitation, Section 5.3 hereof), at any time and from time to time, without the consent of, or notice to, any Third Priority Secured Party, without incurring any liability to any Third Priority Secured Party and without impairing or releasing the lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy of any Third Priority Secured Party is affected, impaired or extinguished thereby) do any one or more of the following:

(i) change the manner, place or terms of payment or change or extend the time of payment of, or renew, exchange, amend, increase or alter, the terms of any of the Second Priority Claims or any Second Priority Lien or guaranty thereof or any liability of the Obligors, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the Second Priority Claims), without any restriction as to the amount, tenor or terms of any such increase or extension or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by the holders of Second Priority Claims, the Second Priority Claims or any of the Second Priority Documents;

(ii) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Collateral or any liability of any

Obligor to the Second Priority Secured Parties, or any liability incurred directly or indirectly in respect thereof;

(iii) settle or compromise any Second Priority Claim or any other liability of any Obligor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sum by whomsoever paid and however realized to any liability (including the Second Priority Claims) in any manner or order; and

(iv) exercise or delay in or refrain from exercising any right or remedy against any Obligor or any security or any other Person, elect any remedy and otherwise deal freely with the Obligors and the Collateral and any security or any liability of any Obligor to the holders of Second Priority Claims or any liability incurred directly or indirectly in respect thereof.

(d) Each of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, also agrees, to the fullest extent permitted under applicable law, that no First Priority Secured Party shall have any liability to any of them, and each of them, to the fullest extent permitted under applicable law, hereby waives any claim against any First Priority Secured Party, arising out of any action which such holders of First Priority Claims may take or permit or omit to take with respect to the foreclosure upon, or sale, liquidation or other disposition of, the Collateral. Each of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, agrees that none of the First Priority Collateral Agent, the Lender Agent or any other First Priority Secured Party shall have any duty to them, express or implied, fiduciary or otherwise, in respect of the maintenance or preservation of the Collateral, the First Priority Claims or otherwise.

(e) Each of the Third Priority Collateral Agent, the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, also agrees, to the fullest extent permitted under applicable law, that no Second Priority Secured Party shall have any liability to any of them, and each of them, to the fullest extent permitted under applicable law, hereby waives any claim against any Second Priority Secured Party, arising out of any action which such holders of Second Priority Claims may take or permit or omit to take with respect to the foreclosure upon, or sale, liquidation or other disposition of, the Collateral. Each of the Third Priority Collateral Agent, the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, agrees that none of the Second Priority Collateral Agent, the 2010 Trustee or any other Second Priority Secured Party shall have any duty to them, express or implied, fiduciary or otherwise, in respect of the maintenance or preservation of the Collateral, the Second Priority Claims or otherwise.

(f) Except to the extent otherwise expressly provided herein, each of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional

Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshaling, appraisal, valuation or other similar right that may otherwise be available under applicable law or any other similar right a junior secured creditor may have under applicable law.

7.4 Obligations Unconditional. All rights, interests, agreements and obligations of the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties hereunder shall remain in full force and effect irrespective of:

- (a) any lack of validity or enforceability of any First Priority Document, Second Priority Document or Third Priority Document or any setting aside or avoidance of any First Priority Lien, Second Priority Lien or Third Priority Lien;
- (b) any change in the time, manner or place of payment of, or in any other terms of, any First Priority Claim, Second Priority Claim or Third Priority Claim, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the First Priority Documents, the Second Priority Documents or the Third Priority Documents;
- (c) any exchange of any security interest in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of any First Priority Claim, Second Priority Claim or Third Priority Claim or any guarantee thereof;
- (d) the commencement of any Insolvency Proceeding in respect of any Obligor; or
- (e) any other circumstance which otherwise might constitute a defense available to, or a discharge of, any Obligor in respect of the First Priority Claims, Second Priority Claims or Third Priority Claims or of any First Priority Secured Party, Second Priority Secured Party or Third Priority Secured Party in respect of this Agreement.

Section 8. Miscellaneous.

8.1 Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of the First Priority Documents, the Second Priority Documents and the Third Priority Documents, the provisions of this Agreement shall govern and control.

8.2 Continuing Nature of this Agreement. This Agreement shall continue to be effective until both the Discharge of First Priority Claims and the Discharge of Second Priority Claims shall have occurred. This is a continuing agreement of lien priority. Each of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, hereby irrevocably, absolutely, and unconditionally waives any right it may have under applicable law to revoke this Agreement or any provisions hereof.

8.3 Amendments; Waivers. No amendment, modification or waiver of any provision of this Agreement shall be deemed to be made unless the same shall be in writing signed by the First Priority Collateral Agent, the Second Priority Collateral Agent, the Third Priority Collateral Agent, the Lender Agent, the 2010 Trustee, the 2015 Trustee and each and each Additional Third Priority Representative and, subject to the immediately following sentence, each Obligor and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding the foregoing, no Obligor shall have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent its rights are directly affected (which includes any amendment to such Obligor's ability to cause additional obligations to constitute First Priority Claims, Second Priority Claims or Third Priority Claims as such Obligor may designate).

8.4 Information Concerning Financial Condition of the Obligors and their Subsidiaries.

(a) Each of the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties, as separate groups of secured creditors shall be responsible for keeping themselves informed of (i) the financial condition of the Obligors and their Subsidiaries and all endorsers and/or guarantors of the First Priority Claims, the Second Priority Claims or the Third Priority Claims and (ii) all other circumstances bearing upon the risk of nonpayment of the First Priority Claims, the Second Priority Claims or the Third Priority Claims.

(b) None of the First Priority Collateral Agent, the Lender Agent nor any other First Priority Secured Party shall have any duty to advise the Second Priority Collateral Agent, the Third Priority Collateral Agent, any Trustee, and Additional Third Priority Representative, any other Second Priority Secured Party or any other Third Priority Secured Party of information known to it or them regarding such condition or any such circumstance or otherwise. In the event the First Priority Collateral Agent or the Lender Agent or any other First Priority Secured Party undertakes at any time or from time to time to provide any such information to any Second Priority Secured Party or Third Priority Secured Party, it or they shall be under no obligation (i) to provide any additional information or to provide any such information on any subsequent occasion, (ii) to undertake any investigation or (iii) to disclose any information which, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential.

(c) None of the Second Priority Collateral Agent, the 2010 Trustee nor any other Second Priority Secured Party shall have any duty to advise the Third Priority Collateral Agent, the 2015 Trustee, any Additional Third Priority Representative or any other Third Priority Secured Party of information known to it or them regarding such condition or any such circumstance or otherwise. In the event the Second Priority Collateral Agent or the 2010 Trustee or any other Second Priority Secured Party undertakes at any time or from time to time to provide any such information to any Third Priority Secured Party, it or they shall be under no obligation (i) to provide any additional information or to provide any such information on any subsequent occasion, (ii) to undertake any investigation or (iii) to disclose any information

which, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential.

8.5 Certain Successors. Each successor First Priority Collateral Agent, Second Priority Collateral Agent, Third Priority Collateral Agent, Trustee and each Additional Third Priority Representative, shall execute and deliver a counterpart of and become a party to this Agreement (but the failure to execute such counterpart shall not diminish such Person's obligations under this Agreement).

8.6 Application of Payments. All payments received by the holders of First Priority Claims may be applied, reversed and reapplied, in whole or in part, to such part of the First Priority Claims as the holders of First Priority Claims, in their sole discretion, deem appropriate. Following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, all payments received by the holders of Second Priority Claims may be applied, reversed and reapplied, in whole or in part, to such part of the Second Priority Claims as the holders of Second Priority Claims, in their sole discretion, deem appropriate.

8.7 Marshalling of Assets. Each of the Second Priority Collateral Agent, the Third Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, and the 2015 Trustee any Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, hereby irrevocably, absolutely, and unconditionally waives any and all rights or powers any Second Priority Secured Party or Third Priority Secured Party, as the case may be, may have at any time under applicable law or otherwise to have the Collateral, or any part thereof, marshaled upon any foreclosure or other enforcement of the First Priority Liens or the Second Priority Liens.

8.8 No Purchase Option in Favor of Second Priority Secured Parties or Third Priority Secured Parties. Without in any manner limiting the other provisions of this Agreement (including as to the enforcement of the rights, powers and/or remedies of the First Priority Collateral Agent, the Lender Agent or the other First Priority Secured Parties in and to the Collateral), nothing herein is intended to grant the Second Priority Secured Parties or Third Priority Secured Parties the option to purchase the aggregate amount (or any other portion) of the outstanding First Priority Claims, whether at par or at any other price or under any other terms or conditions. Without in any manner limiting the other provisions of this Agreement (including as to the enforcement of the rights, powers, and/or remedies of the Second Priority Collateral Agent, the 2010 Trustee or the other Second Priority Secured Parties in and to the Collateral following the Discharge of First Priority Claims), nothing herein is intended to grant the Third Priority Secured Parties the option to purchase the aggregate amount (or any other portion) of outstanding Second Priority Claims, whether at par or at any other price or under any other terms or conditions.

8.9 Notices. All notices to the First Priority Secured Parties permitted or required under this Agreement may be sent to the Lender Agent (with a copy to the First Priority Collateral Agent). All notices to the Second Priority Secured Parties permitted or required under this Agreement may be sent to the 2010 Trustee (with a copy to the Second Priority Collateral Agent). All notices to the Third Priority Secured Parties permitted or required under this Agreement may be sent to the 2015 Trustee and each Additional Third Priority Representative

(with a copy to the Third Priority Collateral Agent). All notices to the Obligors permitted or required under this Agreement may be sent to the Borrowers. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, electronically mailed or sent by courier service or U.S. mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or electronic mail or four Business Days after deposit in the U.S. mail (registered or certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

8.10 Further Assurances. Each of the Lender Agent, on behalf of itself and the other First Priority Secured Parties, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, and each Obligors, agrees that each of them shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as any other party may reasonably request to effect the terms of this Agreement (including, in the case of the Lender Agent, 2010 Trustee, 2015 Trustee or any other Additional Third Priority Representative, to direct the First Priority Collateral Agent, Second Priority Collateral Agent, and Third Priority Collateral Agent to do the same). Each of ResCap and the Borrowers shall cause each of its Subsidiaries that becomes an Obligor to execute and deliver a counterpart of and become a party to this Agreement.

8.11 Governing Law. THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT MADE UNDER AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES (BUT WITH REFERENCE TO SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW, WHICH BY ITS TERMS APPLIES TO THIS AGREEMENT).

8.12 Binding on Successors and Assigns; No Third Party Beneficiaries. This Agreement shall be binding upon and inure to the benefit of the First Priority Collateral Agent, the Lender Agent, the other First Priority Secured Parties (including to the benefit of any successors to the First Priority Secured Parties by virtue of any refinancing), the Second Priority Collateral Agent, the 2010 Trustee, the other Second Priority Secured Parties, the Third Priority Collateral Agent, the 2015 Trustee and each Additional Third Priority Representative, the other Third Priority Secured Parties, and their respective successors and assigns. No other Person shall have or be entitled to assert rights or benefits hereunder. This Agreement shall be binding upon the Obligors and their successors and assigns; provided that no Obligor or any successor or assign thereof shall be entitled to enforce any provision of this Agreement (other than any provision hereof expressly preserving any right of any Obligor under any First Priority Document, Second Priority Document or Third Priority Document).

8.13 Specific Performance. Each of the First Priority Collateral Agent, the Second Priority Collateral Agent, the Third Priority Collateral Agent, the Lender Agent, the Trustees and the Additional Third Priority Representatives may demand specific performance of this Agreement. Each of the Second Priority Collateral Agent, the 2010 Trustee, on behalf of itself and the other Second Priority Secured Parties, the Third Priority Collateral Agent, and the 2015

Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by the First Priority Collateral Agent, the Lender Agent or any other First Priority Secured Party (other than the defense that the obligation for which specific performance is being sought has been performed in accordance with this Agreement). Each of the Third Priority Collateral Agent and the 2015 Trustee and each Additional Third Priority Representative, on behalf of themselves and the other Third Priority Secured Parties, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense which might be asserted to bar the remedy of specific performance in any action which may be brought by the Second Priority Collateral Agent, the 2010 Trustee or any other Second Priority Secured Party. Without limiting the generality of the foregoing or of the other provisions of this Agreement, in seeking specific performance in any Insolvency Proceeding, the First Priority Collateral Agent and the Lender Agent may seek such relief as if it were the "holder" of the claims of the Second Priority Secured Parties and the Third Priority Secured Parties under Section 1126(a) of the Bankruptcy Code or otherwise had been granted an irrevocable power of attorney by the Second Priority Secured Parties and Third Priority Secured Parties. Following the Discharge of First Priority Claims and until the Discharge of Second Priority Claims has occurred, without limiting the generality of the foregoing or of the other provisions of this Agreement, in seeking specific performance in any Insolvency Proceeding, the Second Priority Collateral Agent and the 2010 Trustee may seek such relief as if it were the "holder" of the claims of the Third Priority Secured Parties under Section 1126(a) of the Bankruptcy Code or otherwise had been granted an irrevocable power of attorney by the Third Priority Secured Parties.

8.14 Section Titles; Time Periods. The section titles contained in this Agreement are and shall be without substantive meaning or content of any kind whatsoever and are not a part of this Agreement.

8.15 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be an original and all of which shall together constitute one and the same document. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement.

8.16 Authorization. By its signature, each Person executing this Agreement on behalf of a party hereto represents and warrants to the other parties hereto that it is duly authorized to execute this Agreement.

8.17 Effectiveness. This Agreement shall become effective when executed and delivered by the parties listed below. This Agreement shall be effective both before and after the commencement of any Insolvency Proceeding. Consistent with, but not in limitation of, the preceding sentence, each of the First Priority Collateral Agent, the Second Priority Collateral Agent, the Third Priority Collateral Agent, the Lender Agent (on behalf of itself and the other First Priority Secured Parties), the 2010 Trustee (on behalf of itself and the other Second Priority Secured Parties) and the 2015 Trustee and each Additional Third Priority Representative (on behalf of themselves and the other Third Priority Secured Parties), irrevocably acknowledges

that this Agreement constitutes a “subordination agreement” within the meaning of both New York law and Section 510(a) of the Bankruptcy Code. All references to any Obligor shall include any Obligor as debtor and debtor-in-possession and any receiver or trustee for such Obligor (as the case may be) in any Insolvency Proceeding.

8.18 Provisions Solely to Define Relative Rights. The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First Priority Secured Parties, the Second Priority Secured Parties and the Third Priority Secured Parties as separate groups of secured creditors. None of the Borrowers, any other Obligor (including any Guarantor) or any other creditor thereof shall have any right hereunder. Nothing in this Agreement is intended to or shall impair the obligations of either Borrower or any other Obligor, which are absolute and unconditional, to pay the First Priority Claims, the Second Priority Claims and the Third Priority Claims as and when the same shall become due and payable in accordance with their terms.

8.19 Compliance with Trust Indenture Act. Nothing contained herein shall impair the ability of either Trustee or any Additional Third Priority Representative to take any action necessary to comply with any obligation imposed by applicable law, including the Trust Indenture Act.

8.20 Exclusive Means of Exercising Rights under this Agreement. The First Priority Secured Parties shall be deemed to have irrevocably appointed the Lender Agent as their exclusive agent hereunder. The 2010 Noteholders shall be deemed to have irrevocably appointed the 2010 Trustee as their exclusive agent hereunder. The 2015 Noteholders shall be deemed to have irrevocably appointed the 2015 Trustee as their exclusive agent hereunder. The holders of Indebtedness under any Additional Pari Passu Third Priority Agreement shall be deemed to have irrevocably appointed its designated Additional Third Priority Representative as their exclusive agent hereunder. Consistent with such appointment, (a) the First Priority Secured Parties further shall be deemed to have agreed that only the Lender Agent (and not any individual claimholder or group of claimholders) as agent for the First Priority Secured Parties, or any of the Lender Agent’s agents (including the First Priority Collateral Agent) shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to interpret or otherwise enforce the provisions of this Agreement); provided, that (i) First Priority Secured Parties holding obligations in respect to obligations in respect of hedging agreements may exercise customary netting rights with respect thereto, (ii) cash collateral may be held pursuant to the terms of the First Priority Documents (including any relating to hedging agreements) and any such individual First Priority Secured Party may act against such cash collateral, and (iii) First Priority Secured Parties may exercise customary rights of setoff against depository or other accounts maintained with them; (b) the Second Priority Secured Parties further shall be deemed to have agreed that only the 2010 Trustee (and not any individual claimholder or group of claimholders), as the agent of the Second Priority Secured Parties, or any of the 2010 Trustee’s agents (including the Second Priority Collateral Agent) shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to interpret or otherwise enforce the provisions of this Agreement); (c) the 2015 Noteholders further shall be deemed to have agreed that only the 2015 Trustee (and not any individual claimholder or group of claimholders), as the agent for the 2015 Noteholders, or any of the 2015

Trustee's agents (including the Third Priority Collateral Agent) shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to interpret or otherwise enforce the provisions of this Agreement); and (d) (c) the holders of the Indebtedness under each Additional Pari Passu Third Priority Agreement further shall be deemed to have agreed that only the Additional Third Priority Representative thereof (and not any individual claimholder or group of claimholders), as the agent for such holders, or any of the 2015 Trustee's agents (including the Third Priority Collateral Agent) shall have the right on their behalf to exercise any rights, powers, and/or remedies under or in connection with this Agreement (including bringing any action to interpret or otherwise enforce the provisions of this Agreement). Specifically, but without limiting the generality of the foregoing, each First Priority Secured Party or group of First Priority Secured Parties, each Second Priority Secured Party or group of Second Priority Secured Parties, and each Third Priority Secured Party or group of Third Priority Secured Parties, shall not be entitled to take or file, but instead shall be precluded from taking or filing (whether in any Insolvency Proceeding or otherwise), any action, judicial or otherwise, to enforce any right or power or pursue any remedy under this Agreement (including any declaratory judgment or other action to interpret or otherwise enforce the provisions of this Agreement), except solely as provided in the *proviso* in the immediately preceding sentence.

8.21 Right of First Priority Collateral Agent or Collateral Control Agent to Continue. Any Person serving as First Priority Collateral Agent or Collateral Control Agent shall be entitled to continue, including to continue to perform his, her or its rights, obligations and duties, as the First Priority Collateral Agent or Collateral Control Agent, as the case may be, notwithstanding whether any such Person has served or is serving as the Second Priority Collateral Agent and/or the Third Priority Collateral Agent and/or Additional Third Priority Representative. Without limiting the generality of the preceding sentence of this Section 8.21, any Person serving as First Priority Collateral Agent or Collateral Control Agent shall be entitled to continue to so serve in such capacity (including to continue to perform any of such First Priority Collateral Agent's or Collateral Control Agent's rights, obligations, and/or duties) even if any such Person has resigned as the Second Priority Collateral Agent and/or Third Priority Collateral Agent and/or Additional Third Priority Representative, but such resignation has not become effective for any reason, including because a successor Second Priority Collateral Agent or Third Priority Collateral Agent or Additional Third Priority Representative, as the case may be, has not been appointed or has accepted such appointment, without any liability to any of the 2010 Trustee and the 2010 Noteholders or to any of the 2015 Trustee, any Additional Third Priority Representative and the Third Priority Secured Parties, as the case may be, by virtue of any such resignation and any of the circumstances relating in any manner whatsoever to such resignation.

8.22 Interpretation. This Agreement is a product of negotiations among representatives of, and has been reviewed by counsel to, each of the First Priority Collateral Agent, the Second Priority Collateral Agent, the Third Priority Collateral Agent, the Trustees, each Additional Third Priority Representative, the Lender Agent and each Obligor and is the product of those Persons on behalf of themselves and the First Priority Secured Parties (in the case of the Lender Agent), the Second Priority Secured Parties (in the case of the 2010 Trustee) and the Third Priority Secured Parties (in the case of the 2015 Trustee and each Additional Third Priority Representative). Accordingly, this Agreement's provisions shall not be construed

against, or in favor of, any party or other Person merely by virtue of the extent of that party or other Person's involvement, or lack of involvement, in the preparation of this Agreement and of any of its specific provisions.

8.23 Forum Selection and Consent to Jurisdiction. ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER, OR IN CONNECTION WITH, THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO RELATING THERETO SHALL BE BROUGHT AND MAINTAINED EXCLUSIVELY (TO THE EXTENT PERMITTED UNDER APPLICABLE LAW) IN THE COURTS OF THE STATE OF NEW YORK LOCATED IN NEW YORK COUNTY, OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK. EACH OF THE PARTIES HERETO HEREBY EXPRESSLY AND IRREVOCABLY SUBMITS TO THE JURISDICTION OF THE COURTS OF THE STATE OF NEW YORK LOCATED IN NEW YORK COUNTY, AND OF THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK FOR THE PURPOSE OF ANY SUCH LITIGATION AS SET FORTH ABOVE AND IRREVOCABLY AGREES TO BE BOUND BY ANY JUDGMENT RENDERED THEREBY IN CONNECTION WITH SUCH LITIGATION. EACH OF THE PARTIES HERETO IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS BY REGISTERED MAIL, POSTAGE PREPAID, OR BY PERSONAL SERVICE WITHIN OR WITHOUT THE STATE OF NEW YORK. EACH OF THE PARTIES HERETO HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY HAVE OR HEREAFTER MAY HAVE TO THE LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN ANY SUCH COURT REFERRED TO ABOVE AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. EACH PARTY HEREBY REPRESENTS AND WARRANTS THAT IT HAS NO RIGHT TO IMMUNITY FROM THE SERVICE OF PROCESS OR JURISDICTION OR ANY JUDICIAL PROCEEDINGS OF ANY COMPETENT COURT OR FROM EXECUTION OF ANY JUDGMENT OR FROM THE EXECUTION OR ENFORCEMENT THEREIN OF ANY ARBITRATION DECISION IN RESPECT OF ANY SUIT, ACTION, PROCEEDING OR ANY OTHER MATTER ARISING OUT OF OR RELATING TO ITS OBLIGATIONS UNDER THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, AND TO THE EXTENT THAT ANY PARTY HERETO IS OR BECOMES ENTITLED TO ANY SUCH IMMUNITY WITH RESPECT TO THE SERVICE OF PROCESS OR JURISDICTION OR ANY JUDICIAL PROCEEDINGS OF ANY COMPETENT COURT, AND TO THE EXTENT PERMITTED BY LAW, IT DOES HEREBY AND WILL IRREVOCABLY AND UNCONDITIONALLY AGREE NOT TO PLEAD OR CLAIM ANY SUCH IMMUNITY WITH RESPECT TO ITS OBLIGATIONS OR ANY OTHER MATTER UNDER OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

8.24 Waiver of Jury Trial. THE PARTIES HERETO HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH, THIS AGREEMENT OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN)

OR ACTIONS OF SUCH PARTIES RELATING THERETO. EACH OF THE PARTIES HERETO ACKNOWLEDGES AND AGREES THAT IT HAS RECEIVED FULL AND SUFFICIENT CONSIDERATION FOR THIS PROVISION.
